Larson, 2019-08-29 Given the variety and richness of the sixteenth and seventeenth century English songscape it might seem unsurprising to suggest that early modern song needs to be considered as sung When a reader encounters a song in a sonnet sequence a romance and even a masque or a play however the tendency is to engage with it as poem rather than as musical performance Opening up the notion of song from a performance based perspective The Matter of Song in Early Modern England considers the implications of reading song not simply as lyric text but as an embodied and gendered musical practice Animating the traces of song preserved in physiological and philosophical commentaries singing handbooks poetic treatises and literary texts ranging from Mary Sidney Herbert's

Psalmes to John Milton's *Comus* the book confronts song's ephemerality its lexical and sonic capriciousness and its airy substance These features can resist critical analysis but were vital to song's affective workings in the early modern period The volume foregrounds the need to attend much more closely to the embodied and musical dimensions of literary production and circulation in sixteenth and seventeenth century England It also makes an important and timely contribution to our understanding of women's engagement with song as writers and as performers A companion recording of fourteen songs featuring Larson soprano and Lucas Harris lute brings the project's innovative methodology and central case studies to life

Goethe, Musical Poet, Musical Catalyst Lorraine Byrne, 2004 Proceedings of international conference at NUI Maynooth on Goethe's contribution to music Goethe was interested in and acutely aware of the place of music in human experience generally and of its particular role in modern culture Moreover his own literary work especially the poetry and *Faust* inspired some of the major composers of the European tradition to produce some of their finest works Martin Swales

Subject Music Studies Goethe **The Cambridge Companion to Women Composers** Matthew Head, Susan Wollenberg, 2024-05-30 Exploring a diverse distinguished repertoire and transcending the rhetoric of neglect this book transforms understanding of women composers

Early Music History Iain Fenlon, 2009-03-19 Early Music History is devoted to the study of music from the early Middle Ages to the end of the seventeenth century It demands the highest standards of scholarship from its contributors all of whom are leading academics in their fields It gives preference to studies pursuing interdisciplinary approaches and to those developing novel methodological ideas The scope is exceptionally broad and includes manuscript studies textual criticism iconography studies of the relationship between words and music and the relationship between music and society Articles in volume fifteen include Costanzo Festa's *Gradus ad Parnassum* Scenes from the life of Silvia Galiarti Manni a seventeenth century virtuosa Galeazzo Maria Sforza and musical patronage in Milan Compere Weerbeke and Josquin

Music, Gender, Education Lucy Green, 1997-03-28 This book focuses on the role of education in relation to music and gender Invoking a concept of musical patriarchy and a theory of the social construction musical meanings Lucy Green shows how women's musical practices and gendered musical meanings have been reproduced hand in hand through history Covering a wide range of music including classical jazz and popular styles Dr Green uses ethnographic methods to convey the everyday interactions and experiences of girls boys and their teachers She views the contemporary school music classroom as a microcosm of the wider society and reveals the participation of music education in the continued production and reproduction of gendered musical practices and meanings
