Scenes Of Childhood And Other:

Roman Children's Sarcophagi Janet Huskinson, 1996 This book is the first major study of the themes which were used in the decoration of sarcophagi made for children in Rome and Ostia from the late first to early fourth century AD It provides a selective catalogue of examples of each type followed by discussion of how these fit into the general pattern This allows certain themes to be identified which are virtually exclusive to children's sarcophagi The second part of the book discusses the choice of subjects and how these reflect the standing of children in Roman society to what extent for instance was childhood shown as a differentiated stage of life or was it dominated by aspirations of the adult world How is the death of a child treated in art There are separate sections on the role of workshops and customers in the development of child specific imagery and on material from the early Christian era providing some interesting differences resulting from differing attitudes towards children and beliefs about life and death

Love in Contemporary British Drama Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the

dramatic form has been questioned *Investigating Missing Children Cases* Donald F. Sprague, 2018-06-28 Time is an abducted child's worst enemy Seventy four percent of abducted children who are murdered are killed within three hours of their abduction It takes on the average two hours for a parent to report a child missing This gives responders only one hour to get an investigation up and running in an attempt to locate and recover the child Share and Take Turns Cheri J. Meiners, 2003 Help children practice sharing understand how and why to share and realize the benefits of sharing

Between Self and Community Junehui Ahn, 2023-07-14 *Between Self and Community* investigates the early childhood socialization process in a rapidly changing globalizing South Korea Based on long term ethnographic fieldwork in a South Korean preschool it shows how both children and teachers interactively navigate construct and reconstruct their own multifaceted and sometimes conflicting models of what makes a good child amid Korea's shifting educational and social contexts Junehui Ahn details the conflicting and competing ways in which the ideologies of new personhood are enacted in actual everyday socialization contexts and reveals the confusions dilemmas and ruptures that occur when globally dominant ideals of childhood development are superimposed onto local experiences *Between Self and Community* pays special attention to the way children as active agents of socialization create construe and sustain their own meanings of their personhood thereby highlighting the dynamism children and their culturally rich peer world create in South Korea's shifting socialization terrain **Handbook of Child Psychology, Cognition, Perception, and Language** William Damon, Richard M. Lerner, Deanna Kuhn, Robert S. Siegler, 2006-05-11 Part of the authoritative four volume reference that spans the entire field of child development and has set the standard against which all other scholarly references are compared Updated and revised to reflect the new developments in the field the *Handbook of Child Psychology Sixth Edition* contains new chapters on such topics as spirituality social understanding and non verbal communication Volume 2 *Cognition Perception and Language* edited by Deanna Kuhn Columbia University and Robert S Siegler Carnegie Mellon University covers mechanisms of cognitive and perceptual development in language acquisition It includes new chapters devoted to neural bases of cognition motor development grammar and language rules information processing and problem solving skills Survival and Success of an Apocryphal Childhood of Jesus Marijana Vukovic, 2022-04-19 This book explores the transformations of the *Infancy Gospel of Thomas* in the Middle Ages It also connects the different representations of children childhood everyday and family life in the distinct textual versions to the ancient and medieval settings in which they appear The text survived and influenced ideas and mentalities that shaped medieval minds in the East and the West but also enhanced anti Jewish sentiments **Child Maltreatment Fatalities in the United States** Emily M. Douglas, 2016-08-02 This book focuses on the prevention of child abuse and neglect deaths in the U S In 2013 1 520 children died from maltreatment This book defines child maltreatment fatalities CMFs and discusses the prevalence of deaths in the U S over the last several decades It addresses the known risk factors for maltreatment deaths including child parent the parent child relationship and household

risk factors The main focus of the book addresses the responses and interventions that have been put in place in order to prevent CMFs the child welfare profession child death review teams safe haven laws criminal justice responses public education and new federal efforts in the U S to reduce CMFs in the U S The book finishes by making recommendations for researchers practitioners and decision makers about how to prevent fatal maltreatment among children in the U S

Images of Childhood Paul Duncum, 2023-07-13 Drawing on a rich legacy of pictorial evidence Images of Childhood examines historical constructions of childhood and how they reinforce or challenge the prevailing view of childhood as a state of innocence Each chapter explores how visual elements such as framing points of view and lighting as well as clothes accessories and body language help to construct our many different conceptions of children from members of the family unit and assumed gender roles to schooling and aesthetic objects through to their economic value and use in political propaganda Skillfully navigating a multitude of perspectives on this topic Paul Duncum considers both how our ideas beliefs and values have changed throughout history and how some have remained unchanged He also explores the cultural notion of the child within and how this has contributed to the way adults perceive children The result is a text far broader in scope than any other in its field as art history is interweaved with contemporary popular culture to explore how we visually represent childhood In doing so the book highlights the real life implications that these representations have on children's rights

Interdisciplinary Behavior and Social Sciences Ford Lumban Gaol, 2015-02-27 The human aspect plays an important role in the social sciences The behavior of people has become a vital area of focus in the social sciences as well Interdisciplinary Behavior and Social Sciences contains papers that were originally presented at the 3rd International Congress on Interdisciplinary Behavior and Social Science 2014 ICIBSoS 2014
