Real Baptism Religious Ritual Or Spiritual Reality:

Deconstructing Sacramental Theology and Reconstructing Catholic Ritual Joseph Martos, 2015-05-12 Catholic sacramental doctrine has lost much of its credibility Baptized people leave the church adolescents stop attending shortly after they are confirmed supposedly indissoluble marriages regularly dissolve few go to confession and many do not believe in transubstantiation Drawing upon his decades long study of the sacraments Martos reveals how teachings that seemed rooted in the scriptures and Catholic life have become unmoored from the contexts in which they arose and why seemingly eternal truths are actually historically relative After carefully constructing Catholic teaching from the church's own documents he deconstructs it by demonstrating how biblical passages were misconstrued by patristic authors and how patristic writings were misunderstood by medieval scholastics The long process of misinterpretation culminated in the dogmatic pronouncements of the Council of Trent which continues to dominate Catholic thinking about the church's religious ceremonies If the sacraments are released from their dogmatic baggage Martos believes that the spiritual realities they symbolize can be celebrated in any human culture without being tied to their traditional rites

Honest Rituals, Honest Sacraments Joseph Martos, 2017-12-28 Honest rituals are ceremonial actions that celebrate what is actually happening in people's lives Religious rituals however often celebrate beliefs and doctrines e.g. the birth of Christ God's forgiveness of sins or the gifts of the Holy Spirit that have little to do with people's experience Martos argues that early Christian rituals were grounded in experiences such as conversion community commitment and self giving Lacking a vocabulary to name such experiences the authors of the New Testament and other early documents resorted to metaphors such as baptism into Christ receiving the Holy Spirit forgiveness by God and the presence of Christ during worship By the fourth century however those metaphors were taken to be unexperienced metaphysical realities rather than experienced realities The medieval schoolmen developed philosophical explanations of what went on in church rituals and the Catholic Church continues to teach that its sacraments are automatically effective despite growing evidence to the contrary What if religious rituals were to regain their original authenticity What if the guiding value in designing church ceremonies was honesty rather than liturgical correctness After liberating the reader from doctrinal constraints Martos invites Catholics into a re-visioning of the traditional

sacraments and a reawakening of ritual imagination in non-Western cultures

Ritual and Christian Worship Jeffrey A. Truscott, 2023-01-05 What exactly is ritual and why is it inherently a part of Christian public worship Could we worship without ritual Does the Christian tradition offer us any perspectives on ritual These are the questions explored in this book whose purpose is to serve as a user's guide to ritual for leaders and planners of Christian worship With the help of various perspectives the life sciences the Bible and Reformation theologians it seeks to explain ritual objectively winsomely and sympathetically Written by a scholar with many years of experience in teaching liturgics this book will help readers to appreciate ritual and become comfortable with themselves as participants in ritual

The Unholy Trinity Thomas Van

Dyke,2020-04-28 In this book I try to describe as clearly and simply as possible the Christian journey from a life lived in worldliness and defeat to a life lived in and through the grace of God I use the Biblical story of Israel s journey from Egypt to Canaan in an allegorical sense to show how God through the activities and resources of the Holy Trinity tries to bring us to that place of living in grace and how the devil through the unholy trinity the world the flesh and demonic resistance seeks to thwart that journey I focus on three fronts in the battle between the two trinities On the first front the devil works indirectly through the world system Egypt to deny us our freedom that we have due to the atonement Living under the illusion of pleasure we end up in extreme bondage On the second front the devil works indirectly through our flesh Amalek to hinder us from following the leadership of the Holy Spirit as He attempts to guide us into God s grace On the third front we can expect to experience a more direct conflict with the devil and his spiritual forces Canaan These demonic forces will try to oppose and negate all the benefits of God s promised grace that comes into our lives through Christ XXXXX The Gospel of Christ

, Philo's Influence on Valentinian Tradition Risto Auvinen,2024-07-05 In this book Risto Auvinen reevalutes the relationship between the exegetical and philosophical traditions found in the works of Philo and those of the Valentinian gnostic tradition with a particular focus on the latter half of the second century Valentinianism s formative years Texts examined include fragments of Valentinus Heracleon and Ptolemy s Letter to Flora in addition to the Valentinian source included in the Excerpta ex Theodoto by Clement of Alexandria and related sections in Irenaeus s Adversus haereses Auvinen asserts that the number of parallels with Philo in the Valentinian sources increases the likelihood that there was a historical relationship between Philo s writings and Valentinian teachers These connections expand our knowledge not only of the preservation and circulation of Philo s texts in the latter part of the second century but also of the importance of the allegorical traditions of Hellenistic Judaism on Valentinus s school of thought and on Gnosticism more broadly **The Collected Works of Witness Lee, 1970, volume 3** Witness Lee, The Collected Works of Witness Lee 1970 volume 3 contains messages given by Brother Witness Lee from October 18 through December 1970 From the middle of October until the end of the year Brother Lee was in Hong Kong and Taiwan The contents of this volume are divided into eight sections as follows 1 Twenty four messages given in Hong Kong in October and November These messages were edited from audio recordings together with the notes taken by Brother K H Weigh and were previously published in Chinese as a book entitled The Church Life in Spirit and Truthfulness They are included in this volume under the same title 2 Eight messages given in Hong Kong on October 18 through November 14 They were compiled and edited from audio recordings together with the notes of Brother K H Weigh and are included in this volume under the title The Proper Attitude When Facing Turmoils 3 A message given in Hong Kong on an unknown date in 1970 In 1971 this message was published in Chinese with some added material by the Taiwan Gospel Book Room under the title Concerning the Person of Christ Later a booklet by the same title was published in English The English edition is included in this volume 4 A message given in Hong Kong on an unknown date

Ross, Moving beyond worship wars over style and denominational proclivities this book considers all the major biblical passages about worship Regardless of their denomination pastors worship leaders and laypeople interested in the biblical themes of worship will benefit from this definitive resource *Christian Charismatic Movements* Andrzej Siemieniewski, Mirosław Kiwka, 2021-10-11 The New Testament shows the early Church as having both stable institutions and dynamic growth in charismatic ministries In the twenty first century although many historically determined inessentials have changed the Church s structure remains fundamentally the same This study looks at New Testament ministries Eph 4 11 12 Baptism in the Holy Spirit and the history of the gift of tongues from the Acts of the Apostles through to the charismatics of our time to see how these elements contribute to the fast paced global phenomenon we call the pentecostalization of modern Christianity Our research shows that much of what appears to be novel in current ecclesial movements is the fruit of charisms that have been poured out from the beginning The disciples of Christ are still bringing out of his treasure what is new and old *Lesson Planner 3* Pippa Atkin, 2003 Flexi RE is a series of materials for use with all abilities at Key Stage 3 which combines colourful flexible pupil anthologies with comprehensive lesson plans The lesson planners provide structured easy to deliver and stimulating lessons as well as fully differentiated activities notes and guidance They are an excellent tool for both specialists and non specialists and have been written following extensive research amongst RE teachers *Spiritual Mathematics* John Dunne-Brady, 2014-02-13 This book opened an entirely new vista for organizing and using basic numbers It investigated standard linear numbers 1 2 3 4 5 and how they adversely affected our thinking and actions It carefully described a circular number system in which numbers were placed on concentric circles rather than on straight lines This new arrangement might very differently and beneficially affect our daily thought processes and activities The key discovery involved a series of ten mandalas circular patterns made from everyday numbers The book correlated these new breakthroughs with ancient spiritual patterns and practices found in the I Ching Yoga Kabala and in both Pagan and Christian mysteries These older teachings included the chakras tree of life tarot cards and sacraments Spiritual Mathematics gave a scientific explanation for many spiritual values and sacred phenomena It also emphasized the underlying spiritual realities encountered within modern scientific dogmas *Without Resurrection, There is no Christianity* Dr. Octavian Caius Obeada, At the heart of Christianity lies a pivotal claim the resurrection of Jesus Christ This singular event defines the faith and distinguishes it from all other religions philosophies and worldviews Without Resurrection There is no Christianity

Challenges and Divisions embarks on an exploratory journey to understand why two millennia later the resurrection remains a beacon of hope for millions a subject of intense scholarly debate and a cornerstone of theological discourse history and faith in profound ways WHERE IS THE PAPERBACK AVAILABLE <https://amzn.to/3XDDa4Y> **Colossians and Philemon MacArthur New Testament Commentary** John MacArthur,1992-11-10 From whatever angle one views the modern age Colossians and Philemon are up to date Their timeless truth speaks to the dilemmas facing the world today Colossians focuses on Jesus Christ presenting Him as the ultimate answer to any problem And Philemon highlights forgiveness illustrating the power and freedom of forgiving others Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical *The Impact of Bodily Experience on Paul's Resurrection Theology* Kai-Hsuan Chang,2021-09-23 Kai Hsuan Chang engages with the longstanding scholarly debate concerning the development of Paul's resurrection theology by investigating the correlation between his bodily experiences and his diverse articulations about resurrection Drawing on insights from cognitive linguistics Chang considers Paul's ideas about resurrection as fundamentally grounded in recurrent patterns of bodily experience arguing that such experience of some religious activities in Paul's time death rites spirit possession and baptism contributed to the formation and development of his resurrection theology Chang demonstrates that developments in Paul's ideas about bodily transformation at resurrection reflected in 1 Corinthians 15 resulted from a change in the experiential patterns on which his new idea is constructed rather than transformation during heavenly ascent as seen in Jewish traditions of resurrection He thus applies cognitive linguistic tools to two considerations first whether Paul had contextual reasons to generate his innovation in 1 Corinthians 15 and second whether Paul's innovation recurred or had continual effects in Christian groups In so doing Chang shows that Paul's innovation directly addressed a contextual issue of death rites in Corinth and exerted a continuing effect on Paul's later ideas of transformation spirit possession and baptism **The Subjective Truths in the Holy Scriptures** Witness Lee,2000-08-01 The Bible unveils many divine truths concerning our outward objective relationship with God such as God as our creator and Christ as our advocate before God Even more however it speaks of an inward subjective relationship with God It unveils Christ as our food our drink and our living breath and it reveals that Christ is not only in the heavens but also within us his many believers In *The Subjective Truths In The Holy Scriptures* Witness Lee presents an overview of many subjective truths concerning God who gave himself as food to be enjoyed by man concerning Christ who is our life concerning the spirit of reality who comes to the believers that they may enjoy God experientially concerning the church which is his organic Body and the manifestation of God in the flesh and concerning the Christian experience of God's divine life from regeneration to glorification **The Christianity Reader** Mary Gerhart,Fabian Udoh,2007-09 Christianity is the world's most populous religion with some two billion adherents As a world religion Christianity has flourished because it is capable of taking on new forms in new contexts To understand both the religion's history and its present state Mary Gerhart and Fabian Udoh gather original texts from

early Christian writings to contemporary documents on church related issues in *The Christianity Reader*. The most comprehensive anthology of Christian texts ever in English, this is a landmark sourcebook for the study of Christianity's historical diversity. With newly edited, annotated and translated primary texts along with supplemental analytical essays, the volume allows Christianity at long last to speak in its many voices. Focusing on Christianity as a religion, Gerhart and Udoh select texts that illuminate issues such as theology, mysticism and ritual, while also articulating the stories of previously marginalized groups as well as those in new and growing epicenters of the religion. With nearly three hundred selections, the texts encompass the entire history of Christian writings, excluding the New Testament, from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta. Eight thematic sections cover biblical traditions and interpretations, early influences, nascent forms, patterns of worship, structures of community, philosophy, theology and mysticism, twentieth century issues and challenges, and the contemporary relationship between Christianity and other world religions. The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context. Providing a far richer selection than ever before available in a single volume, *The Christianity Reader* will be welcomed as both a classroom resource and a work of reference for decades to come.
