The 7 Minute Spiritual Manager Jay Stephens, 2005-10. The biblical principles found in *The 7 Minute Spiritual Manager* simplify spiritual management and increase spiritual reactions and reaction time when incorporated with the basic concepts of management. The book serves as a resource and an assessment tool. The seven minute spiritual manager establishes a spiritually intuitive action plan for goals and objectives which lead to purpose and decrees to the soul that as a result of spiritual practice, obedience, God will initiate and support thoughts and actions which will produce optimum outcomes in spite of obstacles and difficult situations. The spiritual manager strives for spiritual consistency and avoidance of flesh-laden distractions to close the time gap between events, thought for resolution, and spiritual reaction. The Bible as the foundation of a spiritual action plan serves as a resource for supporting and assessing progress towards godly purpose. The spiritual manager, unable to remove completely the burden of sin from worldly surroundings, empowers the soul to contradict the appeal of sin, wrong choices to our weakest points. He or she invalidates and lessens sinful opportunities while maximizing spiritual production. The spiritual manager's ultimate goal then evolves from one of satisfying a temporary need to attaining ongoing spiritual enlightenment and fulfillment.

This Life, This World: New Essays on Marilynne Robinson's Housekeeping, Gilead, and Home, 2015-09-29. This book explores the author's award-winning novels while also engaging her non-fiction. As the first book devoted entirely to Robinson and to her diverse contributions to literature and scholarship, *This Life, This World* familiarizes readers with the major currents in her thought and moves scholarly dialogue into new theoretical directions. An interdisciplinary group of contributors bring to their subject a diversity of perspectives: Romanticism, ecocriticism, medicine and literature, religion and literature, theology, American Studies, critical race theory, and feminist and gender studies that reflects the amplitude and fecundity of Robinson's art and thought. The book begins with an annotated timeline and concludes with a substantive written interview with Robinson wherein she reflects on her work and its reception. A tremendous resource for Robinson enthusiasts and for readers interested in the questions she raises in her fiction and non-fiction.
