There is further evidence that something mysterious is going on up at the old house and the children believe it is haunted. The children set out to discover exactly what is going on up at the old house. On Halloween night they sneak off to go up to the old haunted house under the guise of trick or treating the occupants of the house if there are any. Much to the dismay of the children's parents the children have found a gold coin in the cave beneath the old mansion. The children's plot to trick or treat the house goes awry when a monstrous form appears at the house and an apparent ghost does appear during their Halloween night trip to the house.
