Bardhan-Quallen, 2017-09-05 Get totally smitten with mermaid kittens in the first book in this new chapter book series. It's purrfect for fans of Magic Kitten and the Fairy Animals of Misty Wood series. Coral, Shelly, and Angel are best friends. They love exploring their home in Kittentail Cove. On the first day of sea school, their teacher asks everyone to bring in something special to share with the class. Shelly and Angel can't wait to visit Tortoiseshell Reef to find an extra special treasure. But the reef is all the way on the edge of the cove, and Coral is scared to swim that far away from home. Can this scaredy cat learn to be brave? These adorable purrmaids will have young readers paw-sitively hooked from page one. **The Truth about Dog**

**and Cat Treatments and Anomalies** Robert L. Ridgway, DVM, 2013 You don't have to be a veterinarian to prevent and treat many of the problems that might afflict your four-legged friend. Robert L. Ridgway, a doctor of veterinary medicine, helps you identify conditions and use home remedies and treatments to treat dogs and cats. Written in everyday language, this guide can help you spot and treat skin infections in minimally invasive ways, help your pet battle and beat heartworms and other parasites, encourage good nutrition, and address eating problems and help your pet overcome stomach problems, gas, and other ailments. While the guide focuses on tackling health problems, it can also help you improve your pet's behavior, avoid common household substances that can harm your pet, and weigh complicated issues involved with end-of-life care and decision making. This handbook covers more than 150 different subjects and includes dosage instructions based on a pet's weight so you can act with confidence. While veterinarians serve an important role, you can fix many problems on your own when you know. **The Truth about Dog and Cat Treatments and Anomalies**

**Bedtime Stories for Dogs** Leigh Anne

Jasheway, 2016-04-05 The tales in *Bedtime Stories for Dogs* are written just the way dogs like things: they're short and simple, they have happy endings, they usually involve food, and they frequently refer to things that smell really awful. Each one of these stories was proofed and woofed by the author's two wiener dogs. If they didn't give a story two paws up and two tails wagging, it was back to the drawing board, she says. This is the perfect treat for anyone whose dog has control of the remote and flips when watching dog food commercials, whose dog occasionally allows him to sleep in the bed but only if he doesn't hog the covers, who doesn't even notice the dog hairs in their food, who carries their dog when he gets winded. Anyone who has a canine companion will want this charming book. It's a bow-wow bedtime bible. **The Blue Crocodile** Zuni
