Understanding the myths that women often believe about themselves and their capabilities is a crucial step in breaking free from the constraints these falsehoods impose These myths deeply rooted in societal expectations and cultural norms can infiltrate our minds and shape our reality They whisper insidiously convincing us that our worth is tied to our appearance our relationships or our ability to conform to a predefined mold To rewrite our narrative we must first recognize these myths for what they are mere illusions that can be shattered by the truth of our unique identities and strengths **Raise Her Up**
