Embrace The Spirit Kamlesh Acharya,2024-11-07 Welcome to the world where the lark doesn t sing because the sun is rising but the sun rises to hear the lark sing Imagine a world where you can drink the fragrance and taste the wind Let s meet life at a traffic junction and witness the sun that always rises and dance to the tune divine Let s stay a while in a place where dreaded loneliness turns into tranquil solitude Ever wondered where constant denial of who you are can take you Let s meet the poet who seeks deeper answers and yet falters time and again who confesses that at times he acts like a jerk and his poems become a beacon for him to find his way back Let s explore the life of a rose that wants to become a coconut Is love a quid pro quo If your love were a balloon what would your lover be Ever wondered what would happen if the mind ended The answer might surprise you Curious about what separates an enlightened master from the normal folks Embrace the Spirit is a collection of evocative and introspective poetry that delves into the essence of human existence the interplay of emotions and the profound connections we share with the universe Through lyrical verses and vivid imagery this anthology invites readers to explore themes of love self discovery spirituality and the natural world The poems reflect a journey of
