**Nexlord: Dark Prophecies** Philip Blood, 2010-04-12 The NexLord series is a traditional fantasy in the sense that it deals with strong good and evil The focus of this epic fantasy story are four young people caught up in a deadly struggle started long ago It explores the good and evil power of all emotions The magic system is based on emotion and deals with the power of group beliefs and self fulfilling prophecy The setting of the story is a unique planet where all normal human emotional tendencies are magnified Humans are not alone there and four other intelligent races inhabit the lands as well Prejudice runs rampant and wars based on racial hatred have plagued the lands for hundreds of years The emotions of hate and fear have coalesced into one place and continuously inhabit the body of a human known as the Dreadmaster This being continuously gathers and wields these evil powers The ever growing power exists independently of the human vessel it inhabits and when the body is destroyed it is only a matter of time until the power inhabits a new vessel To combat the Dreadmaster s power all free humans gathered at one time and created a power fueled by their common belief

and emotional need a power that can be given to a NexLord Using a check an balance system to keep this power from being abused a test was created Those who pass this test become Knights of the Realm known as NexLords The NexLords and their Bondsmen are the one counter to the Dreadmaster s power But with the ending of the Final War the last of the NexLords disappeared into the east warning that the Dreadmaster s power was still out there but no one listened or believed For three hundred years now there has not been a new Dreadmaster and no one in the Human Realm has followed the difficult path to become a NexLord However there is a Prophecy spreading across the land a prophecy that tells of the coming of a new NexLord who will bring a golden age But what it predicts is about to go terribly wrong for there is another prophecy a Dark Prophecy and the world is about to change to that path Dark Prophecies is the first novel of a three book Fantasy Epic series A mysterious old woman named Mara comes to teach four children who have been foretold in two dire prophecies The kids have wild adventures while forming strong bonds Mara teaches them to fight and much more for the mysterious old woman knows what the future holds for these children and their coming will shake the world

This very personal collection of poetry begun by Samir at the age of ten and completed on his twentieth birthday offers an invitation to travel across the tapestry of emotion and experiences he weaves. Raised in a culture that values and nurtures poetry, Samir first began writing poetry in his native language without any training. His need for expression spurred him on. From the emotion of *He Whistles as He Walks This Man* to the charm of *Lady*, he improvises every poem writing before he thinks to him emotions are felt like flint and stone in the hand long before thought sparks from between. *As I Write These Words* presents an offer to dream journey and grow an offer made with an open hand that is there for the taking. Contemplating quietly and fluently is he Not with speech but by mind and precision in every degree. Congratulate those who assimilate to those around them with decree. But he who cares not for the throng knows better than to be bound by such wrong. For judgment is to be awarded by deeds best unknown to the judge. Not as a tool to be handed down from a man to fool. **Doomed at the Start** William H. Bartsch, 1992 During the first three days of the Japanese assault on American Pacific bases in December of 1941 the 24th Pursuit Group the only unit of interceptor aircraft in the Philippine Islands was almost destroyed as an effective force. Yet the group's pilots doomed from the start by their limited training, an inadequate air warning system and lack of familiarity with the few flyable pursuit aircraft they had left fought on against immensely superior number of Japanese army and navy fighters. Amazon.com **The Silent and the Damned** Robert Seitz Frey, Nancy Thompson-Frey, 2002 This is the chilling and unforgettable story of the sensational trial, unjust conviction and lynching of Leo M. Frank for the murder of his thirteen-year-old employee Mary Phagan. In the heated atmosphere of fear and anti-Semitism surrounding the murder, a mob dragged Frank from his prison cell and executed him. **Bottled** Dana Bowman, 2015-09-15 Humorist Dana Bowman chronicles her struggle with alcoholism and subsequent recovery through the prism of early motherhood and its challenges. *The Start-Up J Curve* Howard Love, 2016-08-30 A predictable pattern of success. Entrepreneurs who have read early drafts of *The Start-Up J Curve* responded, "I wish I had this book years ago." A start-up unfolds in a predictable pattern; the more aware entrepreneurs are of this pattern, the better able they will be to capitalize on it. Author Howard Love calls this pattern the start-up J Curve. The toughest part of the endeavor is the time between the actual start of a new business and when the product and model are firmly established. *The Start-Up J Curve* gives entrepreneurs the tools they need to get through the early challenges so they can reach the primary value creation that lies beyond. Love brings thirty-five years of start-up experience to this comprehensive guide to starting a business. He outlines the six predictable stages of start-up growth and details the activities that should be undertaken at each stage to ensure success and to avoid common pitfalls. Instead of

feeling lost and confused after a setback start up founders and investors can anticipate the challenges overcome the obstacles and ride the curve to the top
