Reading the Global Past: Prehistory to 1500 Russell J. Barber, Lanny B. Fields, Cheryl A. Riggs, 1998 **World History** Candice Goucher, Linda Walton, 2013-07-24 World History Journeys from Past to Present uses common themes to present an integrated and comprehensive survey of human history from its origins to the present day By weaving together thematic and regional perspectives in coherent chronological narratives Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time Revised and updated throughout the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters In this volume chapters are divided into three parts as follows PART 1 EMERGENCE Human origins to 500 CE PART 2 ORDER 1 CE 1500 CE PART 3 CONNECTIONS 500 1600 CE The expanded new edition features an impressive full color design with a host of illustrations maps and primary source excerpts integrated throughout Chapter opening timelines supply context for the material ahead while end of chapter questions and annotated additional resources provide students with the tools for independent study Each chapter and part boasts introductory and summary essays that guide the reader in comprehending the relevant theme In addition the companion website offers a range of resources including an interactive historical timeline an indispensable study skills section for students tips for teaching and learning thematically and PowerPoint slides lecture material and discussion questions in a password protected area for instructors This textbook provides a basic introduction for all students of World History incorporating thematic perspectives that encourage critical thinking link to globally relevant contemporary issues and stimulate further study [A Concise Survey of Western Civilization](#) Brian A. Pavlac, 2023-01-09 This book gives a brief readable description of our common Western heritage It covers the minimum historical information that educated adults should know within a tightly focused narrative and interpretive structure The joined terms supremacies and diversities develop major themes of conflict and creativity Supremacies centers on the use of power to dominate societies ranging from warfare to ideologies Supremacy seeks stability order and incorporation Diversities encompasses the creative impulse that produces new ideas as well as people's efforts to define themselves as different Diversity creates change opportunity and individuality These themes of historical tension and change whether applied to political economic technological social and cultural trends offer a bridging explanatory organization Five other topical themes regularly inform the text technological innovation migration and conquest political and economic decision making church and state and disputes about the meaning of life Various Basic Principles present summaries of historical realities Primary Source Projects and Sources on Families offer students the chance to evaluate differing points of view about the past This text is less expensive less formal has more attitude yet still provides all the essentials for a course on Western Civilization **A Short History of the World** Geoffrey Blainey, 2003-03-08 A superb history of the world's people during the last four million years beginning before the human race moved out of Africa to

explore and settle the other continents Mr Blainey explores the development of technology and skills the rise of major religions and the role of geography considering both the larger patterns and the individual nature of history A delightful read gracefully written and full of odd and interesting pieces of information as well as thoughtful comparisons that span both time and space William L O Neill **History of Civilization, Vol. 1** Robin W.
