Rediscovering Jesus in Our Places Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and

scholars engaging in practical systematic biblical and contextual theologies in all their branches Rediscovering Jesus Dr. Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world Rediscovering Jesus Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world **Ruining Christmas--Rediscovering Jesus** Carl N. Jesus Rediscovered Sherwood Wirt, **Jewish Jesus Research and its Challenge to Christology** Today Walter Homolka, 2016-10-05. Historical Jesus research, Jewish or Christian, is marked by the search for origins and authenticity. The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity. The result was a move back to the Jewish roots. For Jewish scholars, it was a means to position Jewry within a dominantly Christian culture. As a consequence, Jews now feel more at ease to relate to Jesus as a Jew. For Walter Homolka, the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions, including that of Christianity. Another Christ Andrew D. Mayes, 2024-08-30. This is a riveting book with bite, an exploration with edginess. Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times. Recent research into the first-century setting of the gospel and the author's years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling, while Francis of Assisi reveals how this can be creatively lived out. We have a choice. If we keep before our eyes images of Christ that are comforting, soothing, familiar, traditional, then our Christian life may turn out to be prosaic, pedestrian, and predictable, a preservative to maintain the status quo. But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic, risky, outrageous, brave, passionate, radical, then we open ourselves to new possibilities, we embark on a liberating adventure, an odyssey of the soul, a pilgrimage, a voyage into untested waters. What will we choose? Do we dare to take the unpredictable path? And which route will respond most courageously to the needs of today's wounded world? **Following Jesus** Blake Ferriss, 2019-05-15. Jesus spoke to the people once more and said, "I am the light of the world. If you follow me, you won't have to walk in darkness, because you will have the light that leads to life." John 8:12 NLT. Following Jesus: An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God. With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit, the book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience. With these relational categories act as a basis for understanding how our choices affect our lives and our futures, both now and in life and eternally, and how it is that God loves us and will give our lives the meaning and purpose that we all long for.

Community of Missionary Disciples Bevans, Stephen B., 2024-04-17. Ecclesiology from a mission perspective. The Christian Life: The Centrality of Jesus Christ and His Teachings Daniel Payne, 2025-03-04. In an era where distractions are plenty, we find ourselves in an existential crisis with the influx of culture wars infiltrating the Church. It seems that the

essence of Christianity the teachings of Jesus is being lost amidst the chaos So let s take a pause and journey back to the heart of Christianity Let s rediscover Jesus and his timeless wisdom making Him the foundation of our faith once more Our everyday life is increasingly shaped by the norms and standards of the current culture Ethical relativism and the allure of instant solutions have permeated all corners of society including the Church Consequently these cultural elements have begun to overshadow the core tenets of our faith stirring up a tumultuous storm of culture wars within the Church Often these battles distract us from what should be our true focal point the fundamental teachings of Jesus Christ
