Reflections On Christians Song:

Reflections on Issues in Music and Worship Michael G. Coleman, 2019-03-19 Lest you think that Dr Coleman has quit preachin and gone to meddlin in this sensitive topic of music and especially church appropriate music please give this book a chance Coleman draws from many sources both Seventh day Adventist and non Adventist to explain just how the type of music we use in church worship services affects our worship experience and our Christian experience When addressing the current trend of Contemporary Christian Music CCM he assures the reader that he is not against all CCM but cautions against using a song just because it may be popular or may draw a certain crowd into the church He shows how merely the use of contemporary music may attract people to attend church but it doesn t necessarily lead to a true conversion or the intentional discipling of those people Dr Coleman states The seeker sensitive model involved a de emphasis of traditional methods of evangelism and discipleship such as doctrinal preaching calling for repentance from sin and committing oneself to give Bible studies rather it focused on innovation and meeting the wants of people often dubbed felt needs The seeker sensitive model also caused people to view Christianity as something cool and made them feel comfortable in dressing down to attend church worship service sometimes in jeans and a t shirt However it resulted in producing spiritually weak Christians who were pastor dependent and not committed to making disciples for Christ Music ministry leaders and anyone who enjoys music in church will learn to be a little more discriminating in the choice of music after gaining the insights provided in this book

Challenging Reflections on the Christian Life J.L. Reflections from Jackie's World Jacqueline K. Boog, 2021-04-07 I didn t realize I had any talent for writing until I began posting my little stories on Facebook Friends began to suggest they belonged in a book to be used as a devotional And so here it is my second book As you read you will meet my family my church and my friends and will grow to love them as I do You will also see how they inspire me daily to write God has given me a special ability to pull from the ordinary and watch Him make it extraordinary He shows me how to take the little things and use them to challenge us all to live a life more pleasing to Him He has also given me a unique sense of humor and if you add that to the mix you get what my husband refers to as Jackie isms My hope is that my musings will encourage you make you smile or even laugh out loud and remind you that you are a beloved child of the most high King Enjoy a story one day at a time or read through several as you relax for the evening However you decide just enjoy the ride through Jackie s World

Called to Worship Vernon Whaley, 2013-04-08 What is worship Biblically speaking worship might mean a lot of things a celebration of God and his glory a display of reverence and awe an act of humility or prostration before our Creator But what does this look like today And do churches of today of any tradition or denomination really worship in a way that's biblical Called to Worship is a deep dive into what worship means in the Bible Vernon Whaley Dean of the school of music at Liberty University investigates each individual book of Scripture to uncover the tapestry of instruction and insight into God's idea of worship With this book you'll learn How to see through the comfort zones of the modern church's worship rituals and routines The biblical principles of worship and why understanding these principles is essential in our discipleship and important to our creator How the life of Christ serves as a living guide to worship throughout the entire Bible and the history of Christianity The Bible describes a rich history of Yahweh worship offered first by the hosts of heaven in eternity past and then by mankind from Creation to present day This book is a call to understand and participate in that richness
