La-Bas J.-K. Huysmans,2011-02-19 Huysmans novel though it is clearly rooted in the preoccupations of the late 19th century is remarkably prophetic about the concerns of our own recent fin de siecle With its allusions to amongst other things Satanic child abuse alternative medicine New Age philosophy and female sexuality the novel has clearly a lot to say to a contemporary audience As with most of Huysmans books the pleasure in reading is not necessarily from its overarching plot line but in set pieces such as the extraordinary sequences in which Gilles de Rais wanders through a wood that suddenly metamorphoses into a series of copulating organic forms the justly famous word painting of Matthias Grunewald s Crucifixion altar piece or the brutally erotic scenes crackling with sexual tension between Durtal and Madame Chantelouve If it is about anything La Bas is about Good and Evil This enlightening new translation will be especially useful to students of literature Not only does it contain an introduction that puts Huysmans in context for those who are new to his work it also includes extensive notes to unlock the mass of obscure words that litter the text and references to a vast array of scientists false messiahs and misfits whose ideas went into the concoction of this strangely fascinating book Beryl Bainbridge in The Spectator This novel is one of the key texts of the Decadent movement of the 1890s and writhes with satanists occultists incubi male demons succubi female demons and intellectuals Sophia Martelli in The Observer This Gothic shocker is not for the faint hearted Jerome Boyd Maunsell in The Times The classic tale of satanism and sexual obsession in nineteenth century Paris in an attractive new edition The novel s enervated anti hero Durtal is writing a book about Gilles de Rais child murderer and comrade in arms of Joan of Arc When he s not swotting up on alchemy visiting Rais ruined castle and fantasising about a mystery woman he is pondering Catholicism with his friends But his sexual adventures and historical studies mesh when he s invited to witness a black mass Strong meat for diseased imaginations Time Out *Astralabe* Brenda M. Cook,2023-09-30 Two of the most notable figures from the Middle Ages the volatile brilliant Abelard and the equally brilliant Heloise became the parents of their son Astralabe before Abelard s infamous brutal castration The couple spent the rest of their lives as monastics in each other s orbits if not in shared presence as they became movers in the glittering monastic world of the early twelfth century France What happened to their strangely named Astralabe Astralabe The Life and Times of the Son of Heloise and Abelard rescues the lost son from footnotes and fiction and attempts to tell instead the story of a real man living in Europe in the twelfth century This book assembles the references to Astralabe provides background in the history of France and Switzerland uncovers Abelard s relationships with his family with the ruling house of Brittany and more and most importantly draws together all that is known of Astralabe *Must-Read Halloween Books* H.
