Reflections Of A Mystic Grandmother:

Howard Thurman's Philosophical Mysticism Anthony Sean Neal,2019-01-02 African American Philosophy and African American Philosophers have played a central role in understanding and also shaping what it means to be black in America Some of their conclusions were reactions to the mistreatment they received from the majority population but other of their conclusions were extensions and or novel positions taken with a view through past perceptual lenses Yet with the mass exodus of black students from HBCU s after the civil rights era many of the important figures and their inquiries have been little or poorly studied The significance of this work is found in its attempt to grapple with one such seminal figure his memory of his ancestors and the education he received from Morehouse College in the Atlanta University Center all of which formed the roots of the ideas he later produced Howard Thurman former Dean of Marsh Chapel at Boston University and mentor to figures such as Martin Luther King Jr left quite a large ideological footprint however just as others of his milieu his ideas have been largely overlooked Thurman s deep rooted knowledge of black culture particularly black religious ideas as they existed during the period of African enslavement in the United States and as they were exhibited in the Negro Spirituals shaped his thinking and allowed him to produce a body of work grounded in the musings and traditions of his ancestors This volume investigates forms an analysis and even critiques Thurman s work such that others can benefit from the profundity of his thoughts while also taking note of their relevance for today s philosophers concerned with humanity

Dancing in My Dreams Ralph H. Craig,2023-11-07 If you don t know Tina Turner s spirituality you don t know Tina When Tina Turner reclaimed her throne as the Queen of Rock n Roll in the 1980s she attributed her comeback to one thing the wisdom and power she found in Buddhism Her spiritual transformation is often overshadowed by the rags to riches arc of her life story But in this groundbreaking biography Ralph H Craig III traces Tina s journey from the Black Baptist church to Buddhism and situates her at the vanguard of large scale movements in religion and

pop culture Paying special attention to the diverse metaphysical beliefs that shaped her spiritual life Craig untangles Tina's Soka Gakkai Buddhist foundation her incorporation of New Age ideas popularized in 60s counterculture and her upbringing in a Black Baptist congregation alongside the influences of her grandmothers disciplinary and mystical sensibilities Through critical engagement with Tina's personal life and public brand Craig sheds light on how popular culture has been used as a vehicle for authentic religious teaching Scholars and fans alike will find *Dancing in My Dreams* as enlightening as the iconic singer herself Foreword Reviews INDIES Book of the Year Award in Biography Finalist 2023
