Reflective Teaching and Learning in Further Education Keith Appleyard, Nancy Appleyard, 2025-02-28

This book looks at critical reflection as a key skill for all teachers in further education FE and an important part of the new Professional Standards. In particular the text explores the key themes of self awareness planning managing behaviour and CPD in relation to reflective practice to demonstrate how it can support those areas of teaching that most often cause concern. The limitations and benefits of reflection are analysed and action research is identified as an important facet in developing professional reflective practice which can in turn enhance both the personal and professional life of FE teachers.
