Blood, Bone, and Marrow Ted Geltner, 2016-05-15 Brilliantly renders the life of the late writer Harry Crews It captures the wild spirit of an unflinching American writer Publishers Weekly starred review In 2010 Ted Geltner drove to Gainesville Florida to pay a visit to Harry Crews and ask the legendary author if he would be willing to be the subject of a literary biography His health rapidly deteriorating Crews told Geltner he was on board and would even sit for interviews and tell his stories one last time Ask me anything you want bud Crews said But you d better do it quick The result is *Blood Bone and Marrow* the first full length biography of one of the most unlikely figures in twentieth century American literature a writer who emerged from a dirt poor South Georgia tenant farm and went on to create a singularly unique voice of fiction With books such as *Scar Lover* *Body and Naked in Garden Hills* Crews opened a new window into southern life focusing his lens on the poor and disenfranchised the people who skinned the hogs and tended the fields the grits as Crews affectionately called his characters and himself He lived by a code of his own design flouting authority and baring his soul and the stories of his whiskey and blood soaked lifestyle created a myth to match any of his fictional creations His outlaw life his distinctive voice and the context in which he lived combine to form the elements of a singularly compelling narrative about an underappreciated literary treasure Harry Crews led a big strange sad and somehow very American life It is well told here The New York Times

The Bedtrick Wendy Doniger, 2005-12 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln's truly terrible poem about a bedtrick You will learn that in Hong Kong the film *The Crying Game* was retitled *Oh No My Girlfriend Has a Penis* And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can't people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover [The Christ-Haunted Landscape](#) Susan Ketchin, 2009-11-12 Here are

Susan Ketchin's discerning interviews with twelve southerners living and writing in the South and along with a piece of fiction by each are her penetrating commentaries about the impact of southern religious experience on their work A little more than a generation ago Flannery O'Connor made a startling observation about herself and her fellow southerners By and large she said people in the South still conceive of humanity in theological terms While the South is hardly Christ centered it is most certainly Christ haunted The southerner who isn't convinced of it is very much afraid that he may have been formed in the image and likeness of God Guided by O'Connor's perceptive commentary about southerners in general Susan Ketchin has created a deeply revealing collection that mirrors the pervasive role of religion in the literature by the recent generation of notable southern writers Ketchin confirms that old time religion remains a potent force in the literature of the

Imperfect Lee Kofman, 2019-01-08 By the time she was eleven and living in the Soviet Union Lee Kofman had undergone several major operations on both a defective heart and injuries sustained in a bus accident Her body harbours a constellation of disfiguring scars that have shaped her sense of self and her view of the world But it wasn't until she moved to Israel and later to Australia that she came to think these markings weren't badges of honour to flaunt but were in fact imperfections that needed to be hidden away In a captivating mix of memoir and cultural critique Kofman casts a questioning eye on the myths surrounding our conception of physical perfection and what it is like to live in a body that deviates from the norm She reveals the subtle ways we are all influenced by the bodies we inhabit whether our differences are pronounced or noticeable only to ourselves She talks to people of all shapes sizes and configurations and takes a hard look at the way media and culture tell us how bodies should and shouldn't be Illuminating confronting and deeply personal Imperfect challenges us all to consider how we exist in the world and how our bodies shape the people we become
