Deadly power Stunning beauty She will not be controlled Sixteen year old Beth s ordinary life is shattered the night her  
dormant magic awakens and she almost kills her boyfriend Horrified at what she s done she flees into the fae realm to find  
the siren mother who disowned her a decade ago When it turns out her power cannot be controlled she is once again cast out  
from the siren community Alone and afraid Beth winds up in the Dark North where a group of witches rescues her They offer  
to help her gain control of her deadly magic but at what price Scarlett is a companion story to the bestselling YA fantasy  
Creepy Hollow series Grab your copy today to taste a darker side of this captivating magical world While this story is best

Sandra Pixley-Rees,2024-06-21 Faustine instinctively knew her fight was over She was trapped between the Valencian mob  
and the charging Spanish army She dropped to her knees out of sheer exhaustion acutely aware of the Spaniard on the black  
mustang as he raised his gleaming jewel handled sword preparing to strike She closed her eyes tight feeling the warmth of  
the sun one last time against her tearstained face silently praying for the strength to remain brave through to the bitter end

She felt a deep ache in her chest as her thoughts turned to her father He had given her the choice to tagalong on his military campaign bringing the two of them to Madrid She had been looking forward to spending the summer amid the city's romantic flare but the mood of the capital was far from friendly as the natives teetered on the verge of a momentous rebellion due to the French army's bold march across Spain turning the streets into a bloody arena At the first sign of trouble her father did not hesitate to send her out of harm's way that's how she ended up at the home of her great aunt who was a prominent resident of Valencia It was for that reason she feared her father would blame himself when he learned hundreds of French civilians had been massacred at the hands of the Valencian mob Yet there was no way he could have known that the Spanish Uprising would spread like wildfire across every region of Spain or bring about her premature demise as she stared into the face of death

**Winterwood and Other Hauntings** Keith Roberts,2012-09-18 Welcome to a haunted world the world of Keith Roberts powerful and unique imagination These stories show Roberts' fascination for the curious and unclassifiable and as ever his mastery of character and detail Susan introduces the reader to a schoolgirl with awesome psychic powers but the sensitive treatment turns a shock situation into a brilliant fable while *The Scarlet Lady* predating Stephen King's *Christine* has the genuine stench of petrol oil and demons *The Eastern Windows* chillingly continues the theme by contrast *Winderwood* introduces us to a fearsome locale that Roberts insists is real Mrs Cibber transports the reader with complete conviction to the smog ridden London of the fifties and unfolds the strange tale of a young graphic designer haunted by a woman from the eighteenth century *The Snake Princess* equally atmospheric tells the story of a boy's doomed bizarre love while *Everything in the Garden* presents the tour de force of a haunting within a haunting
