 Today was the most comprehensive survey yet attempted of the making and distribution of books in Britain at the time All the
 main aspects and problems of this complicated process are expounded by men of high standing in their own fields who wrote
 from expert knowledge Anyone who earned their living from books was likely to find here facts and ideas which were new to
 them The book has been edited mainly from the publisher s point of view and publishing is given particularly full treatment
 But the author the agent the booksellers the librarians and the other contributors state their cases freely often expressing
 views which clash sometimes violently with those of the publishers It is this clash of opinion which gives the book its great

importance It would have been challenging stimulating and of practical value to those inside the trade at the time while others would find in it much of interest Today it can be read in its historical context *One Million Children* Robert E.
