Administrative Reform in Post-Mao China Stephen K. Ma, 1996 This book analyzes China's bureaucratic behavior since the inauguration of administrative reform in the late 1970s Although bureaucratic behavior in China in the past decade was increasingly corrupted this aspect of China's post Mao reform has not been subjected to a rigorous scrutiny This book explores the gulf between desired and the actual bureaucratic behavior among China's public administrators The author argues that this behavioral gap in China's modernization stems from several factors including the nation's cultural heritage the ruling party's approach to government and the absence of trusted full fledged academic groups assigned to advise on administrative reform The book then probes one of the gravest consequences of the behavioral gap reform corruption a phenomenon which seems to be a mixed blessing of modernization

Law Reform in Developing and Transitional States Timothy Lindsey, 2007 Law reform in developing countries has become an increasingly topical subject in recent years A critical issue is why so many law reform projects in developing economies are regarded by their sponsors and recipients as unsuccessful This informative book examines examples of law reform projects in post socialist and post authoritarian states in Asia identifies common problems proposes analytical frameworks for understanding the problems identified Though parallels between Asian models and those in developing states elsewhere in the world are strong the book has been developed to avoid suggestion that the issues covered are somehow peculiarly Asian indeed it is shown that cultural relativist approaches to Asia are unsustainable This is an invaluable reference for those involved in the areas of development economics Asian studies and comparative politics
