Real Mother:

Mothers Through the Eyes of Women Writers Judtih Shapiro, 2001-04-01 Fifty daughters from literary luminaries to award winning voices of the next generation take on a topic at once tender and challenging mothers They offer essays stories and poems that explore how perceptions of mothers have changed Contributors include Natalie Angier Zora Neale Hurston Erica Jong Edwidge Danticat Margaret Mead and Anna Quindlen

The Good Mother Susan Goodwin, Kate Huppatz, 2010 The Good Mother brings together essays on the contemporary relevance of the good mother in Australia Although the ideals of the good mother change with time fashion and context they persist in public policy the media popular culture and workplaces They place pressure on women to conform to particular standards against which they are judged and judge themselves This book captures the diversity of contemporary women s experiences Chapters address the experiences of executive mothers mothers working in manual trades yummy mummies and slummy mummies low income mothers single mothers Indigenous mothers lesbian parents adoptive mothers and mothers negotiating schools and school choice The essays demonstrate that while the good mother is no longer exclusively white heterosexual economically dependent and child focused prevailing ideas about mothers and motherhood continue to influence the way types of women are represented and the way that all mothers think act and present themselves

Lorenz and behavior psychologist B F Skinner The Collected Works of Grace Livingston Hill Grace Livingston Hill,2023-11-10 In The Collected Works of Grace Livingston Hill readers are offered an insightful exploration into the early 20th century American sentiment intertwining themes of faith love and moral dilemmas Hill s eloquent prose characterized by its engaging narratives and richly drawn characters reflects the social values and religious fervor of her time The collection encapsulates her hallmark style of blending romance and inspirational messages providing a vivid portrayal of her protagonists as they navigate the complexities of love while remaining steadfast in their convictions Grace Livingston Hill a pioneering figure in Christian romance literature carved a niche for herself by exploring the internal struggles of women facing societal and spiritual challenges Her own life experiences including personal trials and a deep rooted faith greatly informed her storytelling Writing during a time when women were seeking a voice in literature Hill s works not only entertained but also inspired countless readers to reflect on their own lives and moralities This collection is an essential read for enthusiasts of classic American literature and those interested in the evolution of Christian themes in fiction Hill s profound insights into human nature and her ability to convey hope and redemption resonate powerfully making this anthology a compelling journey for anyone longing for uplifting narratives *GRACE LIVINGSTON HILL - Ultimate Collection* Grace Livingston Hill,2023-11-10 Grace Livingston Hill Ultimate Collection compiles the heartfelt narratives and spiritual explorations characteristic of Hill s prolific writing Set against the backdrop of early 20th century America these stories intertwine themes of faith love and the moral dilemmas faced by individuals Hill s literary style is marked by its simplicity yet richness in emotional depth making her stories accessible while provoking profound reflection on the choices that shape one s life This collection reveals her ability to craft relatable characters who navigate the complexities of societal expectations and personal convictions making her work a significant contribution to the Christian fiction genre Grace Livingston Hill often hailed as the Queen of American Christian Fiction was born into a family deeply rooted in the Evangelical tradition which profoundly influenced her writing Her experiences as a missionary s daughter and her involvement in various religious communities provided her with a firsthand understanding of the challenges faced by women striving to maintain their faith in a rapidly changing world This background imbued her narratives with authenticity evidently reflecting her desire to inspire readers toward spiritual growth and resilience I highly recommend Grace Livingston Hill Ultimate Collection to readers seeking uplifting narratives that resonate with the trials of everyday life As timeless as they are inspiring Hill s stories invite readers to reflect on their own journeys of faith and morality making this collection a valuable addition to both personal libraries and academic studies in Christian literature **Feminist Approaches To Bioethics** Rosemarie Putnam Tong,2018-02-05 No other cluster of medical issues affects the genders as differently as those related to procreation contraception sterilization abortion artificial insemination in vitro fertilization surrogate motherhood and genetic screening Yet the moral diversity among feminists has led to political fragmentation foiling efforts to create

policies that are likely to serve the interests of the largest possible number of women In this remarkable book Rosemarie Tong offers an approach to feminist bioethics that serves as a catalyst bringing together varied perspectives on choice control and connection Emphasizing the complexity of feminist debates she guides feminists toward consensus in thought cooperation in action and a world that would have no room for domination and subordination Tong fairly and comprehensively presents the traditions of both feminist and nonfeminist ethics and bioethics Although feminist approaches to bioethics derive many insights from nonfeminist ethics and bioethics Tong shows that their primary source of inspiration is feminist ethics leading feminist bioethicists to ask the so called woman question in order to raise women s consciousness about the systems structures and relationships that oppress them Feminist bioethicists are naturally committed to acting locally in the worlds of medicine and science But their different feminist voices must also be raised at the policy table in order to make gender equity a present reality rather than a mere future possibility Inability to define a plan that guarantees liberation for all women must not prevent feminists from offering a plan that promises to improve the welfare of many women Otherwise a perspective less appealing to women may fill the gap

20 Things Adoptive Parents Need to Succeed

Sherrie Eldridge, 2009-10-27 Do I have what it takes to be a successful adoptive parent Does my child consider me a successful parent Will I ever hear my rebellious teen say I love you What tools do I need to succeed In her groundbreaking first book *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew* Sherrie Eldridge gave voice to the very real concerns of adopted children whose unique perspectives offered unprecedented insight In this all new companion volume Eldridge goes beyond those insights and shifts her focus to parents offering them much needed encouragement and hope Speaking from her own experience as an adoptee and an expert in the field of adoption Eldridge shares proven strategies and the moving narratives of nearly one hundred adoptive families helping parents gain a deeper understanding of what is normal both for their children and themselves By first strengthening yourself as a parent you ll be able to truly listen to your child and to connect with him on every level by opening the channels of communication and keeping them open forever Then you and your child can grow closer through the practical exercises at the end of every chapter Discover how to be confident that your role in your child s life is vital and irreplaceable pass on the legacy of healthy self care by assessing and regulating your stress communicate unconditional love to your child talk candidly with your child about her adoption and her birth family teach your family how to respond positively to insensitive remarks about adoption connect with other adoptive families and build a support network plus learn to become a warrior parent settle the real parent question cope with emotional triggers what to do when you lose it celebrate the miracle of your family and much more

play and media Using innovative pedagogy Child Development From Infancy to Adolescence An Active Learning Approach reveals a wide range of real world applications for research and theory creating an engaging learning experience that equips students with tools they can use long after the class ends **American Kinship** David M. Schneider, 2014-06-01 American Kinship is the first attempt to deal systematically with kinship as a system of symbols and meanings and not simply as a network of functionally interrelated familial roles Schneider argues that the study of a highly differentiated society such as our own may be more revealing of the nature of kinship than the study of anthropologically more familiar but less differentiated societies He goes to the heart of the ideology of relations among relatives in America by locating the underlying features of the definition of kinship nature vs law substance vs code One of the most significant features of American Kinship then is the explicit development of a theory of culture on which the analysis is based a theory that has since proved valuable in the analysis of other cultures For this Phoenix edition Schneider has written a substantial new chapter responding to his critics and recounting the changes in his thought since the book was first published in 1968
