**Redeeming a Prison Society** Amy Levad,2014-01-01 The U S criminal justice system is in a state of crisis from unprecedented rates of imprisonment and recidivism to the privatization of the prison system and the disproportionate representation of particular racial ethnic social and economic groups all of which is within a larger social justice context Catholics and Protestants have

largely failed to offer vital theological responses Amy Levad offers a Catholic perspective that directly addresses the concrete issues from a strongly interdisciplinary approach and utilizes the rich liturgical and sacramental resources of penance and Eucharist to offer a theological vision of reform **Multiple Marginality and Gangs** James Diego Vigil,2020-08-20

**Multiple Marginality and Gangs Through a Prism** Darkly unravels the youth gang problem in a multidimensional approach that encompasses the place status social control subcultural and identity facets of urban street gangs The power of place and the status of persons and groups are the major forces that generate the many situations and conditions that give rise to gangs In its simplest trajectory Multiple Marginality can be modeled as follows place status to street socialization to street subculture to street identity It is the actions and reactions among them that we fathom As we witness detrimental or absent family influence we also observe weaker underfunded schools that limit educators reach At the same time there has been an increase in the militarization of law enforcement to deal with the youth street populations the heaviest hand is that of the police There is a causal relationship between social marginalization factors and gang membership A psychological analysis also entails how street socialization leads to a street identity In a place and status group the cascading effects of marginalization have certainly affected and mostly thwarted social control institutions **Strategies for Reducing Gun**

**Violence** George E. Tita,National Crime Prevention Centre (Canada),2007 *The Handbook of Gangs* Scott H.

Decker,David C. Pyrooz,2015-07-21 Pulling together the most salient current issues in the field today *The Handbook of Gangs* provides a significant assessment by leading scholars of key topics related to gangs gang members and responses to gangs Chapters cover a wide array of the most prominent issues in the field of gangs written by scholars who have been leaders in developing new ways of thinking about the topics Delivers cutting edge reviews of the current state of research and practice and addresses where the field has been where it is today and where it should go in the future Includes extensive coverage of the individual theories of delinquency and provides special emphasis on policy and prevention program implications in the study of gangs Offers a broad understanding of how other countries deal with gangs and their response to gangs including Great Britain Latin America Australia and Europe Chapters covering the legacies of four pioneers in gang research Malcolm W Klein Walter B Miller James F Short Jr and Irving A Spergel **Community Policing and Peacekeeping** Peter

Grabosky,2009-06-25 In modern industrial societies the demand for policing services frequently exceeds the current and foreseeable availability of public policing resources Conversely developing nations often suffer from an inability to provide a basic level of security for their citizens **Community Policing and Peacekeeping** offers a fresh overview of the challenge

**Violent Offenders: Theory, Research, Policy, and Practice** Matt DeLisi,Peter Conis,2011-07-20 Although the public interest in criminal predators is extensive the criminology of criminal predators is fragmented **Violent Offenders Theory Research Policy and Practice** Second Edition aims to demystify the many different types of violent offenders we hear about in the media This newly revised and updated Second Edition is a compilation of original scholarship from an international

collection of applied and academic criminologists Based not only on history and academic research but also on the experiences of author Peter Conis as a 25 year veteran of law enforcement it provides students with a realistic view of why people commit violent crimes and how our criminal justice system as a whole responds to these offenders and these violent acts It contains cutting edge material on the broad category of criminal predators including homicide offenders sex offenders financial predators and conventional street criminals Unlike other texts on the subject that narrowly focus on one type of criminal e g serial killers this updated Second Edition illustrates the systemic importance of predation in antisocial behavior This book is divided into two parts part one covers the theoretical and disciplinary foundations of the study of violent behavior spanning the disciplines of sociology psychology biology and neuroscience Part two covers the policy and practice of responding to violent offenders from the insightful perspectives of people who work among them on a daily basis New and Key Features of the Second Edition Contains 10 NEW chapters 5 in theory and research and 5 in policy and practice These additions provide greater overall coverage of sociological theory evolutionary psychology theory and female offenders The section on policy and practice is organized to be consistent with the criminal justice system from law enforcement through the courts to corrections Hands on research and practitioner expertise illustrate today s study of criminal predation Provides clear explanations of how criminological theory relates to the formation of a criminal offender to help students understand the reasons behind a person s violent actions
