Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917

Walter G. Moss

Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917:

Readings in Russian Civilization, Volume 2: Imperial Russia, 1700-1917, 1969 *Readings in Russian Civilization Volume II* Thomas Riha, 2009-02-15 This new and enlarged version of Readings in Russian Civilization is the result of fairly extensive revisions There are now 72 instead of 64 items 20 of the selections are new The first volume has undergone the least change with 3 new items of which 2 appear in English for the first time In the second volume there are 6 new items all of them appear in English for the first time The third volume has undergone the greatest revision with 11 new items of which 6 are newly translated from the Russian It is the editor's hope that items left out in the new edition will not be sorely missed and that the new selections will turn out to be useful and illuminating The aim throughout has been to cover areas of knowledge and periods which had been neglected in the first edition and to include topics which are important in the study of the Russian past and present The bibliographical headnotes have been enlarged with the result that there are now approximately twice as many entries as in the old edition New citations include not only works which have appeared since 1963 but also older books and articles which have come to the editor's attention From the Editor's Preface a judicious combination of seminal works and more recent commentaries that achieves the editor's purpose of stimulating curiosity and developing a point of view C Bickford O'Brien The Russian Review These three volumes cover quite well the main periods of Russian civilization The choice of the articles and other material is made by a competent and unbiased scholar Ivan A Lopatin Professor of Asian and Slavic Studies University of Southern California

Historiography of Imperial Russia: The Profession and Writing of History in a Multinational State Thomas Sanders, 2015-02-12 This collection of the best new and recent work on historical consciousness and practice in late Imperial Russia assembles the building blocks for a fundamental reconceptualization of Russian history and history writing

War and Punishment Hein Goemans, 2012-01-06 What makes wars drag on and why do they end when they do Here H E Goemans brings theoretical rigor and empirical depth to a long standing question of securities studies He explores how various government leaders assess the cost of war in terms of domestic politics and their own postwar fates Goemans first develops the argument that two sides will wage war until both gain sufficient knowledge of the other's strengths and weaknesses so as to agree on the probable outcome of continued war Yet the incentives that motivate leaders to then terminate war Goemans maintains can vary greatly depending on the type of government they represent The author looks at democracies dictatorships and mixed regimes and compares the willingness among leaders to back out of wars or risk the costs of continued warfare Democracies according to Goemans will prefer to withdraw quickly from a war they are not winning in order to appease the populace Autocracies will do likewise so as not to be overthrown by their internal enemies Mixed regimes which are made up of several competing groups and which exclude a substantial proportion of the people from access to power will likely see little risk in continuing a losing war in the hope of turning the tide Goemans explores the conditions and the reasoning behind this

gamble for resurrection as well as other strategies using rational choice theory statistical analysis and detailed case studies of Germany Britain France and Russia during World War I In so doing he offers a new perspective of the Great War that integrates domestic politics international politics and battlefield developments *A History of Russia Volume 1* Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss s *A History of Russia* will appeal to academics students and general readers alike

Russian Conservatism Paul Robinson,2019-10-15 *Russian Conservatism* examines the history of Russian conservative thought from the beginning of the nineteenth century to the present Robinson charts the contributions made by philosophers politicians and others during the Imperial Soviet and post Soviet periods Looking at cultural political and social economic conservatism in Russia *Russian Conservatism* demonstrates that such ideas are helpful in interpreting Russia s present as well as its past and will be influential in shaping Russia s future for better or for worse in the years to come

Managing "modernity" Rudra Sil,2002 Compares industrial management in two late industrializers Japan and Russia as a basis for an original theory of institution building

Russian Liberalism Paul Robinson,2023-09-15 *Russian Liberalism* charts the development of liberal ideas and political organizations in Russia as well as the implementation of liberal reforms by the Russian and Soviet governments at various points in time Paul Robinson s comprehensive survey covers the entire period from the late eighteenth century to the present day Robinson demonstrates that liberalism has always lacked strong roots in the Russian population being largely espoused by a narrow group of intellectuals whose culture it has reflected and has tended toward a form of historical determinism that sees Russia as destined to become like the West Many see the current political struggle between Russia and the West as being in part a conflict between the liberal West and an illiberal Russia By explaining the historical causes of liberalism s failure in that country *Russian Liberalism* offers an understanding of a significant aspect of contemporary international affairs After Putin s February 2022 invasion of Ukraine understanding Russian political thought is a matter of considerable importance

Russia and Eastern Europe, 1789-1985 Raymond Pearson,1989

No Harmless Power Charlie Allison,2023-08-22 Lively incendiary and inspiring *No Harmless Power* follows the life of Nestor Makhno who organized a seven million strong anarchist polity during the Russian civil war and who developed Platform anarchism during his exile in Paris as well as advising other anarchists like Durruti on tactics and propaganda Both timely and timeless this biography reveals Makhno s rapidly changing world and his place in it He moved swiftly from peasant youth to prisoner to

revolutionary anarchist leader. Narrowly escaping Bolshevik Ukraine for Paris, this book also chronicles the friends and enemies he made along the way, including Lenin, Trotsky, Alexander Berkman, Kropotkin, Emma Goldman, Ida Mett, and others. *No Harmless Power* is the first text to fully delve into Makhno's sympathy for the downtrodden, the trap of personal heroism, his improbable victories, unlikely friendships, and his alarming lack of gun safety in meetings. Makhno and the movement he began are seldom mentioned in most mainstream histories, Western or Russian, mostly on the grounds that acknowledging anarchist politics calls into question the inevitability and desirability of the nation-state and unjust hierarchies. With illustrations by N. O. BONZO and Kevin Matthews, this is a fresh, humorous, and necessary look at an under-examined corner of history, as well as a deep exploration of the meaning and value, if any, of heroism as history.

The Life and Thought of Filaret Drozdov, 1782-1867 Nicholas S. Racheotes, 2018-10-25. *The Life and Thought of Filaret Drozdov 1782-1867: The Thorny Path to Sainthood* is an intellectual biography of the foremost historical figure in the religious world of nineteenth-century Russia. The product of decades of archival research, most of which was in the Russian language, this is the first book-length study of St. Filaret in English. The volume is designed for specialists engaged in imperial Russian history, students in upper-level undergraduate or graduate courses, and for readers interested in Eastern Orthodox spirituality and observers of the contemporary Russian scene who wish to understand traditional church-state relations. Deeply researched and including a formidable bibliographic component, the volume also serves as a reference guide to scholars desiring to study at greater length. One of the many topics raised, Racheotes argues that Filaret was far more than a neo-patristic theologian steeped in the tradition of the Eastern Fathers. He was simultaneously a valued monarchical apologist and a guardian of the privileges of the Russian Orthodox Church to the point of subtly resisting the state. By means of translation, select passages from sermons, letters, and official reports are available in English for the first time. Often preaching before three reigning tsars, writing or editing such monumental documents as Alexander I's will and Alexander II's decree emancipating the Russian serfs, leading the drive for a Russian translation of the Bible, and preparing Orthodox catechisms are but a few examples of St. Filaret's historical importance. His centrality to policy formation with respect to the so-called Old Believers, his incessant campaigns for clerical education reform, and for translation into Russian of the seminal works of Eastern theologians account for the enduring influence attributable to this Archbishop. Today, his pronouncements are enjoying a revival among a new generation of religious historians in Russia and are often adduced by a host of contemporaries arguing for Russian exceptionalism.

Revolutions and the Collapse of Monarchy Zhand Shakibi, 2007-02-23. What causes revolution? What brought about the end of the last major monarchies of the modern period: Louis XVI, Nicholas II, and Mohammad Reza Pahlavi? The unwitting victims of historical circumstance, or did their own actions help to bring about the revolutions that overthrew them? This powerful and original book is the first comparative study of the revolutions in Bourbon France, Romanov Russia, and Pahlavi Iran. Zhand Shakibi analyses fully the timing and causes of these three revolutions and reveals the important

similarities between the Revolutions and the Collapse of Monarchy argues provocatively that it is often the monarch's own personality that provides the vital spark which produces revolution. This ambitious and important book challenges the Marxist interpretation of history and adds a compelling new perspective to theories of revolution. **Russian Populism** Christopher Ely, 2021-12-30 Russian populism, the belief that the peasantry embodied authentic Russian identity and once liberated from their poverty would lead the country to a brighter future, has animated Russian thought across the political spectrum and inspired much of Russia's world historical literature, music, and art in the 19th century. This book offers the fullest and most authoritative account of the rise, proliferation, and influence of populist values and ideology in modern Russia to date. Christopher Ely explores the complete story of Russian populism. Starting from the cursed question of how to reconnect the popular masses with the Europeanized elite, he examines the populist obsession with the peasant commune as a model for a future socialist Russia. He shows how the desire for revolution led Russian radicals to flood into the countryside and later to pioneer terrorism as a form of political action. He delves into those artists influenced by populist ideals and he tells the story of the collapse of populist optimism and its rebirth among the Socialist Revolutionary neo-populists. The book demonstrates that populism existed in forms ranging from radical socialist to religious conservative. Blending lively theoretical analysis with a wealth of primary sources and illustrations, *Russian Populism* provides a highly engaging overview of this complex phenomenon; it is invaluable reading for anyone interested in the momentous final decades of the Russian Empire. *Public Justice and the Anthropology of Law* Ronald Niezen, 2010-10-21 In this powerful, timely study, Ronald Niezen examines the processes by which cultural concepts are conceived and collective rights are defended in international law. Niezen argues that cultivating support on behalf of those experiencing human rights violations often calls for strategic representations of injustice and suffering to distant audiences. The positive impulse behind public responses to political abuse can be found in the satisfaction of justice done. But the fact that oppressed peoples and their supporters from around the world are competing for public attention is actually a profound source of global difference, stemming from differential capacities to appeal to a remote, unknown public. Niezen's discussion of the impact of public opinion on law provides fresh insights into the importance of legally constructed identity and the changing pathways through which it is being shaped, crucial issues for all those with an interest in anthropology, politics, and human rights law. *Russian Foreign Policy in the Twenty-first Century and the Shadow of the Past* Robert Legvold, 2007 Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation, history offers a special vantage point from which to judge the current course of events. In this book, a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history. The authors explain the impact of empire and its loss, the interweaving of domestic and foreign impulses, long-standing approaches to national security, and the effect of globalization over time. Contributors focus on the underlying patterns that have marked Russian foreign policy and that

persist today These patterns are driven by the country's political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia's approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia's complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined

Russia John M. Thompson, Christopher J. Ward, 2018-04-17 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's presidency in the twenty first century Russia does not shy away from controversial topics including the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort Tackling those topics and others the new edition is updated to discuss the Russia Georgia war of 2008 the 2013 2014 Euromaidan protests in Ukraine the war in eastern Ukraine and the Russian annexation of Crimea Distinguished by its brevity and amply supplemented with useful images and suggested readings this essential text provides balanced coverage of all periods of Russian history and incorporates economic social and cultural developments as well as politics and foreign policy

Russia and the Soviet Union John M. Thompson, 2011-05 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's presidency of the twenty first century Now thoroughly revised and updated *Russia and the Soviet Union* addresses controversial topics including the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort The sixth edition includes a new chapter on Vladimir Putin additional treatment of social and foreign policy issues and an updated chapter on post Soviet Russia and the Yeltsin era Distinguished by its brevity and amply supplemented with useful maps illustrations photos and suggested readings this essential text provides balanced coverage of all periods of Russian history and incorporates

economic social and cultural developments as well as politics and foreign policy

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

World History in Brief Peter N. Stearns, 2007 With its brief global rather than West centered approach *World History in Brief* Sixth Edition seeks to show how different civilizations developed in a global context Rather than overwhelm students the chief goal of *World History in Brief* is to present the big picture to facilitate comparison and assessment of

change and to highlight the major developments in the world's history. This text also emphasizes the global interactions of major civilizations so that students can compare and assess changes in the patterns of interaction and the impact of global forces such as migration and technology exchange. The compact size of this text gives instructors the opportunity to take advantage of additional supplementary readings.

Bulletin of the Atomic Scientists, 1964-12. The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world.

Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 has opened up a world of possibilities. Downloading Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Readings In Russian Civilization Vol 2

Imperial Russia 1700 1917 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 is one of the best book in our library for free trial. We provide copy of Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917. Where to download Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 online for free? Are you looking for Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Readings In Russian Civilization Vol 2 Imperial Russia 1700 1917 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
