Real Men Raise Their Kids

Richard G Fenner

Real Men Raise Their Kids:

Real Men Raise Their Kids Matthew Koven, 2004-10 Have you ever wondered if you are the only sane person in your family? Fear not! Matt Koven's *Real Men Raise Their Kids* travels beyond typical childhood memoir accounts. This humorous collection of boyhood experiences will prove that your family is not the most dysfunctional. Journey from the West Indies to Europe running throughout America's heartland and back covering the entire Deep South in a non-stop account of a passionate and loving father's attempt to raise his family. In modern American society it still remains unusual for fathers to spend large amounts of time with their children; however, in the last decade, children and fathers have begun to spend valuable time with each other. *Real Men Raise Their Kids* humorously explores the results of the emerging trend of fathers taking time from their work to actively partake in the childrearing process. Exposing his family's most turbulent moments, Koven elucidates the benefits that result from fathers actively participating in his child's youth. **Real Men Keep Their Balls in the Truck** David Houston, 2019-11-21 This book is a lot like many other books on the topic of what constitutes a man. However, that is not the main focus of the book. More importantly, it is not what constitutes a man but who constitutes a man. All the self-help books on the subject, psychiatrists and their talk shows, and best friends' sage advice at closing time are all the same: insufficient at best, incorrect at worst. This book looks to the most authoritative source on who constitutes a man: the Bible. The world uses a sliding scale to define manhood, defining it in whatever terms is most comfortable at the time. The Bible's definition of a man has not and will not ever change because truth is not a piece of silly putty we get to mold into our view of what is. No. 1 Dad. This book takes specific passages from the Bible and relates them in a way we, as Christian men and those that desire to be Christian men, can understand and most importantly put into action so that the world may come to understand and believe what the word says. After all, real men are doers, not just hearers. **Raising Real Men** Hal Young, Melanie Young, 2010 Families with boys often find the world reacts to them in mock horror. Even though parents love their sons privately, they admit that boys can be a handful to raise; they are boisterous, competitive, reckless, distractable. The challenge of wills between parent and son starts early, and the quest to civilize young bulls may seem hopeless some days. Yet believers know that God has given them children as a gift of heaven, specially chosen for their particular families and marked as a blessing. If that's so, why does it seem so hard? How can we prepare these boys to serve God when it's all we can do to make it through another day? Isn't there a better way? *Raising Real Men: Surviving, Teaching, and Appreciating Boys* shows the answer is emphatically yes. Written by the parents of six boys, *Raising Real Men* provides hope and encouragement to families with sons. Starting from the premise that God made boys to become men, Hal and Melanie Young offer Biblical principles and tested practical ideas for training the manly virtues that can drive parents and teachers up the wall. This is a practical guide to equipping the hearts and minds of boys without breaking or losing your own earthy, realistic, humorous, and scriptural. Douglas Wilson, author *Future Men*. This is just what the doctor ordered for parents who want to raise capable Christian men.

of character John Rosemond author Parenting By The Book **Real Men: “What’s Happening to our Male?”** Greg Middleton,2009-09-18 This book looks at the many issues men are facing in this current society It also looks back into the patterns of the past that caused us to be where we are today There are several key factors listed in the book that explains why males appear to be off track in understanding and achieving their defined roles as men of today Boys are not being properly trained in order to become healthy and productive males in this new changed society Where females seem to be improving and flourishing males appear to be spiraling downward Men were born to become the natural leaders and to be the heads of the human family but with the new changes in the laws and customs of the land men are not quite sure about their current position as it relates to the new female positions The law is on the side of equality and equal access but that is not what men were accustomed to over all the previous years Males must adjust to this new female model and find their own sense of purpose and fulfillment *Raising Boys to Be Good Men* Aaron Gouveia,2020-06-16 If you are the parent of a boy this is the book you need insightful enlightened practical Peggy Orenstein New York Times bestselling author of Boys it s vital if we want a generation of men who can express their emotions respect women and help nurse society back to a halfway healthy place We can reframe manhood From Aaron Gouveia who gained viral fame after tweeting his support for his son s painted fingernails and who knows toxic masculinity very well learn practical and actionable tips such as Don t accept different standards for moms and dads Teach boys that girl is not an insult and retire phrases like boys will be boys Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor biting snark and lived advice *Raising Boys to Be Good Men* is the essential parenting guide for raising sons to realize their potential outside the box **"Raising Sexually Pure Kids"** Claire Greslé-Favier,2009 *Raising Sexually Pure Kids* Sexual Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency *Raising Sons and Loving It!* Gary Oliver,Carrie Oliver,2011-04-19 In these days of daunting headlines here s some really good news Your son was God s idea and you can help him weather the often rocky transition from boyhood to a manhood shaped by God s character and purposes Drawing from their extensive clinical and personal experience Gary and Carrie Oliver show you How boys really are different from girls Five keys to raising emotionally intelligent sons What your boys need from your marriage and from you How to help your sons cultivate a heart

for God How to cultivate your sons ability to deal with failure loss and grief And much more Battle-Ready Moms Raising Battle-Ready Kids Reba Bowman,2009-12 Mom you are in a war for the lives of your children The enemy is real and deceptive and his weapons are varied If your children are going to become the men and women that you want them to be you must take this battle seriously and prepare to fight Battle Ready Moms Raising Battle Ready Kids equips mothers with the weapons they need to fight for the spiritual survival of their children You ll learn Why your role as mom is critically important to the well being of your children How to encourage good choices through connection not rules alone How to build character and nurture individuality How to guide both girls and boys from infancy to young adulthood Using Bible based wisdom and experience based advice Reba Bowman challenges you to become the best mom you can be because the destiny of your children depends on it Reba Bowman is a speaker author and the founder of Dare for More Ministries After years as a coach professor and dean of women she now ministers to women of all ages challenging them to dare for more in their relationships and in their walk with God

Real Men for the 21st Century Alan E. Sargent,2012-10 Raising Real Men in today s world is a daunting task Every force in our culture today is arrayed against this process From the educational establishment to pop culture s music and communication arts to even the church a boy has little chance to see the modeling he needs to become the Real Men this generation must have to occupy the leadership roles that are so sadly vacant Real Men for the 21st Century is one father s attempt to say to other parents It can be done it s not too late What separates a man from a boy Manhood has standards A man constantly sets goals that are both practical and challenging These standards and goals motive us to rise to the challenge of leadership that lies before us At a time when parents are overwhelmed with financial and career anxiety Alan Sargent has used his many years of mentoring to create Real Men for the 21st Century More than just another how to book Real Men for the 21st Century deals with all the sleeves rolled up basic issues of Manhood By dealing with all the parts of manhood including The Spiritual Man The Social Man The Economic Man and The Practical Man Sargent lays out the basics that every young man must encounter and master on his way to adulthoo

Truth Be Told. . . Natoeight "The Rake" Dashwood,2010-12-29 Truth Be Told the book of brutal honesty for black women is a no holds bared tell it like it is brutally truthful explanation of the way that men think and how it contrast the way that women think This book specifically targets the African American race due to the fact that the author believes that many of the problems that plague the African American culture as far as single parent homes incarcerated males absent fathers single successful females the abundance of crime and lack of education etc is a direct result of the issues addressed in this book This book was written from and abstract and un politically correct point of view and requires an open mind

How to Be a Man Harold D. Edmunds,2013-07-16 How to Be a Man is a self help guide for men It speaks to men giving them advice on love divorce childrearing and dress and grooming It offers sound advice on many subjects such as dating and premarital sex This book will help men to improve their lives by giving them simple but very important suggestions that will improve the quality of

their lives Many men grew up without a father in their home This book is geared toward such men who may not have been taught the valuable life lessons that only a father can share The book addresses many subjects that affect men today Men have to get an education How can men succeed in school Many men are unemployed How can they find and keep a job What is the appropriate attire for a job interview So many people are getting into driving accidents How can a man avoid getting in to such accidents How to Be a Man also gives tips on cooking cleaning and the proper etiquette Is it okay to eat before your dinner guests How can you save money when you are on a tight budget How can you maintain good credit and repair damaged credit How can you earn the respect of others How can you assert yourself when disrespected How can you get a woman to notice you Is it okay to have sex on the first date What is the proper way to put on a condom How can you find the right woman What is the best way to handle a divorce How to Be a Man touches on many of these topics and more Read How to Be a Man so that you can be the best man that you can be **Men in Contemporary Russia** Rebecca Kay,2016-12-05

Rebecca Kay assesses how men in post Soviet Russia are represented through media and popular discourses Using case studies she explores the challenges which have arisen for men since 1991 and the ways in which their responses are shaped by and viewed through the prism of widely accepted attitudes towards gender The lives and concerns of men in provincial Russia are examined through ethnographic fieldwork combining extensive participant observation with in depth interviews The book reveals how individual men strive to maintain a sense of equilibrium between the activities in which they are engaged and the ways in which they are perceived both by others and by themselves The findings of the research have produced significant areas of contrast and comparison with the author s earlier work on women This is drawn out throughout the book placing the study of Russian men in a broader gendered context The issues raised by the men mirror concerns discussed in men s studies literature and popular discourse beyond Russia The book is therefore of interest to a wider international audience as well as contributing to ongoing interdisciplinary debates in Russian Studies Anthropology Sociology and Human Geography addressing the need for new approaches to understanding post Socialist change *Russian Women and their Organizations* R. Kay,2000-02-02

Grassroots Russian women s organizations faced multiple challenges in the early 1990s Like their members they were confronted with both potentially hostile attitudes and numerous practical difficulties Post Soviet ideologies of gender difference produced a gender climate which was particularly unsympathetic to female activism in support of other women This book presents a detailed study of grassroots Russian women s organizations in 1991 96 against the background of a careful analysis of gender relations and attitudes to women s place in post Soviet Russian society *Not Forsaken* Chris McNair,2021-03-16

Not Forsaken Growing up Black Male and Christian in the Hood encapsulates principles author Chris McNair gleaned from successfully working with at risk African American boys in the inner city in over thirty years of ministry This book teaches how youth workers can address social emotional physical and spiritual issues facing young black men in the city It is about building a relational ministry among black youth centered on

instilling a sense of identity in Christ and provides a study curriculum to use with the young men themselves In addition to in depth content from the Leader Guide the study sessions contains everything needed to begin to equip leaders and guide a group through the study including session plans activities and discussion questions In the thirty years I have known Rev Chris McNair he has always been hanging out with urban black males that no other youth serving organization or ministry seems able to connect with By building long term relationships with the most at risk city youth McNair engenders trust and creates possibilities for redemption Part narrative and part training guide Not Forsaken introduces you to his inspiring and instructive methodology for transformational ministry among urban black males and their families This is a must read for anyone who cares about the future of our cities Curtiss Paul DeYoung CEO Minnesota Council of Churches Chris McNair is a veteran youth worker urban pastor and advocate for the empowerment of the marginalized I consider myself part of the fruit of his labor Allow this book to equip you to serve as a vehicle of transformation among God s urban children and families Dr Efreem Smith Co Senior Pastor of Bayside Church Midtown and Co Owner of Influential LLC I have never read a book that so clearly explains the plight of the African American male but yet navigates a clear path to fulfillment in Christ The study guide really does hold your hand and takes you through thoughtful yet challenging issues the young African American males face today with a Scriptural foundation Bruce Morgan CEO Kids Across America **The Trouble with Joe** Emilie

Richards,Janice Kay Johnson,2014 A DREAM COME TRUE Samantha Giovanelli and her husband Joe had had a charmed romance They d gotten married quickly and moved to an idyllic small town They d bought a crumbling shack in the middle of nowhere and turned it into a home In the yard Joe had built a tree house for the half dozen kids he knew they d have Except that the tree house remained empty Their home echoed with silence And Joe started staying at work later and later So Sam decided it was time to find a new dream She might never hold her own baby but she could love a child who needed her desperately and she knew just the one But first she had to convince Joe that their dreams of parenthood could come true

My Thoughts on God , Mothers who Kill Their Children Cheryl L. Meyer,Michelle Oberman,Kelly White,2001 Based on an extensive review of the newspaper medical and social science literature the authors propose a comprehensive typology of maternal filicide answering the question Why What would drive a mother to kill her own child These mothers are not a homogenous group In obvious ways intervention strategies should differ for a teenager who denies her pregnancy and then kills her newborn and a mother who kills her two toddlers out of mental illness or to further a relationship This typology will help to distinguish the different cases that commonly occur and the patterns they follow in order to make more effective prevention and treatment planning possible **Men of Valor! Women of Virtue!** Richard G Fenner,2007-06 Today s world has a great need for a simple method to build character and integrity in daily life Men of Valor Women of Virtue is a fresh approach in understanding how to gain control of ones deepest values whether starting fresh or having to recover from the past It is a primer to all daily relationships and a road map to discover your true self as you were wonderfully created Take

the journey into Valor and Virtue then watch the world as you know it make a positive change before your eyes God loves every piece of you and has had a purpose in your life from the beginning of time He is not the architect of our shortcomings He is the creator of our healings In 1983 God ordered up Richard Fenner for ministry and he surrendered himself to a lifetime service to God He sought out the direct will of his sovereign Heavenly Father and through the next 24 years as an ordained minister went through the fires of faith to temper his steel in ministries to a lost world His purpose is to Love the Lord God with all his heart His mission is to seek out the lost and lead them to a saving knowledge of Jesus Christ His practice is in freedom of worship His method is contemporary in style and His message is fundamental in the Gospel of Gods redemptive and regenerative power through his Son Jesus Christ and his empowering by the gift of the Holy Ghost into an eternal relationship that sets all believers free and gives them eternal life in heaven Considering satan already defeated Bishop Richard Fenner marches forward to seek out the lost and set the captive free through Gods Divine Grace and Authority He is a pioneer and a pastor to the world

The Part-time Paradox Cynthia Fuchs Epstein, Carroll Seron, Bonnie Oglensky, Robert Sauté, 2014-04-04 Today s professionals especially women are caught in a time paradox can they build a career and a family at the same time The Part time Paradox explores the conflict and tension between the time demands of career and family life and the choice of part time work as a solution The changing demographics of the family and the work place make it increasingly difficult for both men and women to meet the escalating time pressures facing a doctor lawyer or manager This book examines the social problems associated with demanding work schedules and choices and also illustrates successful alternatives to full time employment It draws on interviews with attorneys in large law firms in house corporate counsels and government service in order to explore the multiple dimensions of the part time work solution Although attitudes are beginning to change one of the greatest impediments to part time work is the stigma attached to it in many organizations and the consequences for the careers of individuals who take it Professionals define themselves in part by their commitment to overtime The authors reveal how cultural perspectives of the true professional part time work and stereotypes about gender roles can influence both an individual s decision making process and office policy They show that in an environment where professionals perceive part time work as deviant it may require not just perserverance but also a trade off between time flexibility and professional status The authors consider issues ranging from job security and the consequences of new technology to the economics of part time work and the division of labor in the family The Part time Paradox provides a timely overview of a growing crisis as part time and flex time work arrangements increase
