Readings On Fascism National Socialism:

Readings on Fascism and National Socialism Alan Swallow, 2007-10-01 **Readings on Fascism and National Socialism** Various, 2019-11-19 Readings on Fascism and National Socialism is a compelling anthology that delves into the ideological underpinnings historical contexts and cultural ramifications of fascism and national socialism throughout the 20th century The collection features a diverse range of essays speeches and primary sources presenting a multifaceted examination of how these movements arose flourished and ultimately shaped the political landscape in Europe and beyond Through critical analysis and varied literary styles the text engages with the complexities of authoritarianism nationalism and public sentiment providing readers with a deeper understanding of the socio political climate that fostered such ideologies As a collaborative effort the volume is compiled by various scholars who have explored the intricacies of totalitarian regimes Their collective expertise sheds light on the relationship between political power and social identity contextualizing fascism and national socialism within a broader historical and philosophical framework The contributions reflect the authors profound interest in the warning lessons of history and the continuing relevance of these ideologies in contemporary discourse This book is an essential resource for students historians and anyone interested in political theory and history By engaging with primary texts and authoritative analysis readers are invited to critically reflect on the legacies of fascism and nationalism fostering a nuanced dialogue that is not only relevant to the past but also to the present and future *Readings on Fascism and National Socialism* University of Colorado Boulder. Department of Philosophy, 1984 The catastrophe and holocaust brought about by the two powerful movements of fascism and national socialism will mark human life always Now as we feel our hatred for them we find it difficult to understand how they could have been so powerful how they could have appealed so strongly to millions of people of a modern age To understand our own times it is necessary to understand these movements And to understand them we must read the basic philosophical and political documents which show the force of the ideas which moved a world to the brink of disaster This collection of readings has been selected to encourage students to clarify their thinking on social philosophy They will accordingly need to determine whether the readings contain more or less coherent body of ideas which constitutes a social philosophy They will also need to raise the more far reaching question of whether the ideas are acceptable To arrive at any satisfactory answer to this latter question they will necessarily have to compare the ideas of fascism and their practical meanings with the alternatives real and ideal that are the substance of live philosophical issues **Readings on Fascism and National Socialism** Benito Mussolini, 1952 **Readings on Fascism and National Socialism** VARIOUS., 2025-03-28 Explore the dark heart of 20th century political thought with Readings on Fascism and National Socialism a carefully curated collection selected by members of the Department of Philosophy at the University of Colorado This volume delves into the core tenets of fascism and national socialism offering essential insights into these powerful and destructive ideologies This collection provides a comprehensive overview of totalitarianism

examining its philosophical underpinnings and historical context Ideal for anyone interested in political philosophy and the history of Europe particularly the 20th century this book offers a unique opportunity to grapple with the ideas that shaped some of the most turbulent periods in human history Readings on Fascism and National Socialism is a vital resource for understanding the dangers of political extremism and the enduring relevance of vigilance in the face of threats to individual liberty This meticulously prepared edition ensures these crucial texts remain accessible for study and reflection This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Readings on Fascism and National Socialism Various,2017-05-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Readings on Fascism and National Socialism** Colorado. University. Department of Philosophy,1958 **Readings on Fascism & National Socialism Selected by Members of the Department of Philosophy, University of Colorado** ,2006 The Cause of Hitler's Germany Leonard Peikoff,2014-11-25 A truly revolutionary idea Clear tight disciplined beautifully structured and brilliantly reasoned Ayn Rand Self sacrifice Oriental mysticism racial truth the public good doing one s duty these are among the seductive catchphrases that circulated in pre Nazi Germany Objectivist author and philosopher Leonard Peikoff was Ayn Rand s long time associate In The Cause of Hitler s Germany previously published in The Ominous Parallels Peikoff demonstrates how unreason and collectivism led the seemingly civilized German society to become a Nazi regime *Eric Voegelin's Political Readings* Bernat Torres,Josep Monserrat Molas,2021-07-22 Eric Voegelin s Political Readings fills a critical void by providing an original approach to studying the work of Eric Voegelin one of the major political philosophers of the twenty first century Across six chapters experts guide the reader from classical to modern times presenting six political philosophers who have had an impact on the life and philosophical production of Eric Voegelin Philosophers examined include Plato Aristotle Saint Augustine Hobbes Weber and Kelsen Through this innovative structure the chapters collectively

illustrate how Voegelin was an exceptional thinker through his engagement with political philosophers both modern and antique The plurality of unique academic perspectives and voices enriches our understanding of Voegelin s own thought while also encouraging a re think of ancient and modern thinkers and the transformation and continuity between these Designed for students and scholars alike Eric Voegelin s Political Readings will appeal to all those with an interest in Voegelin as well as readers familiar with classical and modern political philosophers **The Third Reich** Martin Kitchen,2014-01-14 The twelve years of the Third Reich casts a dark shadow over history Fierce debates still rage over many of the hows whys and wherefores of this perplexing period Leading expert on German history Martin Kitchen provides a concise accessible and provocative account of Nazi Germany It takes into account the political social economic and cultural ramifications and sets it within the context of the times while pointing out those areas that still defy our understanding This lively account addresses major issues such as the reasons for Hitlers extraordinary popularity his hold over the German people even when all seemed lost the role of ideology the cooption of the elites and the descent into war for race and space culminating in the horrors of the holocaust **The Conscription Society** Gregory James Kasza,1995-01-01 The ability to organize millions of people for political purposes is a potent and relatively recent weapon in the struggle for power Political scientists have studied two types of mass organization the political party and the interest group In this book Gregory Kasza examines a third type which he calls the administered mass organization AMOs are mass civilian bodies created by authoritarian regimes to implement public policy Officials use them to organize youths workers women or members of other social sectors into bodies resembling the mass conscript army A network of AMOs produces a conscription society a major force in twentieth century politics in over 45 countries Using comparative history and organization theory Kasza analyzes the politics of the conscription society in both military and single party regimes He discusses the origins of AMOs in Japan the Soviet Union and Fascist Italy and their subsequent spread to China Egypt Nazi Germany Peru Poland and Yugoslavia He focuses on the use of AMOs to curb political opposition to mobilize for war and to shift control over the means of production Kasza shows how in the hands of despotic rulers AMOs have contributed to the extremes of political barbarism characteristic of the twentieth century *A New Reading of Jacques Ellul* Jacob Marques Rollison,2020-09-10 This book presents an original and dynamic reading of the twentieth century French sociologist and theological ethicist Jacques Ellul Adopting Ellul s use of presence as a hermeneutical key to understanding his work it examines the origins of Ellul s approach to presence in his readings of Kierkegaard and the biblical book of Ecclesiastes highlights the central structural role of presence in Ellul s theological ethics and elucidates a crucial turning point in Ellul s theology following a personal crisis in Ellul s faith and life Drawing from numerous unpublished and untranslated texts Jacob Marques Rollison argues that this crisis involves confrontation with a critique of presence manifest in Ellul s reading of and engagement with Michel Foucault Marques Rollison distills Ellul s sociological critiques and theological responses to this crisis presenting Ellul s evolving theology

against the background of major shifts in French intellectual life In doing so the author simultaneously calls for renewed engagement with Ellul s prophetic thought critically appraises Ellul s dialectical theology and Marxist inheritances and develops a robustly Protestant approach to theological communication ethics for our time *Waves of Rancor* Robert L. Hilliard, Michael C. Keith, 2016-07-01 The airwaves in America are being used by armed militias conspiracy theorists survivalists the religious right white supremacists neo Nazis and other radical groups to reach millions with their messages of hate and fear *Waves of Rancor* examines the origin nature and impact of right wing electronic media including radio television cable the internet and even music CDs **1984 & Animal Farm** George Orwell, 2023-12-10 George Orwell s seminal works 1984 and *Animal Farm* present a compelling critique of totalitarianism and social injustice Through stark dystopian narratives Orwell employs a blend of satirical allegory and rich imagery to underscore the pernicious effects of oppressive governance 1984 featuring the chilling figure of Big Brother unveils a world of surveillance and propaganda while *Animal Farm* utilizes anthropomorphized animals to allegorically depict the rise and fall of revolutionary ideals Both texts reflect the author s profound concern for individual freedom and the moral imperative of political accountability resonating with readers in an era post World War II when the specter of authoritarianism loomed large George Orwell an ardent social commentator and a democratic socialist draws upon his own experiences in the Spanish Civil War and observations of the USSR to inform his narratives His works are profoundly influenced by his fierce opposition to fascism and communism fueled by a desire to expose the societal failures that arise from ideological extremism Orwell s unique background ranging from his time as a colonial police officer in Burma to his focus on the plight of the working class imbues his writing with authenticity and urgency Readers seeking a deeper understanding of political dynamics and the fragility of freedom will find 1984 and *Animal Farm* invaluable Together these works challenge us to reflect on our societal structures urging vigilance against the encroachments of power Engaging thought provoking and hauntingly relevant Orwell s masterpieces remain essential reading for anyone committed to the principles of liberty and justice **Ominous Parallels** Leonard Peikoff, 1983-06-01 Ayn Rand chose Leonard Peikoff to be her successor as the spokesman for Objectivism And in this brilliantly reasoned thought provoking work we learn why as he demonstrates how far America has been detoured from its original path and led down the same road that Germany followed to Nazism Self sacrifice Oriental mysticism racial truth the public good doing one s duty these are among the seductive catch phrases that Leonard Peikoff dissects examining the kind of philosophy they symbolize the type of thinking that lured Germany to its doom and that he says is now prevalent in the United States Here is a frightening look at where America may be heading a clarion call for all who are concerned about preserving our right to individual freedom **Readings on Fascism and National Socialism - Scholar's Choice Edition** Various, 2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore
