**Red Woman with Backward Eyes and Other Stories** MariJo Moore, 2001 *Sharing Our Stories of Survival* Sarah Deer, Bonnie Clairmont, Carrie A. Martell, Maureen L. White Eagle, 2007-10-15 A general introduction to the social and legal issues involved in acts of violence against Native women this book's contributors are lawyers social workers social scientists writers poets and victims In the U S Native women are more likely than women from any other group to suffer violence from rape and battery to more subtle forms of abuse and *Sharing Our Stories of Survival* explores the causes and consequences of such behavior The stories and case studies presented here are often painful and raw and the statistics are overwhelmingly grim but a countervailing theme also runs through this extremely informative volume Many of the women who appear in these pages are survivors often strengthened by their travails and the violence examined here is human violence meaning that it can be changed if only with much effort and education The first step is to lay out the truth for all to see and that is the purpose accomplished by this book **The People Who Stayed** Janet McAdams, Geary Hobson, Kathryn

Walkiewicz, 2012-10-09 The two hundred year old myth of the vanishing American Indian still holds some credence in the American Southeast the region from which tens of thousands of Indians were relocated after passage of the Indian Removal Act in 1830 Yet as the editors of this volume amply demonstrate a significant Indian population remained behind after those massive relocations The first anthology to focus on the literary work of Native Americans who trace their ancestry to people who stayed in southeastern states after 1830 this volume represents every state and every genre including short stories excerpts from novels poetry essays plays and even Web postings Although most works are contemporary the collection covers the entire post Removal era Some of the contributors are well known while others have only recently emerged as important literary voices All of the writers in *The People Who Stayed* affirm their Indian ancestry though many live outside the Southeast today As this anthology demonstrates indigenous Southeastern writing engages the local and the global the traditional and the modern While many speak to the prospects and perils of acculturation all the writers bear witness to the ways oblique or straightforward that they and their families continue to honor their Indian identities despite the legacy of removal In an introduction to the volume and in headnotes on each contributor the editors provide historical context and literary insight on the diversity of writing and lived experiences found in these pages All readers from students to scholars will gain newfound understanding of the literature and the human experience of Native people of the American Southeast
