## Scenes Of Visionary Enchantment:

**Scenes of Visionary Enchantment** Dayton Duncan, 2004-01-01 The author recalls his experiences and observations from his four trips along the route followed by the Corps of Discovery revealing his own reflections in the form of essays on the meaning of their momentous journey across the American wilderness Scenes of Visionary Enchantment Jeffrey P. Havens, 2017 This book was more than eight years in the making and is the photographic companion to the novel *Fraught With Difficulties* The photographs are an effort to visually communicate the story about the Lewis and Clark expedition which was between May 14 1804 and September 23 1806 page 1 *Early National America* Tim McNeese, 2010 Presents the complex and varied history of the United States from prehistoric times Blood Memory Dayton Duncan, Ken Burns, 2023-10-10 The epic story of the buffalo in America from prehistoric times to today a moving and beautifully illustrated work of natural history inspired by the PBS series *American Buffalo* The American buffalo our nation's official mammal is an improbable shaggy beast that has found itself at the center of many of our most mythic and sometimes heartbreaking tales The largest land animals in the Western Hemisphere they are survivors of a mass extinction that erased ancient species that were even larger For nearly 10 000 years they evolved alongside Native people who weaved them into every aspect of daily life relied on them for food clothing and shelter and revered them as equals Newcomers to the continent found the buffalo fascinating at first but in time they came to consider them a hindrance to a young nation's expansion And in the space of only a decade they were slaughtered by the millions for their hides with their carcasses left to rot on the prairies Then teetering on the brink of disappearing from the face of the earth they would be rescued by a motley collection of Americans each of them driven by different and sometimes competing impulses This is the rich and complicated story of a young republic's heedless rush to conquer a continent but also of the dawn of the conservation era a story of America at its very best and worst Across America Maurice Isserman, 2009 In 2003 Americans began celebrating the bicentennial of the Lewis and Clark expedition 1803 1806 a journey of discovery that proved a seminal moment in the history of the exploration of the North American continent **Poetry Train America** John E WordSlinger, 2013-06-09 A colorful combination of storytelling poets poetry and railways presented using America's fifty states as a backdrop 3 men who travel the U S A in the year of 2012 To write a written documentary on Poets and the Railroad in our times When they sleep they get taken back in time to the 19th Century when the roads were built and they have such great experiences and meet key Poets and figures Upon waking they have conversations about Poets from the 20th Century and RxR events Then it goes into their written documentary on Poetry and Poets now Main Characters that Andy and Red and Train Marshal Charlie journey within their Dreams and they are Alphonso G Newcomer Mad Bear Jung Hem Sing Mr Welchberry Patrick O Hara Jimmy New Orleans and many more **Stephen E. Ambrose Opening of the West E-Book Boxed Set** Stephen E. Ambrose, 2013-06-25 This ebook box set includes *Undaunted Courage* and *Nothing Like It in the World* by Stephen E Ambrose focusing on the ingenuity

and the hardships that shaped the American West Undaunted Courage This 1 New York Times bestseller gives a sweeping account of the most momentous expedition in American history Ambrose follows the Lewis and Clark Expedition from Thomas Jefferson's hope of finding a waterway to the Pacific through the heart stopping moments of the actual trip to Lewis's lonely demise on the Natchez Trace Along the way Ambrose shows us the American West as Lewis saw it wild awesome and pristinely beautiful Nothing Like It in the World A riveting account of an unprecedented feat of engineering vision and courage this is the story of the men who built the transcontinental railroad The US government pitted two companies the Union Pacific and the Central Pacific Railroads against each other in a race for funding encouraging speed over caution and their race brilliantly comes to life in Ambrose's telling of the investors who risked their businesses and money the enlightened politicians who understood its importance the engineers and surveyors who risked and sometimes lost their lives and the Irish and Chinese immigrants the defeated Confederate soldiers and all the laborers who did the backbreaking and dangerous work on the tracks

**Design Discourse** David Franke,Alex Reid,2010-10-06 Design Discourse Composing and Revising Programs in Professional and Technical Writing addresses the complexities of developing professional and technical writing programs The essays in the collection offer reflections on efforts to bridge two cultures what the editors characterize as the art and science of writing often by addressing explicitly the tensions between them Design Discourse offers insights into the high stakes decisions made by program designers as they seek to function at the intersection of the practical and the abstract the human and the technical

Out West ,2000-09-01 One hundred and eighty years after Lewis and Clark's Voyage of Discovery 1804-1806 Dayton Duncan set out in a Volkswagen camper to retrace their steps Out West is an account of three separate journeys Lewis and Clark's epic adventure through uncharted wilderness Duncan's retracing of the historic trail now in various ways tamed paved and settled and the journey of the American West in the years in between Readers traveling with Duncan will encounter the people who inhabit today's West farmers and ranchers cowboys and mountain men Native Americans residents of dying small towns city dwellers who have survived cycles of boom and bust From the Gateway Arch in St Louis to the Oregon coast readers will be treated to a landscape as variously impressive as its people

**Country Music** Dayton Duncan,Ken Burns,2019-09-10 A gorgeously illustrated and hugely entertaining story of America s most popular music and the singers and songwriters who captivated entertained and consoled listeners throughout the twentieth century based on the eight part film series This fascinating history begins where country music itself emerged the American South where people sang to themselves and to their families at home and in church and where they danced to fiddle tunes on Saturday nights With the birth of radio in the 1920s the songs moved from small towns mountain hollers and the wide open West to become the music of an entire nation a diverse range of sounds and styles from honky tonk to gospel to bluegrass to rockabilly leading up through the decades to the music s massive commercial success today But above all Country Music is the story of the musicians Here is Hank Williams s tragic honky tonk life Dolly Parton rising to fame from a dirt poor childhood and Loretta Lynn turning her experiences into songs that spoke to women everywhere Here too are interviews with the genre s biggest stars including the likes of Merle Haggard to Garth Brooks to Rosanne Cash Rife with rare photographs and endlessly fascinating anecdotes the stories in this sweeping yet intimate history will captivate longtime country fans and introduce new listeners to an extraordinary body of music that lies at the very center of the American experience Charles Sumner Zaakir Tameez,2025-06-03

A thorough recounting of the great legislator s life and deed unlikely to be bettered anytime soon Tameez is expert at explaining Sumner s legal thought One cannot help wishing we had a Charles Sumner in Washington today The New York Times An excellent book about the courageous Massachusetts senator Drawing from hundreds of letters articles and speeches Mr Tameez has created a remarkable portrait of a complex man who faced many personal challenges Charles Sumner is a moving portrayal of a courageous long overlooked American who in the words of one contemporary stood in the vanguard of Freedom Wall Street Journal A landmark biography of Charles Sumner the unsung hero of the American Civil War and Reconstruction Charles Sumner is mainly known as the abolitionist statesman who suffered a brutal caning on the Senate floor by the proslavery congressman Preston Brooks in 1856 This violent episode has obscured Sumner s status as the most passionate champion of equal rights and multiracial democracy of his time A friend of Alexis de Tocqueville an ally of Frederick Douglass and an adviser to Abraham Lincoln Sumner helped the Union win the Civil War and ordain the Emancipation Proclamation the Thirteenth Amendment the Freedmen s Bureau and the Civil Rights Act of 1875 In a comprehensive but fast paced narrative Zaakir Tameez presents Sumner as one of America s forgotten founding fathers a constitutional visionary who helped to rewrite the post Civil War Constitution and give birth to modern civil rights law He argues that Sumner was a gay man who

battled with love and heartbreak at a time when homosexuality wasn't well understood or accepted And he explores Sumner's critical partnerships with the nation's first generation of Black lawyers and civil rights leaders whose legal contributions to Reconstruction have been overlooked for far too long An extraordinary achievement of historical and constitutional scholarship Charles Sumner brings back to life one of America's most inspiring statesmen whose formidable ideas remain relevant to a nation still divided over questions of race democracy and constitutional law

**Mountain Man: John Colter, the Lewis & Clark Expedition, and the Call of the American West (American Grit)** David Weston Marshall, 2017-05-09

If you seek vicarious adventure these pages await the armchair explorer Providence Journal In 1804 John Colter set out with Meriwether Lewis and William Clark on the first US expedition to traverse the North American continent During the 28 month ordeal Colter served as a hunter and scout and honed his survival skills on the western frontier But when the journey was over Colter stayed behind He spent two more years trekking alone through dangerous and unfamiliar territory charting some of the West's most treasured landmarks Historian David W Marshall crafts this captivating history from Colter's primary sources and has retraced Colter's steps experiencing firsthand how he survived in the wilderness how he pitched a shelter built a fire followed a trail and forded a stream adding a powerful layer of authority and detail

*Believers* Lisa Wells, 2021-07-20

An essential document of our time Charles D Ambrosio author of *Loitering* In search of answers and action the award winning poet and essayist Lisa Wells brings us *Believers* introducing trailblazers and outliers from across the globe who have found radically new ways to live and reconnect to the Earth in the face of climate change We find ourselves at the end of the world How then shall we live Like most of us Lisa Wells has spent years overwhelmed by increasingly urgent news of climate change on an apocalyptic scale She did not need to be convinced of the stakes but she could not find practical answers She embarked on a pilgrimage seeking wisdom and paths to action from outliers and visionaries pragmatists and iconoclasts *Believers* tracks through the lives of these people who are dedicated to repairing the earth and seemingly undaunted by the task ahead Wells meets an itinerant gardener and misanthrope leading a group of nomadic activists in rewilding the American desert She finds a group of environmentalist Christians practicing watershed discipleship in New Mexico and another group in Philadelphia turning the tools of violence into tools of farming guns into ploughshares She watches the world's greatest tracker teach others how to read a trail and visits botanists who are restoring land overrun by invasive species and destructive humans She talks with survivors of catastrophic wildfires in California as they try to rebuild in ways that acknowledge the fires will come again Through empathic critical portraits Wells shows that these trailblazers are not so far beyond the rest of us They have had the same realization have accepted that we are living through a global catastrophe but are trying to answer the next question How do you make a life at the end of the world Through this miraculous commingling of acceptance and activism this focus on seeing clearly and moving forward Wells is able to take the devastating news facing us all every day and inject a possibility of real hope *Believers* demands transformation It will change

how you think about your own actions about how you can still make an impact and about how we might yet reckon with our inheritance     River Reflections Verne Huser,2005 Three hundred and fifty years of river literature come together in this memorable collection     **Trading Stones** ,D.L.Rutledge,2021-01-25 My name is Daniel I m seventy one years old and I m dying This is my love story of loving women young and old some with great passion others delicately but always profoundly Love is profound Love is very profound And for me being aware of that truth the epiphany came to me late It would be best to learn it early but the knowledge is available always It s my story of the love I have for my best buddy a friendship that s endured and has been important for over a half century the undemanding love of dog and master and the special love of mentor and prodigy I have always felt a bit like an alien in this world I ve looked at myself from the outside looking inward judging my actions my behaviors what I thought what I felt Sometimes I was glad at what I saw and other times deeply disappointed but my view was always objective Never a cheerleader yelling wanting a particular outcome always looking back with cool maybe even cold objectivity With a few rare exceptions people under fifty have little concern about their mortality They think they ll live forever Death is a foreign thought I understand I didn t spend much time thinking about it either That s natural But you re wrong Death is closer than you realize sometimes a blink away     Outback and Out West Tom Lynch,2022-11 Outback and Out West examines the ecological consequences of a settler colonial imaginary by comparing expressions of settler colonialism in the literature of the American West and Australian Outback Tom Lynch traces exogenous domination in both regions which resulted in many similar means of settlement including pastoralism homestead acts afforestation efforts and bioregional efforts at belonging Lynch pairs the two nations texts to show how an analysis at the intersection of ecocriticism and settler colonialism requires a new canon that is responsive to the social cultural and ecological difficulties created by settlement in the West and Outback Outback and Out West draws out the regional Anthropocene dimensions of settler colonialism considering such pressing environmental problems as habitat loss groundwater depletion and mass extinctions Lynch studies the implications of our settlement heritage on history art and the environment through the cross national comparison of spaces He asserts that bringing an ecocritical awareness to settler colonial theory is essential for reconciliation with dispossessed Indigenous populations as well as reparations for ecological damages as we work to decolonize engagement with and literature about these places     **A Pocketful of History** Jim Noles,2009-03-25 The U S Mint s Fifty State Quarters Program its most ambitious program to date has been a huge popular success When the final state quarters are released in 2008 many thousands of individuals will have collected one commemorative quarter for each state in the Union But what can we learn about our country s history and culture from 12 50 worth of quarters A Pocketful of History tells the intriguing story behind each state s quarter how each state chose its quarter s design what is important about the people scenes or themes depicted on the coin and what the collection tells us about how we view ourselves and our heritage A Pocketful of History will guide readers on a fascinating journey through
