Sciences Research Journal ,2007 *The Scheduled Castes* K. S. Singh,1993 This volume represents as accurate a list of India s Scheduled Castes as can currently be made It reveals a highly heterogeneous profile of Scheduled Caste communities which are spread across the country and which are mainly landless with little control over resources such as land forest and water It also shows the persistence of untouchability in many pockets and the variable measures of equality that have so far been achieved in the struggle for social upliftment by the Scheduled Castes It reveals that these castes have been increasingly involved in modern occupations such as service in government departments wherever traditional industries have declined As a consequence a new sense of self respect is in the air gradually replacing some of the old myths which sought to legitimize their degradation **People of India: The scheduled castes** K.
