Milward, 2013-06-11 The blues revival rescued the creators of America's most influential music from dusty obscurity put them onstage in front of a vast new audience and created rock n roll Encyclopedia of the Sixties Abbe A. Debolt, James S. Baugess, 2011-12-12 Comedian Robin Williams said that if you remember the 60s you weren t there This encyclopedia documents the people places movements and culture of that memorable decade for those who lived it and those who came after Encyclopedia of the Sixties A Decade of Culture and Counterculture surveys the 1960s from January 1960 to December 1969 Nearly 500 entries cover everything from the British television cult classic The Avengers to the Vietnam War and the civil rights movement. The two volume work also includes biographies of artists architects authors statesmen military leaders and cinematic stars concentrating on what each individual accomplished during the 1960s with brief postscripts of their lives beyond the period There was much more to the Sixties than flower power and LSD and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade Thus unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else these volumes include the political and cultural Right taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era **Quindecile** Ricki Reeves, 2001 We like to think we are sensible beings who base our actions on conscious decisions The fact is all of us are subject to the occasional irrational impulse the wild hair that surprises us and those around us Usually this is not a big problem in fact it can act as a safety valve for our creative abilities and a check against unnecessary self restriction But it s not so healthy when we find ourselves driven by compulsions and obsessions that seem to take over our lives and consume our attention and energy How can we discover the origins of these forces Can we turn them into something constructive Astrology provides a key to these questions in the quindecile This newly researched 165 degree aspect of hidden driving forces is thoroughly explored in these pages by an experienced astrologer and mental health professional Numerous chart examples support the analysis of the quindecile in natal transit progressed and synastry horoscopes A full set of delineations and interpretations lets you quickly add this illuminating factor to your understanding of any chart In these pages you will explore The psychological dynamics of obsession compulsion Planetary dynamics by sign element and triplicity The quindecile in natals progressions transits and synastry A full reference section of interpretations and delineations Numerous chart examples of well known people You will find that The Quindecile not only points out the nature of inner compulsions but also suggests ways to transform them into constructive creative activities and projects This is a Print on Demand title Please allow an additional 2 3 days for delivery Burlesque West Becki Ross, 2009-07-25 After the Second World War Vancouver emerged as a hotbed of striptease talent In Burlesque West the first critical history of this notorious striptease scene Becki Ross delves into the erotic entertainment industry at the northern end of the dancers west coast tour the North South route from Los Angeles to Vancouver that provided rotating work for dancers and variety for club clientele Drawing on extensive archival materials and fifty first person accounts of former dancers strip club owners booking agents

choreographers and musicians Ross reveals stories that are deeply flavoured with an era before striptease fell from grace because the world stopped dreaming in the words of ex dancer Lindalee Tracey Though jobs in this particular industry are often perceived as having little in common with other sorts of work retired dancers accounts resonate surprisingly with those of contemporary service workers including perceptions of unionization and workplace benefits and hazards Ross also traces the sanitization and subsequent integration of striptease style and neo burlesque trends into mass culture examining continuity and change to ultimately demonstrate that Vancouver's glitzy nightclub scene often condemned as a quasi legal strain of urban blight in fact greased the economic engine of the post war city Provocative and challenging Burlesque West combines the economic the social the sexual and the personal and is sure to intellectually tantalize **Scholarship** Jeffrey N. Gatten, 2016-11-11 Since August 1969 the Woodstock Music and Art Fair looms large when recounting the history and impact of the baby boom generation and the societal upheavals of the Sixties Scholars study the sociological political musical and artistic impact of the event and use it as a cultural touchstone when exploring alternative perspectives or seeking clarity This interdisciplinary annotated bibliography records the details of over 400 English language resources on the Festival including books chapters articles websites transcriptions and videos Divided into six main subsections Culture Society History Biography Music Film Arts Literature for ease of consultation Woodstock Scholarship sheds light on all facets of a key happening in our collective history Throughout the 1960s popular music became increasingly reflective and suggestive of the rising political and social consciousness of the youth culture Examples can be seen in the development of the protest song genre within the folk music boom of the early Sixties and the marriage of lifestyle to music first reflected by The Beatles with fashion followed by psychedelic music with the emerging drug culture Woodstock was where these themes coalesced thus becoming the defining and last great moment of the 1960s However Woodstock also represented an abundant amount of experiences and ideas and moments Thus when exploring the complicated accounts and numerous facets of America during the turbulent Sixties one discovers scholarship on the key subjects such as the Vietnam War or the Civil Rights Movement often considering and debating the importance relevance and epic nature of Woodstock Multiple narratives emerge a radical engagement of the hippie movement an overt commercial exploitation of youth culture a political statement Woodstock scholarship does not stand alone as field of study but it is at the cross road of a number of disciplines music history cultural studies sociology arts and literature media studies politics and economics Providing full bibliographical details and concise informative annotation for each entry Woodstock Scholarship is an essential tool for students scholars teachers and librarians in all these areas as well as for anyone seeking a deeper understanding of both the Woodstock Music and Art Fair phenomenon and of the confluence of music commerce and politics

Rock Band Name Origins Greg Metzer, 2015-03-20 This book details the origins of the names of 240 musical acts focusing on the most popular groups and a few individual performers from the 1960s through today Even casual music fans will

recognize almost all of the acts discussed A few one hit wonders are included simply because their name is so unusual Mungo Jerry for example that they warrant a place in the study Each entry focuses on the meaning and or origin of the act s name what it had been called previously and any other names that were considered and rejected during the naming process Also included are facts and figures about the act s history and place in the rock music pantheon the year the act was formed the names of original members and later members of note and the act s best known hit The book lists bands alphabetically to give the casual reader the opportunity to open it to any page and read at leisure the historian the ability to easily pinpoint the subject of his or her research or the die hard rock fan the chance to learn from A to Z the name origins of the biggest acts in rock and pop music history Haight-Ashbury, Psychedelics, and the Birth of Acid Rock Robert J. Campbell, 2023-07-01 Combining literature social history and personal experience author Robert I Campbell traces the birth downfall and legacy of the innovative playful and spontaneous counterculture launched in 1960s Haight Ashbury In a lively writing style Campbell describes the discovery of LSD its slow adoption and the promotion of it by Timothy Leary and Ken Kesey who each became missionaries for the drug Campbell relates how LSD allowed users to enhance the perception of alternative realities and describes its wide scale use in the Haight Ashbury District of San Francisco from 1964 to 1967 that led to imaginative and creative change including collaborative behavior a new way of looking at the world acid rock and a host of other paradigm shifts Haight Ashbury Psychedelics and the Birth of Acid Rock concludes by examining the inherent dangers of constant drug use as well as the positive legacy of the 1960s including a focus on health food cooperative living arrangements recycling battling climate change free medical help and personal responsibility. The book incorporates ideas from a broad range of disciplines for general readers for a unique and fresh look at this impactful era Focus On: 100 Most Popular American Rock Songwriters Wikipedia contributors, The History of Texas Music Gary Hartman, 2008-03-08 The richly diverse ethnic heritage of the Lone Star State has brought to the Southwest a remarkable array of rhythms instruments and musical styles that have blended here in unique ways and in turn have helped shape the music of the nation and the world Historian Gary Hartman writes knowingly and lovingly of the Lone Star State's musical traditions In the first thorough survey of the vast and complex cultural mosaic that has produced what we know today as Texas music he paints a broad panoramic view offers analysis of the origins of and influences on specific genres profiles key musicians and provides guidance to additional sources for further information A musician himself Hartman draws on both academic and non academic sources to give a more complete understanding of the state s remarkable musical history and ethnic community studies with his first hand knowledge of how important music is as a cultural medium through which human beings communicate information ideas emotions values and beliefs and bond together as friends families and communities The History of Texas Music incorporates a selection of well chosen photographs of both prominent and less well known artists and describes not only the ethnic origins of much of Texas music but also the cross pollination among various genres Today the music of Texas which includes

Native American music gospel blues ragtime swing jazz rhythm and blues conjunto Tejano Cajun zydeco western swing honky tonk polkas schottsches rock roll rap hip hop and more reflects the unique cultural dynamics of the Southwest

Listen to the Blues! James E. Perone,2019-02-15 Listen to the Blues Exploring A Musical Genre provides an overview of this distinctly American musical genre for fans of the blues and curious readers alike with a focus on 50 must hear artists albums and subgenres Unlike other books on the blues which tend to focus on musician biographies Listen to the Blues devotes time to the compositions recordings and musical legacies of blues musicians from the early 20th century to the present Although the author references musical structure harmony form and other musical concepts the volume avoids technical language therefore it is a volume that should be of interest to the casual blues fan to students of blues music and its history and to more serious blues fans The chapters on the impact of the blues on popular culture and the legacy of the blues also put the genre in a broader historical context than what is found in many books on the blues The book opens with a background chapter that provides an overview of the history and structure of blues music A substantial encyclopedic chapter that focuses on 50 must hear blues musicians follows as does a chapter that explores the impact on popular culture of blues music and musicians and a chapter that focuses on the legacy of the genre A bibliography rounds out the work
