Woldegiorgis, Cheryl Qiumei Yu, 2024-04-26 If you are involved in academia policy making or are simply curious about the complex features of internationalisation in the Global South this work is your roadmap to deeper more critical reflections on the internationalisation of higher education **Rethinking Reflection and Ethics for Teachers** R. Scott Webster, John D.

Whelen, 2019-08-29 This book reexamines reflection and ethics for teachers and argues the case for ensuring teaching practices are educational and professional rather than simply technical or clinical. Demonstrating that theory is indispensable when it comes to professional deliberation and educational practice, the authors draw on their experience to provide insights for teachers that will enable them to become better professional educators. This collection of research chapters written by established researchers and educators in the field who are familiar with a variety of teaching contexts and are conversant with the current teaching standards and policies relating to teaching and teacher education is a valuable resource for practicing teachers, researchers, policy makers, as well as for final year student teachers in Initial Teacher Education programs. Further, it enables early career teachers to meet their professional responsibilities in a more critically informed and capable manner.
