LORD thy God in the midst of thee is mighty he will save he will rejoice over thee with joy he will rest in his love he will joy over thee with singing Zephaniah 3 17 KJV GO Evangelism is a new paradigm that challenges all to immediately answer the evangelical call and provides the confidence to embark on the Great Commission This book shows the anxious heart of our Heavenly Father who laments humanity's lack of faith but also desires all believers to proselytize and plant the seeds of the gospel GO is a simple yet powerful command with profound implications For too many souls the gate of Hell is blocked only by the obedient sacrificial and God glorifying work of evangelists Therefore GO removes all the stumbling blocks of traditional proselytizing methods and harkens to the Lord's request so all believers can immediately testify the gospel Many GO Evangelists experience the power of the Holy Spirit directly and embrace their transformation into amazing people of God Spencer wants to share the abundant blessings of a prosperous Christian life with all the believers living in America GO Evangelism has been obedient to the Lord entirely relying on the power of the Holy Spirit These powerful Seeds of the Gospel are available at GO Ministry sites [www GospelTracts org](http://www.GospelTracts.org) [www BibleTracts org](http://www.BibleTracts.org) Obeying God's command to GO and Plant means embarking on the road with the conviction to sow the powerful seeds of the gospel within hearts as we firmly believe in God's almighty sovereignty and power of salvation Now Spirit filled GO Evangelists full of holy zeal joy and enthusiasm are springing up like wildfire all over the United States God is now saving countless lost souls through their faithful dedication and fervent love for the Lord

Words of Pierre Goursat Martine Catta, 2014-01-17 Pierre Goursat is the founder of the Emmanuel Community He was a man of prayer and his teachings and the advice he gave were words of fire His Words reveal his strong character and also the way in which he introduced people to a Christian life of evangelization lived out in the real world It is the kind of book one needs to read slowly and to re read Zion's Herald, 1909 **Family** Walter Justice, 2012-05-17 **Anglican Evangelists** Martyn Snow, 2019-06-03 For twenty years the Archbishops College of Evangelists has affirmed and supported Anglican evangelists This book marking the College's twentieth anniversary relaunches the College with a clear focus on identifying and training new evangelists This book then marks a significant transition The thirteen authors work in a range of contexts and come from different traditions within the church Their focus in this book is less on the nature of evangelism and more on the calling and gifting of the evangelist In different ways they reflect on the questions what is an evangelist How should the church identify and affirm evangelists How do we train evangelists How do we enable evangelists to equip all God's people to witness to the kingdom of God The thirteen contributors are all practitioners and this is reflected in their range of experience and writing styles Some take a deeply biblical and theological approach Others reflect on their personal journey and learning Others offer practical insights and a helpful reframing of the initial questions All of them are fervent in their plea to the church to recognise the unique calling and gifting of the evangelist and reflect on how this gift is received and passed on within the church Why Can't We Talk? John Backman, 2012-10-01 Learn How to Contribute More Effectively and Compassionately to the Conversations that Shape Your Life Anything could happen when we start to talk Nothing will happen if we don't That alone makes the way of dialogue a journey worth taking from the Epilogue Think of an issue that makes your blood boil Now imagine lunch with a friend who is just as passionate about it on the other side How can the two of you even broach the issue let alone hear each other with curiosity and compassion The answer begins long before the lunch does by learning to engage dialogue as a habit of the heart an inner transformation that the ancient practices of Christian spirituality can address This highly readable and timely guide to restoring dialogue shows you how to

cultivate this transformation while preparing you to approach your adversaries with curiosity civility and compassion With dialogue expert John Backman leading the way you will Examine the obstacles that keep you from dialogue black and white thinking a distraction lifestyle the fear of change and negative impressions from others Explore the strength of character from which healthy dialogue springs and the work of the soul that cultivates them Learn practical guidelines for dialogue and how they work in an imperfect world Encounter anecdotes of dialogue in action from resolutions of interpersonal conflict to difficult dialogues on some of the most divisive issues of our age Use provocative questions at the end of each chapter to stimulate group discussion and individual reflection Surprised by Faith Joy McBride,Daryl McCarthy,Bob

VanderVennen,2009-03-26 Surprised by Faith celebrates the 75th anniversary of C S Lewis kicking and screaming his way into Christianity his 1931 conversion Lewis described himself as the most dejected and reluctant convert in all England But a convert nonetheless surprised by joy This volume was inspired by Lewis s autobiographical account of the life events which led to his coming to faith an event that had a profound effect on his work and his relationships In Surprised by Faith Lewis s conversion is explored as both a rational quest for truth and a romantic quest for meaning This collection of essays commemorates Lewis s conversion but also celebrates examines and discusses what conversion means to us as scholars academicians and most importantly as human beings It s a kind of conversation about conversion The conversation s participants are individuals from a variety of backgrounds who themselves have been converted in the classic Christian sense Surprised by Faith hopefully will challenge the reader to think more deeply biblically and theologically about the transformation that takes place in each life that embraces Christ and moves from unbelief to belief The essays look at the influence of conversion on perspectives as they relate to various disciplines such as anthropology poetry psychology education philosophy and culture The Harvest Of The Wise Ishmael P Ngosi,2025-08-01 The Harvest of the Wise is a call

to action for every believer ready to move beyond words and step into the true work of the Gospel Rooted in the three pillars of the Christian life Faith Hope and Love This book reveals how these foundational truths empower us to reach the lost meet human needs and live a life that pleases God In a world hungry for truth this guide equips you with wisdom to labor effectively in the harvest field by showing love in action living with eternal hope and walking by faith It s not just about knowing the message it s about becoming the message Whether you re a new believer a ministry worker or a leader seeking to ignite your team The Harvest of the Wise will reawaken your passion for souls and train you to become a wise laborer in God s end time move *Becoming a Contagious Christian* Bill Hybels,Mark Mittelberg,2008-09-09 Evangelism doesn t have to be frustrating or intimidating Bill Hybels and Mark Mittelberg believe that effectively communicating our faith in Christ should be the most natural thing in the world We just need encouragement and direction In Becoming a Contagious Christian Hybels and Mittelberg articulate the central principles that have helped the believers at Willow Creek Community Church become a church known around the world for its outstanding outreach to unchurched people Based on the words of Jesus
