A Woman's Bible Terance DeJuan Wilson, 2023-06-13 What better layer of designs is there than a dilettante in her youthful season one versed in the fine arts of theft It is the paradigm of her existence the moment that she falls in love and the redeeming hour in which she discovers why turning that so called initial encounter into something like a deep past But this is not a love story rather it is a fluid indictment of the conscience I live with a charmingly twisted romantic tale of love and of survival for seldomly the twain do harmonize It is the tale of two brothers natural rivals one born to the street and cruelly exposed and the other born to nobility and persecuted by fortune A wholesale dismantling of this hypocritical institution called religion it is the saga of those enduring moments in between that make time stand still Movements of divine interposition that are composed overtime These cerebral sensual intellectual and refined movements that make her existence exclusive Curatorial movements circumventing the broken past that she lives with The oaths avowed in the hypocritical midnight hour Promises more terrifying than the jealous night that knows her secrets Her constant fealties are perceived as a cruel and pervasive attack though they were once virtuous good and decent But she will only keep betraying him Can you sense it Do you feel it

diverted by the responsibilities of life placated by its possessions or simply disillusioned by its tragedies but we all have an internal dialogue that can be brutally honest with us when needed and then whether or not we listen to it can determine whether we adjust course and find what we are looking for or lose our way completely Sarah Chadwick is a single parent and an English teacher in a deprived inner city area Her pursuit of happiness has been shelved for so long by her heavy responsibilities at home and at work that it has ceased to seem important She has become a tick box robot Despite thinking she is an optimist she is worn out and old before her time burned out from caring for others Her internal dialogue is trying to gain her commitment to change before she goes under altogether Rick Masters movie star has all of the things most people on the planet are busy chasing He is isolated by them these things have cost him happiness which he doesn't really believe exists any longer he doesn't trust others who say it does exist His internal dialogue is driven by such pessimistic disenchantment that he has a growing drinking problem just to get some peace This is the story of what happens when these two lives cross unexpectedly and what results is only part farce It is also part tragedy because neither has any insight or understanding into the world of the other Three days will tell whether either of them have the courage to change abandon their pasts and embrace a new future *Post-Romantic Stress Disorder* John Bradshaw, 2014-11-11 John Bradshaw is arguably the most accomplished and well known leader alive today in the addictions field He taught us about functional and dysfunctional families showed us how shame could become toxic and poisonous to our core selves and helped us understand and heal the wounded vulnerable inner child conceived by and thriving in that environment In *Post Romantic Stress Disorder* PRSD Bradshaw gives readers a clear explanation of the difference between falling in love lust and true love Based on his research PRSD is a deeply serious psychological disorder and the cause of 40% of all divorces divorces that could have been prevented Every day people throw away perfectly good relationships because they just don't know how to navigate the tides but if they could learn and understand the concepts Bradshaw presents in this book the portrait of the family unit could have a whole new landscape Join this great teacher as he opens the gates to a new frontier tackling issues that threaten and endanger so many modern relationships Be encouraged as he leads the way to a deeper and more fulfilling spiritual union As he so eruditely observed some time ago As the health of the marriage goes so goes the health of the family Yet Bradshaw ladles out hope unlimited if parents could restore a deep authentic love for each other it could be passed on to their children and families would actually flourish Face to Face, And, Dolorosa Francisco López Acebal, 1906 **The Delineator** R.
