summer schools and language laboratories A feature which will be especially helpful for those in remote areas is the listing of publications books newspapers and periodicals music and songs records films and radio and television programmes which provide instruction in French The reader will quickly see that the available means are much more varied than he realizes and it is in providing this concise convenient enumeration of them that Professor Graham performs a great service Any adult who is reasonably proficient in French but wishes to improve will find this a practical and useful guide to ways of making a personal contribution to bilingualism in Canada This study has been prepared under the sponsorship of the Canadian Association for Adult Education
