**A Millionaire of Rough-and-Ready** Bret Harte,2016-02-01 PROLOGUE There was no mistake this time he had struck gold at last It had lain there before him a moment ago a misshapen piece of brown stained quartz interspersed with dull yellow metal yielding enough to have allowed the points of his pick to penetrate its honeycombed recesses yet heavy enough to drop from the point of his pick as he endeavored to lift it from the red earth He was seeing all this plainly although he found himself he knew not why at some distance from the scene of his discovery his heart foolishly beating his breath impotently hurried Yet he was walking slowly and vaguely conscious of stopping and staring at the landscape which no longer looked familiar to him He was hoping for some instinct or force of habit to recall him to himself yet when he saw a neighbor at work in an adjacent claim he hesitated and then turned his back upon him Yet only a moment before he had thought of running to him saying By Jingo I ve struck it or D n it old man I ve got it but that moment had passed and now it seemed to him that he could scarce raise his voice or if he did the ejaculation would appear forced and artificial Neither could he go over to him coolly and tell his good fortune and partly from this strange shyness and partly with a hope that another survey of the treasure might restore him to natural expression he walked back to his tunnel

interpersonal interactions without losing a sense of maleness as a result of emotional growth and communication with peers about personal issues The activities are designed to be engaging across age groups and the individual exercises and program structure can be modified to fit into any existing school or community based mentoring system The guidebook contains all of the information and tools a facilitator needs in order to implement and maintain these boys groups **Rough and Ready**
