Red White Blue And Uncle Who The Story Behind Some Of Americas Patriotic Symbols:

Red, White, Blue and Uncle Who? Teresa Bateman, 2003-03-01 The Stories Behind Some of America s Patriotic Symbols

Red, White, Blue, and Uncle Who? Teresa Bateman, 2001 This information packed potpourri of trivia and important facts does indeed give the stories behind 17 American patriotic symbols as diverse as Uncle Sam the Vietnam Veterans Memorial and the Great Seal The lively text moves along so merrily that readers will be surprised to discover how much material is included Each topic is given two to four pages including one or more sophisticated witty black and white line drawings For the most part the information is clear and complete The coverage of the Korean War Memorial is especially welcome as there is not much in print on it However explaining the Vietnam War and the Korean conflict in a few sentences proves somewhat difficult The text throughout the book is easy to read with uncomplicated sentences and short paragraphs and plenty of white space This appealing book will be welcomed by report writers and browsers and will be a great addition to units on American history

Symbols, Icons, and Traditions of the United States Terri Raymond, 2014-06-24 If your child is struggling with social science then this book is for you the short book covers the topic and also contains 10 discussion questions 10 activities and 20 quiz style questions This subject comes from the book *First Grade Social Science For Homeschool or Extra Practice* it more thoroughly covers more first grade topics to help your child get a better understanding of first grade social science If you purchased that book or plan to purchase that book do not purchase this as the activities are the same

Red, White, Blue and Uncle Who? Teresa Bateman, 2003-01-01 Have you ever wondered how the Liberty Bell got cracked Did you know the wild turkey almost became the national bird of the United States And who is Uncle Sam anyway Answer all these questions and many more as you explore the history behind seventeen well known monuments and symbols of the United States of America including the Great Seal the Pledge of Allegiance the Capitol Building and more Descriptions of each symbol include the history behind it the people involved in creating it and intriguing trivia Important dates are highlighted helping to create a timeline of when these patriotic symbols became accepted parts of our nation s history John O Brien s black and white cartoon illustrations on nearly every page add a touch of humor to the engaging text An index is included

Nonfiction Reading Comprehension: Social Studies, Grades 1-2 Ruth Foster, 2006-01-26 High interest nonfiction articles help students learn about science and social studies topics while developing skills in reading comprehension Each story is followed by questions that cover main idea details vocabulary and critical reasoning The format is similar to that of standardized tests so as students progress through the book s units they are preparing for success in testing

First Grade Social Science Terri Raymond, 2014-06-16 Over 50 discussion questions and activities and 50 quiz questions fill this comprehensive social science book The book covers the following topics Basic Economic Concepts Life and Culture Geography Native Americans Government and Symbols If you are homeschooling or if you are just trying to get extra practice for your child then you already know that social science workbooks and curriculum can be expensive Homeschool

Brew is trying to change that We have teamed with teachers and parents to create books for prices parents can afford We believe education shouldn't be expensive

Complete Homeschool Social Science Terri Raymond, 2015-03-05 This book is a collection of Home School Brews bestselling social science series It covers grades 1 to 6 Each book may also be purchased separately

Teaching Young Children Social Studies Gayle Mindes, 2006-09-30 By linking theory to practice with an emphasis on national and state standards Head Start Performance Standards No Child Left Behind and IDEA the authors coherently combine principles of child development and social studies content to create a solid program for preschool through grade three The authors maintain the overriding idea throughout the Teaching Young Children series that strategies derived from knowledge of child development are used to teach content knowledge It is this concern that makes this volume an excellent resource for teachers and parents In addition to specific discussions of how to build and conduct a social studies curriculum the work includes vignettes of teachers and children in the classroom graphics illustrating concepts and methods and matrices charts and tables to enhance understanding The authors effectively intertwine social learning in young children and development of self concept with the theme based curriculum of the National Council for Social Studies the principles of multicultural education parent collaboration to support learning and creating connections between classroom and community
