Daisy: Book 19, Welcome to Fairhaven R T Green, 2024-06-16 A few days at the Fairhaven Wellness Sanctuary sounds to Daisy like the perfect girls only getaway to help shake away the trauma of the Abbie Drake case. She maybe should have known better. Daisy treats Celia Maisie and Doris to a four day stay at the beautiful Fairhaven Health Spa situated in an idyllic position on the North Norfolk coast. Sadly it's not as idyllic as they thought. Almost as soon as they arrive it becomes clear their short break isn't going to be anywhere near as relaxing as it should have been. The biggest problem isn't that the owner manager runs the place with a firm and very strict hand. Neither is it that most of the guests and staff seem to dislike everyone around them. The main problem is what happens on the second day of their stay. Someone dies in a rather unusual way. At first glance the death doesn't feel suspicious. Then Daisy's gut

kicks in and despite the fact she really doesn't want to think the thoughts she's thinking she can't help herself Could it be murder Has someone been killed in a place meant to make them feel better Daisy and her all girl crew set about unravelling what turns into a spider's web of lies deceit and revenge but it proves far from easy For sure the murderer has to be someone at Fairhaven but with the place a hotbed of deep seated grudges and utter discontent there are plenty of suspects Check out everything we do on the rtgreen website Honeymoon With Murder Carolyn Hart,2010-08-04 In sickness and in health Mystery bookstore owner Annie Laurance and detective Max Darling are finally tying the knot but a bizarre sequence of events might unravel this blissful marriage before it begins With the ceremony completed and the champagne goblets emptied Max sweeps Annie into his arms for an amorous moment when the phone rings and a woman on the other end of the line screams bloody murder The newlyweds rush to the scene of the crime only to discover that Ingrid Jones Annie's bookstore assistant has vanished leaving the body of a neighborhood Peeping Tom on her living room rug As the community of Broward's Rock including a dotty New Age psychic and Annie's meddling new mother in law mobilizes to find the missing woman the cold corpse puts the honeymoon plans on the shelf and Annie's love of investigation threatens to bring the big chill to Max's hungry heart *Murder Walks the Plank* Carolyn Hart,2023-08-18 A pleasure cruise for mystery buffs soon becomes a playground for a devious killer in the acclaimed author's beloved series Mystery bookstore owner Annie Darling has planned a murder mystery cruise in the waters off her not always idyllic isle of Broward's Rock South Carolina Everything is going swimmingly until one of the revelers plunges overboard And despite hubby Max's courageous rescue attempt make believe murder turns into real life death As the body count rises over the next few days Annie begins to suspect that all the victims were murdered most foully and that they are all connected in some unknown way But the killer she seeks is more ingeniously efficient than most having packed an intricate time bomb with an explosive mix of arson assault kidnapping robbery and homicide naturally Design for Murder Carolyn Hart,2010-02-17 The show must go on When mystery bookstore owner Annie Laurance is invited to stage a Mystery Night for the annual antebellum house tour of the Historical Preservation Society of Chastain South Carolina she instead finds herself the leading lady in a flesh and blood drama The play's the thing wherein the curtain falls on mean spirited grande dame Corinne Webster While jeweled fingers point accusing Annie of murder the perpetrator lurks within the genteel cast of Murder Most Make Believe and the murder weapon is one of the props In the tight laced society of Chastain Annie is guilty until proven innocent With her fiance Max Darling Annie pieces together evidence to clear her name until her chief witness is murdered Now it will take all her sleuthing skills to discover the evil in the heart of Chastain's Beautiful People *Sequels* Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Southern Ghost Carolyn Hart,2009-10-14 Annie Darling owner of the Death on Demand bookstore is shocked to hear talk about her husband Max and a beautiful blonde By the time she's faced down a

hostile police chief and bailed Max out of the Chastain South Carolina jail the lady has vanished and Max is the prime suspect in an unspecified crime The baffling bloodstained trail leads straight to the doorstep of Tarrant House home of the venerable Southern family with a violent history dating back to the Revolution and ghosts of a far more recent vintage Annie and Max find that the dignified facade of Tarrant House hides a hotbed of deadly passions as the family turns on itself in a mayhem of murderous motives and angry accusations But in the end Annie must summon all her sleuthing skills to stop a desperate killer who is ready to strike again to keep the secrets that haunt the Tarrants from the light of day Praise for Southern Ghost Tantalizing keeps the reader guessing all the way The Denver Post Pleasing chillingly effective remarkably satisfying Publishers Weekly Annie and Max make one of the most attractive pairs of sleuths since Dashiell Hammett's Nick and Nora Charles Chicago Sun Times

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
