With Amusement for All LeRoy Ashby, 2006-05-12 Popular culture is a central part of everyday life to many Americans Personalities such as Elvis Presley Oprah Winfrey and Michael Jordan are more recognizable to many people than are most elected officials With Amusement for All is the first comprehensive history of two centuries of mass entertainment in the United States covering everything from the penny press to Playboy the NBA to NASCAR big band to hip hop and other topics including film comics television sports dance and music Paying careful attention to matters of race gender class technology economics and politics LeRoy Ashby emphasizes the complex ways in which popular culture simultaneously reflects and transforms American culture revealing that the world of entertainment constantly evolves as it tries to meet the demands of a diverse audience Trends in popular entertainment often reveal the tensions between competing ideologies appetites and values in American society For example in the late nineteenth century Americans embraced self-made men such as John D Rockefeller and Andrew Carnegie the celebrities of the day were circus tycoons P T Barnum and James A Bailey Wild West star Buffalo Bill Cody professional baseball organizer Albert Spalding and prizefighter John L Sullivan At the same time however several female performers challenged traditional notions of weak frail Victorian women Adah Isaacs Menken astonished crowds by wearing tights that made her appear nude while performing dangerous stunts on horseback and the shows of the voluptuous burlesque group British Blondes often centered on provocative images of female sexual power and dominance Ashby describes how history and politics frequently influence mainstream entertainment When Native Americans blacks and other non-whites appeared in the nineteenth century circuses and Wild West shows it was often to perpetuate demeaning racial stereotypes crowds jeered Sitting Bull at Cody's shows By the early twentieth century however black minstrel acts reveled in racial tensions reinforcing stereotypes while at the same time satirizing them and mocking racist attitudes before a predominantly white audience Decades later Red Foxx and Richard Pryor's profane comedy routines changed American entertainment The raw ethnic material of Pryor's short-lived television show led to a series of African American sitcoms in the 1980s that presented common American experiences from family life to college life with black casts Mainstream entertainment has often co-opted and sanitized fringe amusements in an ongoing process of redefining the cultural center and its boundaries Social control and respectability vied with the bold erotic sensational and surprising as entrepreneurs sought to manipulate the vagaries of the market control shifting public
