Real Homeland Security Richard D. Land, 2004 A call for revival among American Christians as a means to reclaim the blessing of God Imagine! a God-blessed America Richard D. Land, 2005 A hope inspiring vision of America's future that includes stories of positive change and addresses the possibilities of what could happen on a broader scale *Does Jesus Really Love Me?* Jeff Chu, 2014-04-15 Fascinating thoughtful and important Jeff Chu captures the fractures and conflict at a moment when the issue of what to do with L G B T people is tearing Christian denominations apart Does Jesus Really Love Me deserves to be widely read Dan Savage New York Times Book Review In this timely work part memoir part investigative analysis a prize winning writer explores the explosive and confusing intersection of faith politics and sexuality in Christian America When Jeff Chu came out to his parents as a gay man his devout Christian mother cried And cried Every time she looked at him For months As a journalist and a believer Chu knew that he had to get to the heart of a question that had been haunting him for years Does Jesus really love me The quest to find an answer propels Chu on a remarkable cross country journey to discover the God forbidden to him because of his sexuality Surveying the breadth of the political and theological spectrum from the most conservative viewpoints to the most liberal he tries to distill what the diverse followers of Christ believe about homosexuality and to understand how these people who purportedly follow the same God and the same Scriptures have come to hold such a wide range of opinions Why does Pastor A believe that God hates me especially because of my gayness Why does Person B believe that God loves me gayness and all From Brooklyn to Nashville to California from Westboro Baptist Church and their god hates fags protest signs to the pioneering Episcopal bishop Mary Glasspool who proclaims a message of liberation and divine love Chu captures spiritual snapshots of Christian America at a remarkable moment when tensions between both sides in the culture wars have rarely been higher Both funny and heartbreaking perplexing and wise Does Jesus Really Love Me is an intellectual emotional and spiritual pilgrimage that reveals a portrait of a faith and a nation at odds **The Divided States of America** Richard Land, 2011-01-11 Land looks at the separation of church and state what it is what it isn't and why it matters for the future of religion in America *Grand Theft Jesus* Robert S. McElvaine, 2009 We're mad as Heaven and we're not going to take it anymore declares historian Robert McElvaine in this passionate and often hilarious rallying cry for sincere Jesus followers He lets us know that the extreme right wing won't be allowed to speak for all Christians any longer This polemic blends outrage and humor to expose the televangelists and the leaders of megachurches as the people Jesus warned us about The religion McElvaine calls Christianity Lite promises Be saved without sacrifice or good works Run by a crew of politicians megachurch preachers televangelists hypocrites and snake oil salesmen it has hijacked true Christianity and distorted it into something Jesus wouldn't recognize a religion that advocates war and intolerance values money above charity preaches hatred instead of brotherhood and promises true believers the keys to the gates of the kingdom of God and to the bank From publisher description *Nuclear War and*

Environmental Catastrophe Noam Chomsky, Laray Polk, 2013-04-30 There are two problems for our species survival nuclear war and environmental catastrophe says Noam Chomsky in this new book on the two existential threats of our time and their points of intersection since World War II While a nuclear strike would require action environmental catastrophe is partially defined by willful inaction in response to human induced climate change Denial of the facts is only half the equation Other contributing factors include extreme techniques for the extraction of remaining carbon deposits the elimination of agricultural land for bio fuel the construction of dams and the destruction of forests that are crucial for carbon sequestration On the subject of current nuclear tensions Chomsky revisits the long established option of a nuclear weapon free zone NWFZ in the Middle East a proposal set in motion through a joint Egyptian Iranian General Assembly resolution in 1974 Intended as a warning Nuclear War and Environmental Catastrophe is also a reminder that talking about the unspeakable can still be done with humor with wit and indomitable spirit *International Religious Freedom (2010): Annual Report to Congress* ,

Hixson, 2008-10-01 In this major reconceptualization of the history of U S foreign policy Walter Hixson engages with the entire sweep of that history from its Puritan beginnings to the twenty first century's war on terror He contends that a mythical national identity which includes the notion of American moral superiority and the duty to protect all of humanity has had remarkable continuity through the centuries repeatedly propelling America into war against an endless series of external enemies As this myth has supported violence violence in turn has supported the myth The Myth of American Diplomacy shows the deep connections between American foreign policy and the domestic culture from which it springs Hixson investigates the national narratives that help to explain ethnic cleansing of Indians nineteenth century imperial thrusts in Mexico and the Philippines the two World Wars the Cold War the Iraq War and today's war on terror He examines the discourses within America that have continuously inspired what he calls our pathologically violent foreign policy The presumption that as an exceptionally virtuous nation the United States possesses a special right to exert power only encourages violence Hixson concludes and he suggests some fruitful ways to redirect foreign policy toward a more just and peaceful world Weekly Compilation of Presidential Documents , 2001 *Congressional Record* United States.
