Rediscovering Gay History

John Boswell

Rediscovering Gay History

Robert Aldrich, Garry Wotherspoon

Rediscovering Gay History:

Rediscovering Gay History John Boswell, Rediscovering Gay History J. Boswell, 1985 **The Boswell Thesis** Mathew Kuefler, 2006-03 Few books have had the social cultural and scholarly impact of John Boswell's *Christianity, Social Tolerance, and Homosexuality*. Arguing that neither the Bible nor the Christian tradition was nearly as hostile to homoeroticism as was generally thought, its initial publication sent shock waves through university classrooms, gay communities, and religious congregations. Twenty-five years later, the aftershocks still reverberate. *The Boswell Thesis* brings together fifteen leading scholars at the intersection of religious and sexuality studies to comment on this book's immense impact, the endless debates it generated, and the many contributions it has made to our culture. The essays in this magnificent volume examine a variety of aspects of Boswell's interpretation of events in the development of sexuality from Classical Antiquity through the Middle Ages, including a Roman emperor's love letters, to another man's suspicions of sodomy among medieval monks, knights, and crusaders, and the gender-bending visions of Christian saints and mystics. Also included are discussions of Boswell's career, including his influence among gay and lesbian Christians, and his role in academic debates between essentialists and social constructionists. Elegant and thought-provoking, this collection provides a fitting twenty-fifth anniversary tribute to the incalculable influence of *Christianity, Social Tolerance, and Homosexuality* and its author.

Origins of Sexuality and Homosexuality John Dececco, PhD, Michael Shively, 2014-04-04 This well-documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history, moral philosophy, biology, and social psychology. Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories.

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987, this book encompasses a broad range of interdisciplinary research into homosexuality, displaying a full spectrum of points of view. And given that the major traditions of modern homosexual research began in Europe, it is not restricted to works in English. In general, topics that are densely covered in the literature are presented in this guide selectively, with some less-studied topics such as Economics and Music fleshed out with signposts to more comprehensive research. It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods. This book will be of interest to students of sociology.

The Construction of Homosexuality David F. Greenberg, 2008-10-29 At various times, homosexuality has been considered the noblest of loves, a horrible sin, a psychological condition, or grounds for torture and execution. David F. Greenberg's careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant. The book takes us over vast terrains of example and detail in the history of homosexuality. Nicholas B. Dirks, *New York Times Book Review*. Bisexual and Homosexual Identities John P. De Cecco, Michael G. Shively, 1984 This well-documented book highlights some of the theories of bisexual and homosexual

identities and their conceptual bases in cultural history moral philosophy biology and social psychology Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories

Brother-Making in Late Antiquity and Byzantium Claudia Rapp,2016-02-01 Among medieval Christian societies Byzantium is unique in preserving an ecclesiastical ritual of adelphopoiesis which pronounces two men not related by birth as brothers for life It has its origin as a spiritual blessing in the monastic world of late antiquity and it becomes a popular social networking strategy among lay people from the ninth century onwards even finding application in recent times Located at the intersection of religion and society brother making exemplifies how social practice can become ritualized and subsequently subjected to attempts of ecclesiastical and legal control Controversially adelphopoiesis was at the center of a modern debate about the existence of same sex unions in medieval Europe This book the first ever comprehensive history of this unique feature of Byzantine life argues persuasively that the ecclesiastical ritual to bless a relationship between two men bears no resemblance to marriage Wide ranging in its use of sources from a complete census of the manuscripts containing the ritual of adelphopoiesis to the literature and archaeology of early monasticism and from the works of hagiographers historiographers and legal experts in Byzantium to comparative material in the Latin West and the Slavic world Brother Making in Late Antiquity and Byzantium examines the fascinating religious and social features of the ritual shedding light on little known aspects of Byzantine society

Homosexuality Bibliography William Parker,1985 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com

Medieval Sexuality Joyce E. Salisbury,2019-01-17 Originally published in 1990 Well annotated bibliographical entries cover works on history religion medicine philosophy law and literature in western Europe from about the third century A D through the end of the medieval period The primary sources are organised thematically and separately from secondary sources Languages covered include English Spanish Portuguese French German Italian and Latin The focus is on sexuality and sexual attitudes not on the related topics of marriage and family Detailed indexes are also included

Sexuality, Iconography, and Fiction in French Jason James Hartford,2018-02-19 This book explores the modern cultural history of the queer martyr in France and Belgium By analyzing how popular writers in French responded to Catholic doctrine and the tradition of St Sebastian in art Queering the Martyr shows how religious and secular symbols overlapped to produce not one but two martyr types These are the queer type typified first by Gustave Flaubert which is a philosophical foil and the gay type popularized by Jean Genet but created by the Belgian Georges Eekhoud which is a political and pornographic device Grounded in feminist queer theory and working from a post psychoanalytical point of view the argument explores the potential and limits of these two figures noting especially the persistence of misogyny in religious culture

Human Sexuality and the Nuptial Mystery Roy R. Jeal,2010-03-08 This collection of essays was originally presented at the St Margaret s Consultation on Doctrine Liturgy and Preaching held at St Margaret s Anglican Church in

Winnipeg Canada in 2008 They consider human sexuality and marriage from a distinctly theological rather than polemical standpoint aiming to avoid frequently polarized debates The interesting commonality indicated in the articles is that sex and marriage are not about self fulfillment but are outwardly directed aimed toward the other person toward growth maturity and deepened spirituality for the benefit of the church for productive good and for children The first section explores theological and ethical issues surrounding human sexuality and aims toward understanding the nature of relationships in these contexts The second section explores the spiritual nature of marriage and the history of thinking on marriage and family within Christian theology For those interested in pursuing truly theological engagement with marriage and sexuality this collection is required reading

Female Homosexuality in the Middle East Samar Habib, 2012-08-06 This book the first full length study of its kind dares to probe the biggest taboo in contemporary Arab culture with scholarly intent and integrity female homosexuality Habib argues that female homosexuality has a long history in Arabic literature and scholarship beginning in the ninth century and she traces the destruction of Medieval discourses on female homosexuality and the replacement of these with a new religious orthodoxy that is no longer permissive of a variety of sexual behaviours Habib also engages with recent gay historiography in the West and challenges institutionalized constructionist notions of sexuality

Same-Sex Marriage David E. Newton, 2016-09-26 Same sex marriage continues to be a polarizing subject in the United States and other parts of the world This new edition of Same Sex Marriage A Reference Handbook brings readers up to date on the status of same sex unions from social legal political and historical perspectives According to Pew Research poll data in 2001 the majority of Americans opposed same sex marriage 57 percent against 35 percent in support As of 2015 a majority of Americans 55 percent supported same sex marriage with 39 percent expressing opposition The landmark Obergefell v Hodges case in which the U S Supreme Court held in a 5 4 decision that the fundamental right to marry is guaranteed to same sex couples is likely further influencing opinions among U S citizens Still controversy and heated debate continues to ensue on the social legal and political implications of same sex marriage The second edition of Same Sex Marriage A Reference Handbook presents thorough coverage of recent changes in the legal status of same sex marriage in the United States as well as essays that provide historical perspectives on same sex marriage an extensive up to date bibliography a collection of primary source documents a glossary and a chronology that will serve readers studying the topic New material includes a detailed discussion of the 2015 Supreme Court of the United States decision as well as coverage of issues that have arisen as a result of the Obergefell case such as the debate over religious freedom and LGBT civil rights legislation

the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time **Who's Who in**

Contemporary Gay and Lesbian History Vol.2 Robert Aldrich, Garry Wotherspoon, 2005-07-25 Who's Who in Contemporary Gay and Lesbian History From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k d lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time **Byzantine Intersectionality**

Roland Betancourt, 2020-10-06 A fascinating history of marginalized identities in the medieval world While the term intersectionality was coined in 1989 the existence of marginalized identities extends back over millennia Byzantine Intersectionality reveals the fascinating little examined conversations in medieval thought and visual culture around sexual and reproductive consent bullying and slut shaming homosocial and homoerotic relationships trans and nonbinary gender identities and the depiction of racialized minorities Roland Betancourt explores these issues in the context of the Byzantine Empire using sources from late antiquity and early Christianity up to the early modern period Highlighting nuanced and strikingly modern approaches by medieval writers philosophers theologians and doctors Betancourt offers a new history of gender sexuality and race Betancourt weaves together art literature and an impressive array of texts to investigate depictions of sexual consent in images of the Virgin Mary tactics of sexual shaming in the story of Empress Theodora narratives of transgender monks portrayals of same gender desire in images of the Doubting Thomas and stereotypes of gender and ethnicity in representations of the Ethiopian Eunuch He also gathers evidence from medical manuals detailing everything from surgical practices for late terminations of pregnancy to save a mother's life to a host of procedures used to affirm a person's gender Showing how understandings of gender sexuality and race have long been enmeshed Byzantine Intersectionality offers a groundbreaking look at the culture of the medieval world Hollywood or History? Paul J.

Yoder, Aaron P. Johnson, 2022-05-01 Traumagenic events episodes that have caused or are likely to cause trauma color the experiences of K 12 students and the social studies curriculum they encounter in U S schools At the same time that the global COVID 19 pandemic has heightened educators awareness of collective trauma the racial reckoning of 2020 has drawn important attention to historical and transgenerational trauma At a time when social studies educators can simply no longer ignore difficult knowledge instruction that acknowledges trauma in social studies classrooms is essential Through employing relational pedagogies and foregrounding voices that are too often silenced the lessons in Hollywood or History An Inquiry Based Strategy for Using Film to Acknowledge Trauma in Social Studies engage students in examining the role of traumatic

or traumagenic events in social studies curriculum The 20 Hollywood or History lessons are organized by themes such as political trauma and war and genocide Each lesson presents film clips instructional strategies and primary and secondary sources targeted to the identified K 12 grade levels As a collection they provide ready to teach resources that are perfect for teachers who are committed to acknowledging trauma in their social studies instruction [AIDS: Individual, Cultural And Policy Dimensions](#) Peter Aggleton, Peter Davies, Graham Hart, 2013-11-26 Contains many of the papers given at the 3rd conference on Social Aspects of AIDS which took place at South Bank Polytechnic in February 1989 The conference s themes emphasized the individual cultural and policy dimensions of HIV disease **The Reign of Leo VI (886-912)** Tougher, 2021-09-20 The focus of this book is the Byzantine emperor Leo VI 886 912 and his reign He has been characterised as a careless and ineffectual emperor but this work presents a more considered account of Leo and the politics of his age Initial chapters on sources and the broader historical context are provided before particular aspects of Leo s life and reign are presented in eight chapters arranged so as to give a rough chronological framework Subjects discussed include relations with family and officials imperial ideology and ecclesiastical and military affairs By drawing on a broad spectrum of primary evidence the book illustrates that Leo forged a distinctive imperial style as a literate city based non campaigning emperor and argues that he was actively concerned about the problems that faced his empire

Rediscovering Gay History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rediscovering Gay History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rediscovering Gay History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries,

ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rediscovering Gay History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rediscovering Gay History Books

1. Where can I buy Rediscovering Gay History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rediscovering Gay History book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rediscovering Gay History books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rediscovering Gay History audiobooks, and where can I find them? Audiobooks: Audio recordings of books,

perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rediscovering Gay History books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
