Expressive Sight-Reading for Orchestra

Brungard,Alexander,Dackow,2016-06-20 Orchestral Repertoire: Complete Parts for Violin from the Classic Masterpieces, Volume IV Alfred Music,2001-08-17

Advancing violinists will be thrilled at this series of violin parts from the orchestral masterworks Great for audition preparation or just to become familiar with the repertoire Works include The Four Seasons Vivaldi Cello Concerto in C Major Haydn Requiem Mozart The Planets Holst The Carnival of the Animals Saint Sa ns The Three Cornered Hat de Falla The Holberg Suite Grieg Kalmus Editions are primarily reprints of Urtext Editions reasonably priced and readily available They are a must for students teachers and performers **A Performer's Guide to Violin**

Orchestral Excerpts from Baroque to the Twentieth Century Compositions Jun Y. Kim,2013 My personal interest in this subject matter stems from the increasing realization of the difficulty of orchestral parts which in some cases rivals the technical challenges of solo concertos and of the paradox that exists in the educational system of most orchestral violinists The primary focus of most violin education is solo or chamber literature whereas most violin students spend their careers either teaching in academia or playing in a professional semi professional or community orchestra or at least actively pursuing these posts However the education system does not sufficiently address orchestral playing In this document I have provided a list of the twelve most commonly requested violin orchestral excerpts drawn mainly from audition lists of major orchestras and approaches for learning these pieces including their technical difficulties and context To provide a guide to these excerpts I examined the libraries of the four major orchestras in Ohio which include the renowned Cleveland Orchestra Cincinnati Symphony Orchestra Columbus Symphony Orchestra and Dayton Philharmonic I especially compared and contrasted the bowings fingerings and special markings of each excerpt at these orchestras I also conducted interviews with concertmasters principal violinists from these orchestras and focused on these twelve specific pieces on the opinions of these experts and on the particular technical musical issues from these excerpts The purpose of my document is to address a delinquency within string instruction concerning preparation for orchestral playing and to provide a performer s solution for readying performers for auditions I hope this presentation will help any violinist student who is playing in or seeking a position in an orchestra Concerto for Violin and Orchestra Nariman Gili[a]zetdinovich Sabitov,1959
