Scattered Crumbs A Novel:

Scattered Crumbs Muhsin Al-ramli, 2003-07-01 Set in an Iraqi village during the Iran Iraq war *Scattered Crumbs* critiques a totalitarian dictatorship through the stories of an impoverished peasant family A father a fierce supporter of Saddam Hussein here called only The Leader clashes with his artist son who loves his homeland but finds himself literally unable to paint the Leader s portrait for his father s wall The narrator remembers the disintegration of his family as he leaves the village to search for his cousin even as he realizes that the only thing he really knows of this cousin is his absence Translator Hanoosh says that the novel evokes the processes of deterioration undergone both by the country and by the individual characters caught up in the maelstrom *Scattered Crumbs* was first published in Arabic in Cairo in 2000 This translation captures the subtle sarcasm of the original text and its elliptical rhythms **Scattered Crumbs** Gladys Dexter Norton, 1986

Dust That Never Settles Amir Moosavi, 2025-06-10 Lasting from September 1980 to August 1988 the Iran Iraq War was the longest conventional war fought between two states in the twentieth century It marked a period that began just after a revolutionary government in Iran became an Islamic Republic and Saddam Hussein consolidated power in Iraq It ended with both wartime governments still in power borders unchanged yet hundreds of thousands of people dead Neither side emerged as a clear victor but both sides would eventually claim victory in some form *Dust That Never Settles* considers how Iraqi and Iranian writers have wrestled with representing the Iran Iraq War and its legacy from wartime to the present It demonstrates how writers from both countries have transformed once militarized officially sanctioned war literatures into literatures of mourning and eventually into vehicles of protest that presented powerful counternarratives to the official state narratives In writing the first comparative study of the literary output of this war Amir Moosavi presents a new paradigm for the study of modern Middle Eastern literatures He brings Persian and Arabic fiction into conversation with debates on the political importance of cultural production across the Middle East and North Africa and he puts an important new canon of works in conversation with comparative literary and cultural studies within the Global South **Kingsdene. A Novel** Maria

Georgiana Fetherstonhaugh (Hon. Mrs.), 1878 **Men of the Global South** Adam Jones, 2006-10 *Men of the Global South* focuses on the lives and roles of Third World men This edited work uses original and wide ranging research which significantly enlarges the field of gender and development It is an excellent textbook for undergraduates and postgraduates in development studies Masculine Identity in the Fiction of the Arab East since 1967 Samira Aghacy, 2009-12-08 This book offers an exploration of masculinity in the literature of the Arab East Lebanon Jordan Palestine Syria and Iraq in the context of a specific set of anxieties about gender roles and sexuality in Arab societies While gender studies in the area have focused primarily on the situation of women the treatment of Arab men as gendered subjects has fallen behind Samira Aghacy s rich analysis presents gender relations not within a fixed biological mold but rather as a complex phenomenon fraught with ambivalence and operating within particular historical and geopolitical settings Through a series of close

readings of twenty contemporary Arabic novels Aghacy presents a mosaic of masculinities that challenges the generally held view of an essentialized archetypal Arab man and that mirrors a contested vision of manliness where men figure in diverse sociocultural environments This groundbreaking work reveals the volatile nature of masculinity and its inextricability from femininity

Men of the Global South Doctor Adam Jones, 2008-02-29 *Men of the Global South* A Reader is the most diverse and accessible volume yet published on men and masculinities throughout the developing world A Reader that also offers a wide range of original contributions it explores male experience in a uniquely vivid and accessible way Adam Jones provides a framing introduction that surveys the growing literature on Southern men and masculinities and links it to the broader study of gender and development Six main sections portray different aspects of male experience in the global South Family and Sexuality Ritual Belief Work Governance and Conflict Migrations and Masculinities in Motion The text richly complemented by a number of photographs serves as an ideal introduction to the lives of men and boys from Africa the Middle East Asia and Latin America the Caribbean This book will appeal to students and scholars of gender and development as well as to general readers interested in gaining a greater understanding and appreciation of men's roles challenges and contributions worldwide
