Schemes Of Satan:

Schemes of Satan Mike Warnke,1991 **The Schemes of Satan** Gil Stieglitz,2015-10-01 Satan is alive and well and living on planet earth Every day he strategizes how to destroy people s lives through the tests and temptations he runs One of them is that people must choose to sin and want the devil s malevolent influence in their lives The more selfishness people choose the more selfishness they can be tempted with So the Devil makes the wrong choices seem right He glamorizes absolutely toxic opportunities We actually face three enemies that want to block us from enjoying the life God has planned for us The World 1 John 2 15 18 The Flesh Galatians 5 19 21 and The Devil Ephesians 6 10 18 Each of these enemies can get in the way of our embracing the great life and good works that God has planned for us Ephesians 2 10 In this book we will be focusing on just the last of these enemies the Devil and what his strategies are to rob us of God s abundant life **21 of Satan's Schemes, Tricks, and Devices** Gwen Richardson,2016-05-14 so that Satan might not outwit us for we are not ignorant of his devices 2 Corinthians 2 11 The above scripture is well known among most Christians yet its meaning escapes many within the body of Christ It has been my observation that in the new millennium Satan and his minions are indeed outwitting us as most Christians appear to be clueless about Satan s schemes tricks and devices Satan s schemes are designed to lead us into sin and keep us mired there Moreover in utilizing his tricks his intentions are to render us ineffective in our own faith walk as well as in leading others to Christ In this era of special effects and technological advances Christians may expect Satan s existence or appearance to be a dramatic one similar to what they have seen in Hollywood films Some incorrectly perceive Satan or the devil to be in human form wearing a red suit having horns atop his head and holding a pitchfork Others imagine Satan as a yellow eyed winged creature with talons as portrayed in end time prophecy novels But instead of appearing in a vivid conspicuous way the devil manifests inconspicuously and subtly through evil forces and spiritual wickedness especially in high places This book describes twenty one of Satan s schemes tricks and devices however this list is not by any means all inclusive The schemes that are listed are ones I identified following months of intense Bible study Before we explore these schemes however a thorough understanding of Satan and his characteristics is required first
