Good Morning, Olive Robert Viagas, 2022-10-01 Hamlet calls death that undiscovered country from whose bourn no traveler returns But he s wrong Some do return Each night after the applause dies the curtain falls the audience vanishes the cleaners dust and the lights are killed great theatres become dark and silent places But not always quite empty That s when the theatre ghosts make their entrance and strut and fret their hour upon the shadowed boards illuminated only by the ghost light the solitary lamp that is required to burn through the night on every Broadway stage Many of Broadway s busiest theatres continue to be just as busily haunted by spirits some with well known names and histories Good Morning Olive named for one of the most beautiful and temperamental of Broadway s ghosts is about the ghosts that haunt theatres in New York and around the world Broadway is the playground of stars so it s probably not surprising to learn that even its ghosts are stars Meet some of Broadway s best known and most active celebrity ghosts Don t worry like Casper they tend to be friendly For the most part There s something special about theatres something especially conducive and welcoming to ghosts Charles J Adams III wrote By its very nature a theatre is a vault within which every human emotion is at once imprisoned impersonated imitated and elicited Tangles of cords and ropes tall curtains and backdrops which fade into high darkness cubicles and trap doors and passageways Good Morning Olive takes readers on a tour of that world
