The Essential Grandparent Lillian Carson, 1997-04-01 Ready or not you're a grandparent How did you get here so fast No one consults you about this new role It is handed to you without your advice or consent So now that you're here at this new stage of life the question before you is what are you going to make of it This book will help you find your answer and assist you in developing a plan for your grandparenting It will dispel the myths and tell it like it is You'll learn that other grandparents feel just as you do It will guide you to become aware of the possibilities encourage you to trust your intuition and teach you how to set goals so that you can make the most of this essential role Just as babies don't come with instructions for parents they certainly don't come with instructions for grandparents The joys of grandparenting are available to all It's healthy for us the older generation to nurture the young It is our natural task to influence the future in this way There are no requirements for a grandparent to be of a certain color educational level lifestyle or economic class However just loving our children and grandchildren is not enough The joy comes from our ingenuity energy and determination to provide stability and purpose It is ours for the doing Ready Or Not, 2006
