Indian Doctoral Dissertations in English Studies K. Naseem, 2000 Indian Research In English Studies Has A Long And Rich Tradition But Unfortunately It Has Failed To Make Any Notable Impact On The Academic World This Is Largely Due To The Fact That Most Of The Indian Doctoral Dissertations In English Studies Lie Buried In University Libraries And Are Inaccessible To Aspiring Researchers No Attempt Has Been Made So Far To Establish Any Link Or Co Ordination Between Research Activities Of Different Universities Institutes This Has Resulted In A Total Neglect Of Earlier Research And Unnecessary Duplication The Present Volume Is Designed To End This Unhappy Situation By Providing A Complete And Authentic Account Of Research Carried Out In Indian Universities Not Only In British American Commonwealth And Indian English Literature But Also In Comparative Studies Translation Studies Language Linguistics And Elt Entries On The Above Mentioned Are Arranged Subject Wise In Chronological Sequence And Are Followed By A Separate Section On Individual Authors In Alphabetical Order Thus It Provides A Consolidated View Of Indian Research In English And Serves As An Invaluable Reference Manual It Is A Step Towards Orientation And Systematisation Of Indian Research In English Studies And Will Help To Make Research A Well Informed Well Planned And Meaningful Exercise

Literary Research and Postcolonial Literatures in English H. Faye Christenberry, Angela Courtney, Liorah Golomb, Melissa S. Van Vuuren, 2012-08-08 Postcolonial literatures can be defined as the body of creative work written by authors whose lands were formerly subjugated to colonial rule In previous volumes of this series the research literature of former British colonies Australia Canada Ireland and New Zealand have been addressed This volume offers guidance for those researching the postcolonial literature of the former British colonies in Africa the Caribbean and South Asia Among the forty nations represented in this volume are South Africa India Pakistan Ghana Jamaica Swaziland Belize and Namibia With the exception of South Africa which formed the Union of South Africa in 1910 this guide picks up its coverage in 1947 when both India and Pakistan gained their independence The literature created by writers from these nations represents the diverse experiences in the postcolonial condition and are the subject of this book The volume provides

best practice suggestions for the research process and discusses how to take advantage of primary text resources in a variety of formats both digital and paper based bibliographies indexes research guides archives special collections and microforms

Literary Research and the Victorian and Edwardian Ages, 1830-1910 Melissa S. Van Vuuren, 2010-11-19 The diverse literatures of Victorian and Edwardian Britain have provided a wealth of research materials for novice and expert researchers alike Although the body of scholarship for the Edwardian Age is smaller than that of the Victorian researchers should have no shortage of resources for learning more about the literatures of either time period While many of the novels plays poetry and prose from the Victorian and Edwardian Ages are still readily available in print a vast amount of literature has long since fallen out of print Recent efforts in digitization the Victorian Women Writers Project English Literary Periodicals 1681 1914 Early British Periodicals 1681 1921 19th Century British Library Newspapers 19th Century U K Periodicals Times Digital Archives Victorian Popular Culture and even Google Books have helped to make many texts more widely accessible Literary Research and the Victorian and Edwardian Ages 1830 1910 discusses traditional and new resources for researching this period of British literature and the ways in which those resources can be used in conjunction with one another By helping readers navigate the resources and issues particular to these literatures this book will serve as an essential guide to researching the literatures of the Victorian and Edwardian Ages

Literary Research and Irish Literature Greg J. Matthews, 2008-12-04 Literary Research and Irish Literature Strategies union library catalogs print and online bibliographies manuscripts and archives microfilm and digitization projects scholarly journals periodicals newspapers and reviews and electronic and Web resources To ease comparison and evaluation of references each chapter addresses how to choose and utilize research methods and tools to yield the most relevant information This guide also examines the strengths and weaknesses of core and specialized electronic and print research tools and standard search techniques and when appropriate covers the historical and cultural contexts and usability issues of unique reference sources This volume number 5 in the series raises trenchant issues in Irish literary scholarship such as the problem of defining what Irish literature is gaps in criticism and secondary literature devoted to Irish literature neglected areas of scholarly inquiry including Irish literature by women and lesser known writers and the rewards of interdisciplinary research It concludes with a brief consideration of a scenario illustrating how a scholar might use strategies and sources covered in the text to solve a research problem

Doctoral Research in English Studies in India Ravindra Baburao Tasildar, 2025-07-05 Aspirant researchers are generally in search of a less researched topic on which to base their doctoral degree The constraints in identifying a suitable topic for doctoral study are generally ignored The lack of training in reference skills and the absence of reference sources results in piles of theses on the same or similar topics Hence this book which also includes a separate bibliography of PhD theses aims to help the aspirant researchers to find out a proper topic for their research degrees and review the related literature It will guide them to refer to the theses either available on Shodhganga a reservoir of Indian

theses or in the academic libraries in Higher Education Institutions The book is also recommended for PhD coursework in Indian universities

Literary Research and the Era of American Nationalism and Romanticism Angela Courtney,2007-12-07 The early years of American nationhood beginning at the close of colonial rule and ending with the onset of the Civil War saw both a young country and its literature grow in confidence and develop an awareness of self identity Pride in the new nation was a primary characteristic of much literary output in the early years of the country whether in the form of fiction poetry drama essay travel writing or journal As the country grew and generations began to be born on the new land Romanticism took hold lauding not only the construct of the nation but also the natural power and potential of the country This era of American literary expression has left behind a rich legacy of traditionally canonized authors as well as material published in the growing periodical press that was of immediate importance to the population at the time

Literary Research and the Era of American Nationalism and Romanticism Strategies and Sources examines the resources that deal with the literature produced in the approximately 70 years of antebellum American literature Covering all formats the volume discusses bibliographies indexes research guides archives special collections microform and digital primary text resources and how they are best utilized for a literary research project Suggestions are offered for best practices for research while exploring a wide selection of resources that run the gamut from classic standards of American literary bibliography through contemporary open access digital resources

Literary Research and British Postmodernism Bridgit McCafferty,Arianne Hartsell-Gundy,2015-09-02 Literary Research and British Postmodernism is a guide for scholars that aims to connect the complex relationships between print and multimedia technological advancements and the influence of critical theory that converge in postwar British literature This era is unique in that strict boundaries between fiction nonfiction multimedia and print are not useful Postmodern literature is defined by

the breaking down of boundaries as a reaction to modernism and requires an innovative multifaceted approach to research In this guide the authors explore these complex relationships and offer strategies for researching this new period of literature This book takes a holistic approach to postmodern literature that recognizes the way in which digital media film critical theory popular music and more traditional print sources are inextricably linked Through this approach the authors present a broad view of postmodernism that includes a wide variety of British authors writing in the last half of the twentieth century The book s definition of postmodern includes any British literature following World War II that engages issues central to postmodern theory including the social construction of gender sexuality and power the subjectivity of truth technology as a social force intertextuality metafiction post colonial narrative and fantasy This guide aims to aid researchers of postwar British literature by defining best practices for scholars conducting research in a period so broadly varied in the way it defines literature

Teaching Literary Research Kathleen A. Johnson, Steven Robert Harris, 2009 [Literary Research and the British Eighteenth Century](#) Peggy Keeran, Jennifer Bowers, 2013-02-21 The 18th century in Britain was a transition period for literature Patronage either by a benefactor or through subscription lingered even as the publishing and bookselling industries developed The practice of reviewing books became well established during the second half of the century with the first periodical founded in 1749 For the literary scholar these gradual changes mean that different search strategies are required to conduct research into primary and secondary source material across the era *Literary Research and the British Eighteenth Century* addresses these unique challenges It examines how the following all contribute to the richness of literary research for this era book and periodical publishing a growing literate society dissemination of literature through salons private societies and coffee houses the growing importance of book reviews the explosion of publishing and the burgeoning of primary source material available through new publishing and digital initiatives in the 21st century This volume explores primary and secondary resources including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives 18th century books newspapers and periodicals contemporary reception and electronic texts and journals as well as Web resources Each chapter addresses the research methods and tools best used to extract relevant information and compares and evaluates sources making this book an invaluable guide to any literary scholar and student of the British eighteenth century
