**Michael D. Yapko**

## **Rediscovering American Values The Foundations Of Our Freedom For The 21st Century:**

**Rediscovering American Values** Dick DeVos, 1998-11 Considers the principles underlying the American concept of freedom by drawing on inspirational anecdotes taken from a cross section of the population Describes how people have bettered themselves both morally and in their careers by practicing such values as honesty compassion self discipline initiative hard work charity and forgiveness

**Why Conservatives Tell Stories and Liberals Don't** David M Ricci, 2015-12-03 Why do conservatives tell stories Because it helps them win elections and assail liberal policies like health care reform and economic stimulus Why is important but the what and the how behind the stories that conservatives tell are equally interesting and in this new book David Ricci reveals all He shows how conservative activists and candidates tell many tales that come together to project a large scale story a cultural narrative a vision of what America is and what it should do to prosper socially economically and politically Liberals by contrast tend to look for theories rather than stories for mathematical explanations rather than theological axioms for data rather than anecdotes and for statistics rather than homilies The difference is paradoxical Liberals are unlikely to fashion sweeping narratives that capture the public's attention and commitment Yet conservatives may tell attractive stories like the ones that got us into Iraq that momentarily capture voter support but end up costing the country more than it can afford

**The Theory of Christian Psychology** Eva Klostreich, 2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches who only need God when they discovered I was a psychologist and criticized by others who only need psychology Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her first book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research

**How to Educate All for Excellence** Dr. Malick Kouyate, 2013-06-05 Inspiring and uplifting Educating All for Excellence is a new and a better way of understanding education as the following A socializing process An awakening process A liberating process Do you truly want all the adolescents and young adults in your community and schools to learn more actively more meaningfully and more mindfully If yes is your answer to this question then Educating All for Excellence is for you Educating All for Excellence is especially designed to help adolescents and young
