Reading Popular Narrative A Source

Neil McCaw

Reading Popular Narrative A Source:

Revaluing British Boys' Story Papers, 1918-1939 H. A Fairlie, 2014-02-09 This book explores the phenomenon of the story paper the meanings and values children took from their reading and the responses of adults to their reading choices It argues for the revaluing of the story paper in the inter war years giving the genre a pivotal role in the development of children s literature

Concerning Evil, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 The chapters within this volume expose a need to discuss and challenge both the practise of evil and the judgement of acts and persons as being evil The reader will find a diverse and intriguing selection of representative texts and themes including discussions of the monstrous the consideration of evil objects a reading of the wicked language of lying and bullshitting and investigations of madness A range of literature from medieval to contemporary texts including poetry novels television and cinema are considered and analysed through cultural and historical contexts in the hopes to extend the discussion that intrigues many of us what is evil

Rethinking Shakespeare Source Study Dennis Austin Britton, Melissa Walter, 2018-03-28 This book asks new questions about how and why Shakespeare engages with source material and about what should be counted as sources in Shakespeare studies The essays demonstrate that source study remains an indispensable mode of inquiry for understanding Shakespeare his authorship and audiences and early modern gender racial and class relations as well as for considering how new technologies have and will continue to redefine our understanding of the materials Shakespeare used to compose his plays Although source study has been used in the past to construct a conservative view of Shakespeare and his genius the volume argues that a rethought Shakespearean source study provides opportunities to examine models and practices of cultural exchange and memory and to value specific cultures and difference Informed by contemporary approaches to literature and culture the essays revise conceptions of sources and intertextuality to include terms like haunting sustainability microscopic sources contamination fragmentary circulation and cultural conservation They maintain an awareness of the heterogeneity of cultures along lines of class religious affiliation and race seeking to enhance the opportunity to register diverse ideas and frameworks imported from foreign material and distant sources The volume not only examines print culture but also material culture theatrical paradigms generic assumptions and oral narratives It considers how digital technologies alter how we find sources and see connections among texts This book asserts that how critics assess and acknowledge Shakespeare s sources remains interpretively and politically significant source study and its legacy continues to shape the image of Shakespeare and his authorship The collection will be valuable to those interested in the relationships between Shakespeare s work and other texts those seeking to understand how the legacy of source study has shaped Shakespeare as a cultural phenomenon and those studying source study early modern authorship implications of digital tools in early modern studies and early modern literary culture

CULTURAL GEOGRAPHY IN PRACTICE Miles Ogborn, Alison Blunt, Pyrs Gruffudd, David Pinder, 2014-04-23 Cultural Geography in

Practice provides an innovative and accessible approach to the sources theories and methods of cultural geography Written by an international team of prominent cultural geographers all of whom are experienced researchers this book is a fully illustrated guide to methodological approaches in cultural geography In order to demonstrate the practice of cultural geography each chapter combines the following features Practical instruction in using one of the main methods of cultural geography e g interviewing interpreting texts and visual images participatory methods An overview of a key area of concern in cultural geography e g the body national identity empire marginality A nuts and bolts description of the actual application of the theories and methods within a piece of research With the addition of boxed definitions of key concepts and descriptions of research projects by students who devised and undertook them Cultural Geography in Practice is an essential manual of research practice for both undergraduate and graduate geography students

Policing the World on Screen Marilyn Yaquinto, 2019-11-08 This book analyzes Hollywood storytelling that features an American crimefighter whether cop detective or agent who must safeguard society and the nation by any means necessary That often means going rogue and breaking the rules even deploying ugly violence but excused as self defense or to serve the greater good This ends justifies means approach dates back to gunfighters taming the western frontier to urban cowboy cops battling urban savagery first personified by Dirty Harry Callahan and later dispatched in global interventions to vanquish threats to national security America as the world s policeman often means controlling the Other at home and abroad which also extends American hegemony from the Cold War through the War on Terror This book also examines pioneering portrayals by males of color and female crimefighters to embody such a social or national defender which are frustrated by their existence as threats the white knight exists to defeat

Research Methods in the Social Sciences Bridget Somekh, Cathy Lewin, 2005 In this book the contributors introduce all the key qualitative and quantitative research methodologies and methods and draw readers into a community of researchers engaged in reflection on the research process

Arthur Conan Doyle's Art of Fiction Nils Clausson, 2019-01-22 This groundbreaking book rescues Arthur Conan Doyle from the sub literary category of popular fiction and from the myth of Sherlock Holmes Instead of following new historicists and postcolonialists and asking what Conan Doyle s fiction reveals about its author and what it tells us about Victorian attitudes to crime class Empire and gender this provocative and convincingly argued literary study shifts the critical emphasis to the neglected art of the novels tales and stories It demonstrates through close reading that they can be read the same way as canonical literary fiction Unapologetically polemical and written in an accessible jargon free style this book will stimulate debate and provoke counterarguments but most importantly it will send readers both within and outside the academy back to the fiction with heightened understanding and renewed pleasure At a time when evaluation has virtually disappeared from literary studies this iconoclastic book returns it to the centre

Passion's Fortune Joseph McAleer, 1999-10-28 This is the first history of Mills Boon the British publishing phenomenon which has become a household name synonymous with romantic fiction On the

firm's 90th anniversary Joseph McAleer has written the first history of Mills Boon drawing upon a long lost archive of over 50 000 letters which reveal the intricate relationship between editorial policy social attitudes and sales McAleer examines the dictates of the Mills Boon formula and demonstrates how novels were Managed by the firm to ensure maximum sales and to nurture a cadre of loyal readers in Britain and throughout the Commonwealth The result is a cultural phenomenon whose product reflected the attitudes and morals of the age while offering women an addictive escape from everyday life It's a fascinating read for anyone who's ever wondered about writing a Mills Boon or wants to understand the story behind one of the most successful British firms of the twentieth century *Sold by the Millions* Louise Lightfoot, Amit Sarwal, 2011-12-08

Australian genre fiction writers have successfully exploited the Australian landscape and peoples and as a result their books are today sold by the millions across boundaries They have created stories that are imaginative visionary and diverse They appeal to local and international readerships and most importantly are thoroughly entertaining thus making them a strong presence in the popular fiction bazaar *Sold by the Millions* Australia's Bestsellers is the first collection to concentrate on Australia's best selling material that forms the armchair reading of many Australians Leading experts of popular fiction provide introspective pieces on Romance Horror Crime Science Fiction Western Comics Travel Sports and Children's writing so that a wholesome picture emerges of the wide range of reading and research options available for scholars **Narrative**

Comprehension, Causality, and Coherence Susan R. Goldman, Arthur C. Graesser, Paul van den Broek, 1999-08 This volume provides an excellent overview of the field of discourse processes capturing both its breadth and its depth World renowned researchers present the latest theoretical developments and thought provoking empirical data In doing so they cover a broad range of communicative activities including text comprehension conversational communication argumentation television or media viewing and more A central theme across all chapters concerns the notion that coherence determines the interpretation of the communication The various chapters illustrate the many forms that coherence can take and explore its role in different communicative settings *Adapting Detective Fiction* Neil McCaw, 2011-01-20 *The Elohist* Robert Karl

Gnuse, 2017-02-07 Though many Old Testament scholars prefer no longer to speak of the Elohist source in the Pentateuch Gnuse seeks to defend the existence of this pentateuchal tradition by responding to scholarly critics isolating texts belonging to the source and offering a theological assessment of these texts Dream reports in ancient Near Eastern texts from the seventh and sixth centuries BCE bear striking familiarity with the biblical dream reports in the Elohist Prophetic narratives in the books of Samuel and Kings appear to have inspired the subsequent creation of the Elohist narratives in the Pentateuch Thus Gnuse situates the Elohist tradition in the seventh century BCE after the fall of the state of Israel in the north in 722 BCE which is a later date than scholars have attributed to this source in the past Because of this setting the Elohist texts may be assessed differently than they have been in the past The texts might have spoken to exiles from the northern state with themes that bespeak devotion to one God hope of restoration and absolute obedience to a transcendent deity who is revealed

through dreams fire and prophets The author also ponders what these texts say to our modern age **Leslie Fiedler** Prem Kumari Srivastava, 2014-04-28 The controversial Leslie Fiedler 1917 2003 was one of the first critics of popular culture as well as an early proponent of queer theory This book traces the evolution of this larger than life figure through an extensive examination of his works Beginning with his homoerotic reading of the relationship between Jim and Huck Finn in the Mark Twain novel this book covers how his many contributions have been provocative outrageous novel and enduring **The Godfather of Tabloid** Jack Vitek, 2008-09-05 An original American story of a tough embattled media player with uncanny gifts for giving the public what they want Publishers Weekly In The Godfather of Tabloid Jack Vitek explores the life and remarkable career of Generoso Pope Jr and the founding of the most famous tabloid of all the National Enquirer Upon graduating from MIT Pope worked briefly for the CIA until he purchased the New York Enquirer with dubious financial help from mob boss Frank Costello Working tirelessly and cultivating a mix of American journalists some of whom surprisingly were Pulitzer Prize winners and buccaneering Brits from Fleet Street who would do anything to get a story Pope changed the name format and content of the modest weekly newspaper until it resembled nothing America had ever seen before Pope was a man of contradictions he would fire someone for merely disagreeing with him in a meeting once firing an editor in the middle of his birthday party and yet he spent upwards of a million dollars a year to bring the world's tallest Christmas tree to the Enquirer offices in Lantana Florida for the enjoyment of the local citizens Driven tyrannical and ruthless in his pursuit of creating an empire Pope changed the look and content of supermarket tabloid media and the industry still bears his stamp Grounded in interviews with many of Pope's supporters detractors and associates The Godfather of Tabloid is the first comprehensive biography of the man who created a genre and changed the world of publishing forever An engaging saga of one man's obsessive devotion to creating an entertaining alternative universe The Wall Street Journal Reading Primary Sources Miriam Dobson, Benjamin Ziemann, 2020-06-01 Now in its second edition Reading Primary Sources explores the varied traditions in source criticism and through specific examples illustrates how primary sources can be read and used in historical research Part I of this two part volume begins by establishing the reader's understanding of source criticism with an overview of both traditional and new methodological approaches to the use of primary documents Taking into account the huge expansion in the range of primary sources used by historians Part II includes chapters on surveillance reports testimony and court files in addition to more traditional genres such as letters memoranda diaries novels newspapers political speeches and autobiography For the new edition each chapter now includes a checklist that suggests an easy to follow sequence of steps for interpreting a specific source genre enabling students to understand how the sources should be read what they have to offer and the pitfalls of their interpretation In addition to new discussions about the availability of digitised source materials a new chapter on social surveys unlocks the potential of these widely used primary sources Taking examples of sources from many European countries and the United States and providing up to date information on the most widely used

textual sources this book is the perfect companion for every student of history who wants to engage with primary sources

Baroness Orczy's The Scarlet Pimpernel Sally Dugan, 2016-04-15 Since its publication in 1905 *The Scarlet Pimpernel* has experienced global success not only as a novel but in theatrical and film adaptations Sally Dugan charts the history of Baroness Orczy's elusive hero from the novel's origins through its continuing afterlife including postmodern appropriations of the myth Drawing on archival research in Britain the United States and Australia her study shows for the first time how Orczy's nationalistic superhero was originally conceived as an anarchist Pole plotting against Tsarist Russia rather than a counter revolutionary Englishman Dugan explores the unique blend of anarchy myth and magic that emerged from the story's astonishing and complex beginnings and analyses the enduring elements of the legend To his creator the Pimpernel was not simply a swashbuckling hero but an English gentleman spreading English values among benighted savages Dugan investigates the mystery of why this imperialist crusader has not only survived the decline of the meta narratives surrounding his birth but also continues to enthrall a multinational audience Offering readers insights into the Pimpernel's appearances in print in film and on the stage Dugan provides a nuanced picture of the trope of the Scarlet Pimpernel and an explanation of the phenomenon's durability

Reading across Cultures Caroline Gruenbaum, 2025-07-15 *Reading across Cultures* explores a body of innovative Jewish literary works from the Middle Ages In late twelfth and thirteenth century Ashkenaz the Jewish communities in northern France Germany and England Jewish authors translated several Old French and German stories into Hebrew These stories are distinctly non Jewish drawing on the Christian romances of King Arthur and Alexander the Great and the classical fables of Aesop Caroline Gruenbaum argues that these translations rather than adapting stories that reflected Jewish religious or cultural practice represent a body of secular Hebrew literature in Ashkenaz and evidence of a shared literary culture between Jews and Christians in medieval Europe *Reading Hebrew animal fables folktales and chivalric romance* Gruenbaum describes an intellectual climate that allowed the literati of medieval Ashkenaz to read across cultures In these translations produced by medieval Jews for entertainment and for wisdom Gruenbaum finds a new literary awakening in Ashkenaz

The Practice of Cultural Studies Richard Johnson, Deborah Chambers, Parvati Raghuram, Estella Tincknell, 2004-04-14 This is a tour de force It combines luminous discussion of the core conceptual issues of cultural studies with a hard headed practical sense of how research in the field gets done The result is a seriously smart comprehensive survey of the whole terrain of cultural studies itself This is a book on methods which readers will be able to make their own and which uniquely in the genre will keep them buzzing Bill Schwarz Queen Mary University of London *The Practice of Cultural Studies* is an original introduction to the field It offers a sophisticated how to guide to doing research in cultural studies From the difficulties of formulating a problem to the unique articulations of specific methodologies in cultural studies students will find this book both useful and challenging Professor Lawrence Grossberg University of North Carolina What is distinctive about cultural research How does one do Cultural Studies Unlike many other disciplines cultural studies has not

been explicit about the nature of its practice This book aims to redress the balance in favour of those who are studying culture by providing a comprehensive guide to researching and writing Based on the methods course at Nottingham Trent and addressed to advanced undergraduates Masters Level students and those just commencing a PhD this book aims to provide an overview of specific research traditions in cultural studies whilst also situating those traditions in their historical context The Practice of Cultural Studies Identifies the main methods of researching culture Demonstrates how theory can inform and enable the practice of research Explores the ways in which research practices and methods both produce and are produced by knowledge Looks at the implications of the cultural turn for disciplines other than cultural studies The Practice of Cultural Studies will be an essential text for students of cultural studies and a useful guide to others studying culture in a range of disciplinary contexts across the humanities and social sciences

Plagues, Priests, and Demons Daniel T. Reff, 2004-12-06 Drawing on anthropology religious studies history and literary theory Plagues Priests and Demons explores significant parallels in the rise of Christianity in the late Roman empire and colonial Mexico Evidence shows that new forms of infectious disease devastated the late Roman empire and Indian America respectively contributing to pagan and Indian interest in Christianity Christian clerics and monks in early medieval Europe and later Jesuit missionaries in colonial Mexico introduced new beliefs and practices as well as accommodated indigenous religions especially through the cult of the saints The book is simultaneously a comparative study of early Christian and later Spanish missionary texts Similarities in the two literatures are attributed to similar cultural historical forces that governed the rise of Christianity in Europe and the Americas

The Common Core Companion: The Standards Decoded, Grades 9-12 Jim Burke, 2013-08-23 I love what Jim Burke has done to make the Standards less threatening and more useful for teachers In particular the indicators for what students and teachers should be doing given the Standard are extremely helpful as are such a clear glossary and illuminating examples All in all The Common Core Companion is bound to be enormously useful and thus dog eared Grant Wiggins President Authentic Education Hopewell NJ That version of the 9 12 standards you wish you had If you're a high school teacher no need to despair Jim Burke has created a Common Core Companion for you too Thi
