a unique gift to those who love profound thoughts and ideas Highly quotable lines you can use or take inspiration for your own writing There is an art of seeing things as they are without naming without being caught in a network of words without thinking interfering with perception Jiddu Krishnamurti How do you listen Do you listen with your projections through your projection through your ambitions desire fears anxieties through hearing only what you want to hear only what will be satisfactory what will gratify what will give comfort what will for the moment alleviate your suffering If you listen through the screen of your desires then you obviously listen to your own voice Jiddu Krishnamurti Nirvana Susunaga

Weeraperuma,2003 NIRVANA THE HIGHEST HAPPINESS is the fruit of a lifetime of meditation and contemplation of Buddhist questions Written in a lucid style this book covers all the major aspects of Buddhism such as karma meditation the illusion of I the belief in a Creator God the personality of the Buddha Ambapali Angulimala sincere friendship the power of paritta chanting our debt of gratitude to our parents and Nirvana Did the Buddha condone or condemn meat eating There is abundant evidence that the Buddha when he was a man of advanced years denounced the practice of meat eating That is the message for posterity from the Mahaparinirvana Sutra and the Lankavatara Sutra a Mahayana text Vegetarianism springs from the purified inner states of loving kindness Metta and compassion Karuna Weeraperuma has beautifully restated in his own words the 41 verses of the Khaggavisanasutta wherein the Buddha stressed the importance of leading a solitary life One must be alone like the horn of a rhinoceros Freed from all attachments the highest happiness of Nirvana is attainable right here and now in this very life itself **The Collected Works of J. Krishnamurti** Jiddu Krishnamurti,J. Krishnamurti,1991

In this volume Krishnamurti takes great care to elucidate this necessity of a revolution within our consciousness where the problem lies before we expect any kind of revolutionary change outside of ourselves Krishnamurti posits that if the politicians and scientists wanted to end starvation in the world it could be done It could be done but they are not going to do it as long as their thinking is based on nationalism on motives of their own personal profit And even if this far reaching outward change were brought about it seems to me that the problem is much deeper The problem is not merely starvation war the brutality of man to man it is the crisis in our own consciousness Fundamentally the problem lies within p 295 Great Sayings and Quotations ,

Crenshaw,2013-08-31 In this substantive yet accessible volume Crenshaw brings to life the Bible's strangest sage A superb introduction for students and scholars alike William P Brown William Marcellus McPheeters Professor of Old Testament at Columbia Theological Seminary Rarely does a biblical book evoke admiration from a Nobel laureate in literature a newspaper columnist a prize winning poet and a popular songwriter Ecclesiastes has done that and for good reason Its author who called himself Qoheleth stared death in the face and judged all human endeavors to be futile For Qoheleth observation is the only avenue to understanding an arbitrarily wrathful and benevolent deity created and rules over the world and death is unpredictable absolute and final His message is simple seize the moment for death awaits James L Crenshaw begins by examining the essential mysteries of the

book of Ecclesiastes the speaker's identity his emphasis on hidden or contradictory truths and his argument of the insubstantiality of most things and the ultimate futility of all efforts Moving from the ancient to the contemporary Crenshaw again analyzes Qoheleth's observations about the human condition this time testing if they can stand up against rational inquiry today In exploring Qoheleth's identity the foundations of his outlook and his recommendations Crenshaw engages modern readers in a conversation about one of the most disagreed upon biblical books In Qoheleth Crenshaw draws on related literature from the ancient Near East and traces the impact of Qoheleth in both Christian and Jewish traditions summarizing a lifetime of scholarship on the book of Ecclesiastes While exploring Ecclesiastes and its enigmatic author Crenshaw engages scholars and modern interpreters in genuine debate over the lasting relevance of Qoheleth's teachings and the place of Ecclesiastes in the biblical canon

Kant on Intuition Stephen R. Palmquist, 2018-11-08 Kant on Intuition Western and Asian Perspectives on Transcendental Idealism consists of 20 chapters many of which feature engagements between Kant and various Asian philosophers Key themes include the nature of human intuition not only as theoretical pure sensible and possibly intellectual but also as relevant to Kant's practical philosophy aesthetics the sublime and even mysticism the status of Kant's idealism realism and Kant's notion of an object Roughly half of the chapters take a stance on the recent conceptualism non conceptualism debate The chapters are organized into four parts each with five chapters Part I explores themes relating primarily to the early sections of Kant's first Critique three chapters focus mainly on Kant's theory of the forms of intuition and or formal intuition especially as illustrated by geometry while two examine the broader role of intuition in transcendental idealism Part II continues to examine themes from the Aesthetic but shifts the main focus to the Transcendental Analytic where the key question challenging interpreters is to determine whether intuition via sensibility is ever capable of operating independently from conception via understanding each contributor offers a defense of either the conceptualist or the non conceptualist readings of Kant's text Part III includes three chapters that explore the relevance of intuition to Kant's theory of the sublime followed by two that examine challenges that Asian philosophers have raised against Kant's theory of intuition particularly as it relates to our experience of the supersensible Finally Part IV concludes the book with five chapters that explore a range of resonances between Kant and various Asian philosophers and philosophical ideas

Educating for Peace Lokanath Mishra, 2013-05-20 We know that peace education helps individuals transform conflict in their own lives understand and respect other cultures and ways of living and treasure the Earth Teachers of peace education encourage their students to cooperate with each other think critically solve problems constructively take part in responsible decision making communicate clearly and share their feelings and commitment openly These skills and values are essential for survival in an increasingly interdependent world where violence has become an instrument of policy Peace education seeks to enable learners to envision a range of possibilities that could lead from a culture of war and violence to a culture of peace One widely used method to encourage such envisioning is posing an inquiry into the characteristics of peace Efforts

are being made to educate students and teachers about non violence and human rights via peace education programs This book lays a foundation for students teachers and peace educators to explore the elements necessary to create a peaceful society Educating for Peace will help to build a peaceful just and sustainable world for our children Educating for Peace consists of seventeen chapters Chapter one deals with the pro motion of education for a peaceful society chapter two details how to emphasise the importance of peace to children Chapter three of this book sketches out peace education in a non formal way while chapter four deals with education for peace and non violence The following chapter clearly defines the conceptualization of peace education Chapter six defines what exactly a culture of peace entails while chapter seven deals with a research study on non violence Chapters eight and nine address pressing concerns in peace education and creating a violence free school respectively Chapters ten and eleven deal with the role of value education for world peace Chapter twelve deals with pedagogical approaches and chapter thirteen defines human rights education The remaining chapters deal with different aspects of peace education This book is an attempt to identify and deliberate on topics that should be addressed if we are to fully establish peace education This book is written mainly for researchers peace educators and students

A Primer on Unified Feel Theory Jerome Jacob Rappoport,2006-06-02 For each of us life s dilemma can be reduced to two positions 1 The universe always existed you exist for a fleeting moment and the universe continues on 2 The universe was created when you were born and it will cease to exist when you die Both of these perspectives are absolutely true and they pose for the inquirer a dichotomous enigma Religion or what is purported to be so should be involved with these two aspects but it s not Unified Feel Theory is not religion but a religious process to be experienced and struggled with by every inquiring mind singularly and alone Not until the quintessential self is known by its own inquiring mind can it be of any meaningful service to its self or to others Society has managed to intimidate and encapsulate each inner self to such a degree that only those aspects and qualities needed and wanted by the collective are nurtured and allowed to make their presence known and be seen as the outer self The Equilibrium Texts outfit and encourage an inward journey to seek rescue and bring forth one s own inner being

The Blavatskian and Biblical Roots of Krishnamurti's Imagined Role Al Boag,2025-09-16 This book focuses on Jiddu Krishnamurti 1895 1986 and charts the development of his teaching It covers the period from 1922 when Krishnamurti claimed he was God until his death including his declarations to be the World Teacher and eventual departure from the Theosophical Society The author explores the understanding transmitted to Krishnamurti by his mentors as an inheritance from Helena Petrovna Blavatsky 1831 1891 the Theosophical Society co founder who is associated with the practice of occult breathless meditation This book highlights that Krishnamurti s writings and talks reveal his unacknowledged appropriation of the vocabulary of profound biblical motifs It considers how Krishnamurti fashioned his life and teaching on the New Testament Gospels composite biography of Jesus and on biblical eschatological and Christological texts The study will be of particular interest to students and scholars of esotericism new
