Standing Together in the Community of God Paul Janowiak, 2011 We are here on earth not to guard a museum but to cultivate a garden flourishing with life and promised to a glorious future John XXIII exhorted the Church at the dawn of the Second Vatican Council In an age when some skeptics suggest that the reformed liturgy has lost the wonder and spiritual depth of previous ages Standing Together in the Community of God affirms that we need not look back the Sacred Mysteries are already in our midst Their wellspring and summit is the heart of God shared in the Trinity s own communion announced now as pure Gift Praising God for God s saving acts in Jesus as Vatican II reminded us we encounter Christ s sacramental presence in four modes in the person of the priest who gathers the community into communion in the elements and actions of the sacraments in the word proclaimed and preached and in the assembly praying and singing SC 7 In rhythm and harmony these modes invite us to encounter the multivalent depth of the Mysteries that announce Christ in you the hope of glory Col 1 27 Together they proclaim the Risen One among us the totus Christus hope for a hungry world Allowing each mode its respect as a bearer of the sacred these focal words and actions in the liturgy echo a communion song that announces Christ s real presence to us and for us and with us Beginning deep within this is a spirituality and piety for the twenty first century ever ancient and ever new

For A Worldwide Eucharistic Revolution Liam O'

Comáin,2012-06-13 The only person who claimed to be God in the world wide history of our race and religion was Jesus the son of a Jewish maiden called Mary And while he was on this earth his statements and actions confirm the truth of his claim as recorded by those who witnessed Thus as predicted in the Jewish Old Testament Mary's son Jesus was the expected Messiah and the Christian New Testament confirms this truth A truth further endorsed by the history of the one and only Church which the promised Christ established prior to His crucifixion and death by our fellow humans under the influence of evil As Christians we have to acknowledge the truth of holy scripture in its totality and therefore the doctrine of the Eucharist as being God and God the Eucharist is the truth Thus the reason behind this publication is that upon observation of today's world that mankind requires a Eucharistic spiritual revolution
