# Scene Changes Basil Thompson

**David Monger**

## Scene Changes Basil Thompson:

**The Lower Deck of the Royal Navy 1900-39** Anthony Carew, 1981      **Social Aspects of Crime in England between the Wars** Hermann Mannheim, 2019-03-11 Originally published in 1940 This ground breaking work formed the foundation for modern criminology becoming an academic discipline within UK sociological studies It concerns the history of crime its causes and treatment in England during the preceding twenty five years or so Mannheim through this and later studies went on to found the criminology department at LSE The book offers an evaluation of the criminological implications of the War and early post War period as well as an examination of the practical working of the new penal machinery built up by the Reform Acts passed just prior to the War The author produced a scientific account of the post War state of crime beginning with a critical examination of the structure and interpretation of English Criminal Statistics followed by a survey of the principal criminological features of the period between the two Wars Significant aspects are dealt with in a separate chapters four devoted to problems of work and leisure Unemployment and Strikes Business Administration Alcoholism and Gambling four others to those of certain specific sections of the population Juvenile Delinquency Female Delinquency and Prostitution Recidivism This is a fascinating read for both the historian and the criminologist      *Patriotism and Propaganda in First World War Britain* David Monger, 2012-01-01 A detailed study of the NWAC s activities propaganda and reception It demonstrates the significant role played by the NWAC in British society after July 1917 illuminating the local network of agents and committees which conducted its operations and the party political motivations behind these      **Routledge Library Editions: Criminology** Various Authors, 2021-02-25 Reissuing seven works originally published between 1940 and 1997 this collection spans the time in which Criminology has been a recognised academic discipline It offers a set of excellent works on diverse aspects of the field from nineteenth century criminality to burglary in the 1980s The set includes a Dictionary and several works looking at the social and psychological side of crime      **Famous Trials 9: Roger Casement** H. Montgomery Hyde, 1964      **Column Review** , 1937      **Famous Trials** , 1964      Printers', Lithographers', Bookbinders' & Stationers' Sales & Wants Advertiser ... , 1939      **Famous Trials 9** James Hozier Hodge, 1995      **A Historical Geography of the British Colonies** Sir Charles Prestwood Lucas, 1925      **Australasia** John Davenport Rogers, 1925

**Churchill, the Liberal Reformer** Duncan Marlor, 2024-06-30 Winston Churchill is handed down the generations reinvented in the process to suit current controversies He has been many things presently a talisman of the political right a war hero of conservative outlook who saved his country on the left he is a reactionary imperialist a warmongering oppressor of the workers Both sides would be surprised by a time trip to the sensation filled years of 1910 and 1911 They would find a modernist progressive cordially loathed by the Tories carrying through programs of social reform and making the prison system more humane declaring to Parliament that even convicted offenders have rights and that how a state treats them determines the level of its civilisation A long serving Permanent Under Secretary at the Home Office reckoned that Churchill

s policies which his successors continued halved the prison population During the last third of the twentieth century and into the next rehabilitation has gone into reverse Prison numbers have soared as the punitive approach has reasserted itself now laced with political populism This book looks at that story in the context of the paradoxical career of Churchill the Liberal Reformer     **Seaboard** ,1920     **Hesitant Comrades** Geoffrey Bell,2016-02-20 Geoffrey Bell s *Hesitant Comrades* is the first published history of the policies actions and attitudes of the British working class towards the Irish national revolution of 1916 21 Drawing principally on primary sources Bell brings to light for the first time important incidents in British Irish history including how the leaders of British trade unions were complicit in Belfast loyalist sectarianism the troubled nature of the Labour Party s relations with its Irish community and how the Bolsheviks criticised British Marxists over their inaction on Ireland The author also considers socialist debates on the compatibility of Irish nationalism with socialism as well as the contentious Ulster question He examines prominent figures of the era ranging from Ramsay MacDonald to Sylvia Pankhurst With sources ranging from newly discovered writings to reports of police spies *Hesitant Comrades* is a scholarly provocative and groundbreaking perspective on the fragile relationship between the British left and the Irish revolution     **The Making of the Modern Police, 1780-1914, Part II vol 6** Paul Lawrence,Janet Clark,Rosalind Crone,Haia Shpayer-Makov,2021-12-24 Over six volumes this edited collection of pamphlets government publications printed ephemera and manuscript sources looks at the development of the first modern police force It will be of interest to social and political historians criminologists and those interested in the development of the detective novel in nineteenth century literature This is Volume 6 from Part II     **The Origins of the Vigilant State** Bernard Porter,1991 The Special Branch of the London Metropolitan Police has been a hidden but important part of Britain s political life for a hundred years Opinions on its role have varied between those who saw it as protecting Britain from terrorism revolution or worse and those who regarded the Special Branch as a threat to Britain s civil liberties The truth has never been easy to establish mainly due to the obsessive secrecy of the Branch     **The Revolutionary Movement in Britain 1900-21** Walter Kendall,2025-07-24 Kendall s classic work has been widely appreciated for its rich contextualisation of the events and forensic examination of both the national and international factors influencing the nativity of the British Communist Party It imaginatively recuperates and critically evaluates the politics of the party s predecessors notably the British Socialist Party and the Socialist Labour Party the radical upsurge of 1910 14 the wartime shop stewards movement the resonance of the Russian Revolution and the role of the Comintern in moulding the form that British Communism took Vivid portraits of the human actors H M Hyndman John Maclean Arthur MacManus and Theodore Rothstein illuminate the text First published in 1969 *The Revolutionary Movement in Britain* has stood the test of time It remains indispensable reading for everyone interested in understanding socialist history John McIlroy has provided a detailed Introduction to this republication     **The Ascent of the Detective** Haia Shpayer-Makov,2011-09-29 Explores the diverse and often arcane world of English police detectives during the formative

period of their profession from 1842 until the First World War with special emphasis on the famed detective branch established at Scotland Yard      **G.K.'s Weekly** ,1928      **Propaganda, Communication and Public Opinion** Bruce Lannes Smith,Harold D. Lasswell,2015-12-08 The most comprehensive bibliography yet published in the public opinion field Journalism Quarterly Besides a selection of the most significant titles from earlier years this book contains a comprehensive listing of books pamphlets and articles which appeared between 1934 and 1943 Originally published in 1946 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
