Why Girls Can't

Throw Mitchell Symons,2021-01-07 For some time now I ve wanted to write a book which would answer the sort of questions that you don t even find asked elsewhere let alone answered Obviously in the interests of eclecticism I ve also included some of the more mundane workaday questions what you might call the curriculum for a book of this type but even here I have at least tried to bring a fresher less reverent approach to bear Still there s no disguising the fact that it s the more esoteric questions that really grabbed my interest and these are inevitably the ones to which I have devoted the most energy That s because I really do need to know why the word bastard is only ever used as a term of abuse to men whether it s dangerous to suppress a fart you can actually lose weight by eating celery whether it s possible to knock yourself out using just your own fist why men don t use electrolysis to remove their beards what would happen to aeroplane passengers if someone opened the emergency exit while it was in the air and why of course girls can t throw **The Book Publishing Annual** ,1984
